C. F. BULMER,
Clerk of the Crown in Chancery.

And the House having met,

The Honourable the Lieutenant-Governor, having entered the House, took his seat on the Throne.

Mr. Nixon (Brant), the Provincial Secretary, then said:

"I am commanded by The Honourable the Lieutenant-Governor to state that he does not see fit to declare the causes of the summoning of the present Legislature of this Province until a Speaker of this House shall have been chosen according to law, but to-day at a subsequent hour His Honour will declare the causes of the calling of this Legislature."

His Honour was then pleased to retire.

And the Clerk having called for nominations for the office of Speaker, the Prime Minister, Mr. Hepburn, seconded by Mr. Nixon (Brant), proposed to the House for their Speaker, N. O. Hipel, Esquire, Member for the Riding of Waterloo South.

There being no other nominations the Clerk declared the Honourable N. O. Hipel duly elected, and he was conducted by the Honourable the Premier and Mr. Nixon to the Chair where, standing on the upper step, he returned his humble acknowledgments to the House for the great honour they had been pleased to confer upon him by choosing him to be their Speaker.

And thereupon he sat down in the Chair and the Mace was placed upon the Table.

The House then adjourned during pleasure.

The Honourable the Lieutenant-Governor then re-entered the House and took his seat on the Throne.

Mr. Speaker then addressed His Honour to the following effect:

May it please Your Honour:

The Legislative Assembly have elected me as their Speaker, though I am but little able to fulfil the important duties thus assigned to me.

If, in the performance of those duties, I should at any time fall into error, I pray that the fault may be imputed to me and not to the Assembly whose servant I am, and who, through me, the better to enable them to discharge their duty to their King and Country, hereby claim all their undoubted rights and privileges, especially that they may have freedom of speech in their debates, access to your person at all seasonable times, and that their proceedings may receive from you the most favourable consideration.

The Provincial Secretary then said:

Mr. Speaker,

I am commanded by The Honourable the Lieutenant-Governor to declare to you that he freely confides in the duty and attachment of the Assembly to His Majesty's person and Government, and not doubting that the proceedings will be conducted with wisdom, temperance and prudence, he grants and upon all occasions will recognize and allow the constitutional privileges.

I am commanded also to assure you that the Assembly shall have ready access to His Honour upon all suitable occasions, and that their proceedings, as well as your words and actions, will constantly receive from him the most favourable construction.

The Honourable the Lieutenant Governor was then pleased to open the Session with the following gracious speech:—

Mr. Speaker and Gentlemen of the Legislative Assembly:

We meet to-day to inaugurate the Nineteenth Legislature of this Province since Confederation, and it is with much pleasure that I extend greetings and cordial good wishes to you all as the duly elected representatives of the people of Ontario.

It is a matter of deep regret that the Members elected last June for South Wellington and Nipissing have been removed by the sudden hand of death, and, on your behalf, I pay tribute to their memory.

Widespread unemployment, which has persisted during the past year, continues as one of our major problems, not only by reason of the direct relief involved, but also on account of the consequent stress on many of our municipalities through lowered tax collections. Vigorous measures have been taken by my Ministers to deal with the situation, not merely with a view to relieving hardship but also in an effort to improve and sustain the morale of the people. The administration of relief has been entirely reorganized and a new Department of Municipal Affairs created, ensuring a closer relationship between the Province and the municipalities than has hitherto existed. Supervised municipalities are now making payments on their bonded indebtedness at a reasonable rate and are also contributing to unemployment relief for the first time since their default. In order to prevent unwise issue of debentures resulting in oppressive taxation in municipalities, a Bill will be introduced requiring the consent of the Ontario Railway and Municipal Board.

Agricultural products have remained at a low price level and it has been deemed equitable, therefore, to reduce the interest on loans made by the Agricultural Development Board from five to four per cent. The Milk Control Board has been able to maintain a fair return to the farmer selling fluid milk, and proposals will be made to the Agricultural Committee for improving the production and disposal of all dairy products.

The progress of Ontario's mineral industry has been most gratifying. Several widely scattered gold mines commenced milling last year, and the Sturgeon River

area east of Lake Nipigon may prove to be a new gold camp. Mineral production in 1934 was valued at \$136,000,000, eclipsing by \$18,000,000 the former peak year of 1929.

While disposed to render every assistance to those engaged in legitimate enterprise, my Government, through its Securities Department, has taken active steps to protect the investing public from those who are seeking to perpetrate frauds.

Enforcement of The Factory Act and The Minimum Wage Law for women and girls has been one of the chief activities of the Labour Department, which has also been investigating the question of wages and limitation of hours of labour. A measure will be introduced to give binding effect to voluntary collective agreements along this line between employers and employees. It is hoped in this way to overcome many of the abuses which have existed and to improve the conditions in industry.

In the social services a comprehensive programme has been undertaken. You will be asked to approve legislation extending the Mothers' Allowance to destitute widows with one child.

The Hydro-Electric Power Commission of Ontario, by reduction in administrative and managerial costs during the past six months, has effected a yearly saving of more than \$600,000. In addition, a reduction of \$450,000 in annual interest payments will be apparent this year, and a decline will continue until the money advanced by the Province for capital expenditures has been returned through the accretion of adequate sinking funds. My Ministers, however, view with concern the increasing costs of purchased but unused power.

An intensive survey of the system of taxation for the support of both Primary and Secondary Schools is being made by the Department of Education with a view to such revision of the method of local taxation and system of Provincial grants as will make possible a more satisfactory and equitable distribution of the cost of education throughout the Province. Methods for the improvement of the instruction provided in the schools are also being studied.

Decision has been made to introduce legislation which will permit the Province to assume the entire cost of the King's Highways. This will give considerable relief to cities, towns and rural municipalities. At the same time, as a brake on the Provincial debt, it may be necessary for the present to restrict new construction very considerably.

Development of a satisfactory type of local health administration is now occupying the attention of the Department of Health. For this purpose a Health Unit has been organized in Eastern Ontario. To support this work in its initial stages the Rockefeller Foundation has granted a substantial subsidy.

My Ministers are giving careful attention and encouragement to the great lumbering industry, while a comprehensive survey is also underway with respect to the newsprint situation. The obligations of certain Companies to the Crown are being closely scrutinized. A reduction in administrative costs has been

possible by a co-ordination and consolidation of branches in the outside services, this having become affective after extensive investigations. Legislation will be submitted to give statutory effect to these rearrangements.

The Public Accounts which will be laid before you at an early date have been prepared in a manner which, I trust, will afford a clear and accurate survey of the financial affairs of the Province. Relief expenditures continue to be a heavy burden, but have been partially offset by extensive economies made throughout the various Departments. In addition, a very material saving has been effected by reason of the successful refunding of maturing obligations at a low rate of interest. Legislation will be introduced to change our fiscal year to end on March 31st. This follows the Federal practice and is in conformity with a resolution passed at a Conference of the Provinces in 1933, in connection with uniformity of statistical information. This will have the effect of placing before you the estimated receipts and expenditures for the year which commences during or immediately after the sitting of the House.

In addition to the measures already mentioned legislation will be submitted to you to amend The Public Service Act; to amend The Provincial Loans Act; for the better care of the mentally afflicted; to amend The Public Hospitals Act; to amend The Companies Act; to amend The Game and Fisheries Act, and for various other purposes.

In conclusion, I commend the work of this Assembly to your earnest consideration and trust that under the guidance of Divine Providence your labours will further advance the public welfare.

His Honour was then pleased to retire.

Mr. Speaker then reported,

That, to prevent mistakes, he had obtained a copy of His Honour's Speech, which he read.

The Speaker informed the House that the Clerk had received notifications of certain vacancies which had occurred in the membership of the House since the General Election in the Ridings of Kenora, Grey North, Wellington South, Nipissing.

(Sessional Papers No. 25.)

The Speaker informed the House that the Clerk had received, through the Secretary of State at Ottawa, a despatch from the British Ambassador to Belgium conveying a reply from the Government of Belgium to the resolution passed by the Assembly at its last Session expressing regret at the untimely death of the late King of the Belgians.

The despatch was read by the Clerk at the Table as follows:

Ottawa, April 26th, 1934.

SIR:

Referring to a letter from the Clerk of the Legislative Assembly of Ontario, dated February 24th, 1934, enclosing a Resolution of condolence with the Royal Family and the people of Belgium in the loss of their King, I have the honour by direction to transmit to you, herewith, to be forwarded to the Legislative Assembly, copy of a despatch from His Majesty's Ambassador at Brussels, and its enclosure gratefully acknowledging the expression of sympathy conveyed in the Resolution.

I have the honour to be,

Sir,

Your obedient servant,

E. H. COLEMAN,

Under-Secretary of State.

The Honourable

The Lieutenant-Governor of Ontario,
Toronto, Ontario.

BRITISH EMBASSY,

Brussels, April 6th, 1934.

SIR:

With reference to your despatch of the 28th February last enclosing a Resolution passed by the Legislative Assembly of the Province of Ontario expressing their sympathy with the Royal Family and people of Belgium, I have

the honour to transmit to you herewith copy of a note of acknowledgment from the Belgian Government and I shall be grateful if you will be so good as to convey the message of thanks to its destination.

I am, Sir,

Your obedient servant

(For the Ambassador),

(Signed) G. N. M. BLAND.

The Secretary of State for External Affairs,
Ottawa.

MINISTER OF FOREIGN AFFAIRS,
Brussels, April 3rd, 1934.

MR. G. N. N. BLAND,
Ambassador from Great Britain,
Brussels.

By your letter of March 14th last, No. 90 S.E.M., you were good enough to send me the text of a Resolution voted by the Legislative Assembly of the Province of Ontario expressing their sympathy to the Royal Family and the Belgian people on the occasion of the death of our regretted King Albert.

I have the honour to request you to be good enough to convey to the Members of the Legislative Assembly of the Province of Ontario the sincere thanks of Her Majesty for their touching expressions of sympathetic attention.

I am pleased, Mr. Ambassador, to assure you of my best consideration.

For the Minister,

The Minister Plenipotentiary,

PAPEIUS DE MORCHOVAN.

The Petition of James Hawthorne, a candidate at the said election, complaining of the return and election of T. Percy Lancaster, and a cross-petition of James Juby, Ernest S. Mitchell, and Joseph Ernest Gregson, alleging that the said Petitioner was guilty of corrupt and illegal acts at the said election,

coming on for trial before us the undersigned, two of His Majesty's Justices of the Supreme Court constituted the Election Court for the trial of the said Petitions on the Sixth day of February, 1935, and notice of the intention of each of the said Petitioners to apply for leave to withdraw said Petitions respectively having been duly published, as required by law, and no one applying to intervene, we did on that day determine that T. Percy Lancaster was duly elected and properly returned, as representing the said constituency.

And we further certify that it was not proved before us that any corrupt practice had been committed at the said election and we have no reason to believe that corrupt practices have extensively prevailed at the said election, nor have we any reason to believe that inquiry into the circumstances of the election has been rendered incomplete by the action of any of the parties to the Petition, and in our opinion no further inquiry as to the existence of corrupt practice is necessary or desirable.

As witness our hands this Fourteenth day of February, 1935.

Osgoode Hall, Toronto.

Mr. Murphy asked the following Question (No. 17):—

1. How many persons in the Province have been taken off relief and put into gainful occupations since the present Government came into office.

The Honourable the Minister of Public Welfare and Municipal Affairs replied as follows:—

From July 11th, 1934, to December 31st, 1934, which is the last date for which figures are available, there was a decrease of 65,363 individuals or 11,299 heads of families on relief in the Province. Although no exact records are kept of those in gainful occupation, undoubtedly this number found employment in gainful occupation within the Province since this Government took office.

Mr. Challies asked the following Question (No. 48):—

1. What was the amount paid by the Department of Game and Fisheries to any other Department of the Government for expenses in connection with fish and game law enforcement since July 19th, 1934.

The Honourable the Minister of Game and Fisheries replied as follows:—

1. \$1,167.21, paid to the Provincial Police Department.

The Order of the Day for resuming the Adjourned Debate on the Amendment to the Motion for the consideration of the Speech of The Honourable the Lieutenant-Governor, at the opening of the Session, having been read,

And the Debate having been continued, after some time, it was moved by Mr. Roebuck,

That the Debate be adjourned until Monday next.

Mr. Price raised the objection that Mr. Roebuck had concluded his address and had resumed his seat and that he (Mr. Price) had risen to address the House before the motion to adjourn the Debate had been made.

Mr. Speaker ruled that Mr. Roebuck was within his rights in moving the adjournment of the Debate if he desired to continue his address and deal with other matters.

And an appeal having been taken from the ruling, Mr. Speaker was sustained by the House on the following Division:—

Mr. Speaker informed the House that he had received from the Judges selected for the trial of Election Petitions, pursuant to The Ontario Controverted Elections Act, a certificate and report relating to the election for the Electoral District of Prescott.

The report was then read by the Clerk at the Table as follows:—

IN THE SUPREME COURT OF ONTARIO

In the matter of The Controverted Elections Act and amending Acts; and in the matter of the Election for the Electoral District of the County of Prescott holden on the 12th and 19th days of June, 1934.

BETWEEN:

MOYSE LABELLE, OLIVER MAYNARD AND
MAGLOIRE LANDRIAU,

Petitioners,

—AND—

AURELIEN BELANGER,

Respondent.

The Petition of the above-named Petitioners complaining of the return and election of the said Aurelien Belanger as Member for the Electoral District of Prescott and Russell at the above-named election and alleging that he was guilty of corrupt practices and illegal acts at the said election coming on for trial before us, the undersigned, two of His Majesty's Justices of the Supreme Court of Ontario, constituting the Election Court for the trial of the said petition, on the 8th day of January, 1935, in the presence of Counsel for the said Petitioners and for the Respondent, whereupon upon opening the matter and upon hearing Counsel aforesaid and no evidence being produced establishing the charges in the said Petition contained, we did on that day determine that the said Aurelien Belanger was duly elected and properly returned as representing the said constituency;

And we further certify that it was not proved before us that any corrupt practice had been committed at the said election and we have no reason to believe that corrupt practices extensively prevailed at the said election nor have we any reason to believe that enquiry into the circumstances of the said election has been rendered incomplete by the action of any of the parties to the said Petition and in our opinion no further enquiry as to the existence of corrupt practices is necessary or desirable.

Mr. Macaulay asked the following Question (No. 56):—

1. What, if any, work on Highways under the Northern Development Branch and Highways Department in the Riding of Addington was stopped by this Government in the month of July, 1934. 2. What work was undertaken or underway by this Government in the month of September, 1934, in the Riding of Addington. 3. How many men were employed in the Riding of Addington during the month of September, 1934.

The Honourable the Minister of Lands and Forests replied as follows:—

(As far as the Department of Northern Development is concerned.) 1. In July, 1934, approximately 440 settlers who were working on the Addington Road,

the Sharbot Lake Road and the Snow Road and who were being paid by Unemployment Relief Funds administered by the Department of Northern Development, were laid off so that they could return to their farms for haying and harvest. This was the general policy of the Department in all districts. Four Board Camps, employing an average of 474 men during July, continued to operate. 2. In the month of September, work was continued by Northern Development on the Addington Road and the Sharbot Lake Lavant Road, and some of the settlers laid off in July were again put to work in accordance with the general policy of the Department in all districts. 3. During September, 1934, an average of 543 men were employed by Northern Development in Board Camps, and settlers were gradually re-employed to a maximum of 158 on September 29th.

PRAYERS.

3 O'CLOCK P.M.

The following Bill was introduced and read the first time:—

Bill (No. 69), intituled "An Act to amend The Justices of The Peace Act."
Mr. Roebuck.

Ordered, That the Bill be read the second time on Monday next.

Before the Orders of the Day were called, Mr. Speaker gave the following Ruling on the appeal of the Honourable Member for Parkdale on which he reserved his decision on Wednesday last:—

"The Honourable Member for Parkdale took exception to the manner in which the Honourable the Attorney-General was replying to Questions Numbered 52-53-63 and a number of others of similar type regarding the dismissal from office of various former Police Magistrates. He claimed that the information asked as to the salaries of the successors to the dismissed Magistrates should be given as asked.

"The Honourable the Attorney-General claimed that it was impossible to give such information as there had been no direct successors appointed to fill the exact positions of the former Magistrates, that the magisterial system had been completely revised and the work so redistributed that the information asked could not be given so as to give an intelligent reply to the portions of the questions referred to.

"Let me first call the attention of the House to the fact that Ministers of the Crown are not compelled to answer questions addressed to them. While Rule No. 34 of this House provides that 'Questions may be put to Ministers of the Crown relating to public affairs' there is nothing in this Rule or elsewhere in our Standing Orders which compels the Ministers to reply to the questions. Sir Erskine May's Parliamentary Practice, 13th Edition, page 240, contains the following passage respecting the asking of questions in the British House of Commons, whose precedents we follow:

"Questions addressed to Ministers should relate to the public affairs with which they are officially connected, to proceedings pending in Parliament or to any matter of administration for which the Minister is responsible. Within these lines an explanation can be sought regarding the intentions of the Government but not an expression of opinion upon matters of policy. An answer to a question cannot be insisted upon if the answer be refused by a Minister on the ground of the public interest; nor can the question be replaced upon the notice paper. The refusal of a Minister to answer a question on this ground cannot be raised as a matter of privilege while a motion for the adjournment of the House

under Standing Order No. 10 to discuss a similar refusal has been ruled out of order.'

"I have quoted May very fully to show that this whole matter of the reply to questions is within the jurisdiction of the Ministers of the Crown, that it is optional with them as to whether and how they shall answer the questions addressed to them and that the answers they do give are final subject to their own consent to give additional information.

"On this ground the appeal of the Honourable Member for Parkdale must fail, but I also desire to inform him that I have carefully considered the particular questions on which his appeal was based and have come to the conclusion that the questions asked could not be intelligently answered so as to give the replies he asks to the portions of the questions to which especial reference has been made; that there having been no direct successors appointed to the Magistrates whose services were dispensed with it is impossible to answer the questions so as to show what portions of the present Magistrates' salaries and expenses could be charged against former magisterial jurisdictions.

"For the reasons given I must rule that the answers to which exception has been taken are proper answers and must stand as final.

"I intimated to the House yesterday that I proposed, when ruling on this subject, to deal conclusively with the whole matter of putting and answering questions in order that the business of the House may be conducted with dignity and with more efficiency and despatch. Questions to the Ministers of the Crown should be based on a desire for knowledge and not for the purpose of making insinuations or expressing opinions.

"May, 13th Edition, page 242, says: 'The purpose of a question is to obtain information and not to supply it to the House. A question may not contain statements of facts, unless they be necessary to make the question intelligible and can be authenticated; nor should a question contain arguments, expressions of opinion, inferences or imputations. Quotations are not permitted in questions, or epithets or controversial, ironical or offensive expressions.'

"I think the House will agree with me that many of the questions placed on the Order Paper during the present Session could, at least, be regarded very doubtfully and in fact I have found it necessary to amend many of the questions submitted in order to admit them to the Order Paper. I am drawing this matter to the attention of the House and particularly to the Members of the Opposition with a request that they keep the rules in view when framing questions. Much of the time the House is occupied in reading the replies to questions and in this connection I wish to deal with the point raised by the Honourable Member for York East on Wednesday last when he claimed that replies to questions should be read to the House by the Minister before being Tabled.

"Let me say that there is no Rule within my knowledge which supports that contention. In the British House of Commons replies to questions are divided into two classes, oral replies and written replies. The oral replies are not supported by a written reply and are not included in the day's proceedings.

The written replies are not read in the House but are placed on the Table for inclusion in the day's proceedings.

“Rule 34, Clause *a*, of this House says:—

“Such questions and the replies thereto shall be in writing, and shall be entered in the Journals.”

“There is nothing in the Rule or elsewhere in the Standing Orders which implies that questions must be answered orally, on the contrary it appears to me that the Rule quoted carries the implication that the questions and replies thereto would properly be handed to the Clerk for inclusion in the Votes and Proceedings of the day and the Journals of the House.

“In my opinion it is a matter within the discretion of the Minister to whom a question is addressed as to whether he reads his reply or Tables it for inclusion in the Votes and Proceedings.”

The following Bill was read the third time and was passed:—

Bill (No. 68), An Act respecting the Guardianship of the Dionne Quintuplets,

The following Bills were severally read the second time:—

Bill (No. 59), An Act to amend The Statute of Frauds.

Referred to the Committee of the Whole House on Monday next.

Bill (No. 60), An Act for the Registration of Real Estate Brokers and Salesmen.

Referred to the Committee of the Whole House on Monday next.

The Order of the Day for resuming the Adjourned Debate on the Motion for the second reading of Bill (No. 52), An Act respecting Police, having been read,

The Debate was continued.

The House then adjourned at 4.55 p.m.

MONDAY, MARCH 18TH, 1935

Mr. Henry asked the following Question (No. 3):—

1. What Succession Duty accounts in the aggregate were left uncollected at the end of the fiscal year, October 31st, 1934. 2. Why were they not collected. 3. What accounts in the aggregate under The Corporation Tax Act were left uncollected at the end of the fiscal year, October 31st, 1934. 4. Why were they not collected.

The Honourable the Prime Minister and Provincial Treasurer replied as follows:—

1. \$1,099,514.58. 2. For various reasons—chiefly because of the depressed condition of the real estate market; some accounts considered uncollectable, and in other cases time for payment was extended by the previous Government. 3. \$805,617.24. 4. For various reasons—chiefly because some corporations have ceased operations, are in liquidation, or have been carrying on at a loss and are unable to pay.

Mr. Henry asked the following Question (No. 6):—

1. What farm loans in the aggregate were held up by the present Government. 2. Had these loans been passed by the Agricultural Development Board.

The Honourable the Minister of Agriculture replied as follows:—

1. Seventy loans amounting to \$36,215.50 for which mortgages had been completed by the Agricultural Development Board. Seven hundred and fifty-three loans amounting to \$1,648,611.07 approved by the Board but not completed

by the Legal Department of the Board. Seventy-five increases of old loans amounting to \$40,000.00 approved by the Board but not completed by the Legal Department. No. 2 by No. 1.

Mr. Price asked the following Question (No. 10):—

1. Who are the persons whose recommendations for appointment as His Majesty's Counsel Learned in the Law were cancelled by Order-in-Council since the 11th day of July, 1934. 2. When were they cancelled. 3. How were they cancelled. 4. On whose recommendation.

The Honourable the Provincial Secretary replied as follows:—

1. All persons whose names appear in any Order-in-Council passed prior to July 1st, 1934, naming Provincial Officers under the name of "His Majesty's Counsel Learned in the Law," who had not taken out Letters Patent under the Great Seal prior to that date. For reasons of public policy, it is not considered advisable to disclose the names of the persons affected. 2. As and from December 20th, 1934. 3. By Order-in-Council, December 20th, 1934. 4. The Attorney-General.

Mr. Macaulay asked the following Question (No. 11):—

1. How many miles of ditches were filled in by shouldering operations by the Department of Highways in the twelve months prior to July 11th, 1934. 2. How many miles of these ditches have been dug out again by the Department of Highways since July 11th, 1934. 3. How many miles of ditches have been filled in by shouldering operations by the Department of Highways since July 11th, 1934.

The Honourable the Minister of Public Works and Highways replied as follows:—

1. 294.2 miles. 2. Cannot estimate mileage over the length mentioned in Question No. 1. The Department with its regular staff has opened and is continuing to open ditches and drainage outlets and clear ditches where drainage blocked. 3. 14.55 miles.

Mr. Ellis asked the following Question (No. 14):—

1. What legal counsel supported the request for Lloyd's application for an Ontario license for insurance. 2. What legal counsel opposed such application. 3. What order or disposition was made of the application by the Government or the Department of Insurance.

The Honourable the Attorney-General and Minister of Labour replied as follows:—

1. Arthur G. Slaght, K.C., and V. Evan Gray, K.C. 2. W. R. P. Parker, K.C.; J. C. McRuer, K.C., and H. S. Wegg. 3. Application granted.

Mr. Murphy asked the following Question (No. 16):—

1. What was the total cost of the operation of the Securities Commission for the month of June, 1934. 2. What was the total cost of the operation of the Securities Commission for December, 1934.

The Honourable the Attorney-General and Minister of Labour replied as follows:—

1. \$4,080.97. 2. \$4,500.71.

Mr. Baird asked the following Question (No. 21):—

1. How many Crown Prosecutors at Assizes and in other Courts of the Province have been appointed since the present Government came into power. 2. Give the name, assize or legal matter and the amount paid.

The Honourable the Attorney-General and Minister of Labour replied as follows:—

1. Twelve. 2. (1) J. G. Gillanders, Sandwich Fall Assizes, 1934, \$175.35. One case only, a charge against the gaoler, with whom the Crown Attorney was well acquainted. The balance of the Assizes was taken by the Crown Attorney. (2) J. H. McDonald, North Bay Fall Assizes, 1934, \$106.00. Crown Attorney was ill. (3) J. D. Peck, Cobourg Fall Assizes, 1934, \$405.93. Special murder case. (4) O. E. Klein, Walkerton Fall Assizes, 1934, \$156.00. Crown Attorney was a witness at the trial. (5) H. J. Fine, Haileybury Fall Assizes, 1934, \$239.60. Crown Attorneyship vacant. (6) Joseph Singer, Toronto Fall Assizes, 1934, \$2,110.00. Crown Attorney and his assistants engaged in General Sessions and other Courts. (7) J. B. Davidson, St. Thomas Fall Assizes, 1934, \$243.00. Murder trial. (8) Salter A. Hayden, Toronto Winter Assizes, 1935. Not yet paid. Crown Attorney and assistants engaged in General Sessions and other Courts. (9) J. C. M. German, London Winter Assizes, 1935. Not yet paid. Special kidnapping case. (10) G. A. Urquhart, Belleville Spring Assizes, 1935. Not yet paid. Special Murder case. (11) J. G. Gillanders, Goderich Spring Assizes, 1935. Not yet paid. Perjury charge. Crown Attorney acted for Plaintiff in civil case out of which this charge arose. (12) G. N. Gordon, K.C., Peterborough Spring Assizes. Not yet paid. Two special cases—one of rape, and one of manslaughter. The Crown Attorney here is on fees and would have been entitled to receive extra fees for taking the Assize.

Mr. Kidd asked the following Question (No. 22):—

1. When does the Government expect to give the House a report of the Committee asked to look into the disposition of the Fire Marshal service.

The Honourable the Attorney-General and Minister of Labour replied as follows:—

This report is not a public document, as no public money was spent in its preparation, and as it was made on the invitation of the Attorney-General voluntarily and for his advice, information and guidance.

Mr. Henry asked the following Question (No. 24):—

1. How many Justices of the Peace have been appointed by the present Government. 2. What is their term of office. 3. What salary do they get per annum. 4. Give the names, addresses and jurisdiction of these Justices of the Peace. 5. What duties do they perform. 6. Is there any allowance for travelling expenses.

The Honourable the Attorney-General and Minister of Labour replied as follows:—

1. 492. 2. Pleasure of Government. 3. 71 receive \$150.00 per annum each; 276 receive \$100.00 per annum each; 145 receive no salary. 4. See attached list. 5. The duties prescribed by Statute, as limited by The Magistrates Act, namely, taking informations, issuing summonses or warrants, taking bail and hearing by-law offences. 6. No.

Mr. Price asked the following Question (No. 26):—

1. How many Justices of the Peace were dismissed by the present Government.
2. Give (a) the names, (b) the jurisdiction, and (c) the date of their appointment.
3. Why were they dismissed. 4. What salary did they receive.

The Honourable the Attorney-General and Minister of Labour replied as follows:—

1. Owing to vacancies created by deaths and removals, there is no accurate information showing the number of Justices of the Peace in office in July, 1934. A new general Commission of the Peace was issued on December 1st, 1934. By Section 3 of The Justices of the Peace Act, the effect of this was to revoke all existing Commissions of Justices of the Peace. 2. The names, jurisdictions and dates of appointment appear in *The Ontario Gazette* between 1905 (the date of the last General Commission of the Peace) and December 1st, 1934. 3. Answered by No. 1. 4. None.

Mr. Price asked the following Question (No. 28):—

1. Why was Wesley John Smith, Huntsville, Magistrate for Huntsville, Stisted, Sinclair, Chaffey, Cardwell, Brunell, Franklin and Stephenson, dismissed.
2. Were there any charges against him. 3. What salary was he paid. 4. Who takes over this work. 5. What salary is he paid. 6. What have the Magistrate's travelling expenses been since appointed to the new jurisdiction.

The Honourable the Attorney-General and Minister of Labour replied as follows:—

1. Mr. Smith, together with other Magistrates, was retired in order to facilitate the reorganization of the magisterial system. His services were not

required after the reorganization. 2. No. 3. \$500 per annum. 4. Position abolished. 5. Answered by No. 4. 6. Answered by No. 4.

Mr. Price asked the following Question (No. 29):—

1. Why was R. H. Pronger, Dryden, Magistrate for portion of the District of Thunder Bay (from 94th degree of West Longitude to the West boundary), dismissed. 2. Were there any charges against him. 3. What salary was he paid. 4. Who takes over this work. 5. What salary is he paid. 6. What have the Magistrate's travelling expenses been since appointed to the new jurisdiction.

The Honourable the Attorney-General and Minister of Labour replied as follows:—

1. Mr. Pronger, together with other Magistrates, was retired in order to facilitate the reorganization of the magisterial system. His services were not required after the reorganization. 2. No. 3. \$1,200 per annum. 4. Position abolished. Municipality now served by District Magistrates. 5. Answered by No. 4. 6. Answered by No. 4.

Mr. Price asked the following Question (No. 30):—

1. Why was Joseph Armand Cousineau, Sturgeon Falls, Magistrate for Townships in the District of Nipissing, Springer, Field, Bastedo, Caldwell, Badgerow, Gibbons, Dana, Crerar, Nugel, Kirkpatrick, MacPherson, Bertran, Latchford, London and Falconer; Townships in the District of Sudbury, Henry, Loughrin, Hagar, Ratter, Appleby, Dunnet, Casimir, Jennings, Cherriman, Haddo, Martland, Cosby, Delamere, Mason and Scollard, dismissed. 2. Were there any charges against him. 3. What salary was he paid. 4. Who takes over this work. 5. What salary is he paid. 6. What have the Magistrate's travelling expenses been since appointed to the new jurisdiction.

The Honourable the Attorney-General and Minister of Labour replied as follows:—

1. Mr. Cousineau, together with other Magistrates, was retired in order to facilitate the reorganization of the magisterial system. His services were not required after the reorganization. 2. No. 3. \$1,200 per annum. 4. Position abolished. 5. Answered by No. 4. 6. Answered by No. 5.

Mr. Price asked the following Question (No. 31):—

1. How many accounts were paid by the Treasury Department after the 31st day of October, 1934, and charged to the year ending October 31st, 1934. 2. What was the total amount of same.

The Honourable the Prime Minister and Provincial Treasurer replied as follows:—

1. No accounts were paid after the 31st of October, 1934, except such as were incurred previous to that date. 2. Answered by No. 1.

Mr. Price asked the following Question (No. 32):—

1. What was the initial salary of James E. Jones when he was appointed a Magistrate in Toronto. 2. What was the initial salary of Robert J. Brown when he was appointed a Magistrate in Toronto. 3. What was the initial salary of Mr. Thomas O'Connor when he was appointed a Magistrate in Toronto.

The Honourable the Attorney-General and Minister of Labour replied as follows:—

1. \$6,000. 2. \$3,000. 3. \$6,000.

Mr. Ellis asked the following Question (No. 38):—

1. How many Magistrates have the present Government dismissed or retired. 2. What are (a) the names, (b) the jurisdiction, and (c) the salary of each Magistrate so retired. 3. How many Magistrates were retained in the service of the Province at the time of the first announcement of these dismissals. 4. What Magistrates, slated for retirement, were eventually retained after the first announcement of dismissals. 5. What was the reason for this change of attitude. 6. Give the (a) names, (b) jurisdiction, and (c) salary of new Magistrates appointed by the present Government.

The Honourable the Attorney-General and Minister of Labour replied as follows:—

1. Eighty-nine. 2. See attached list. 3. Forty-two. 4. J. H. Campbell, St. Catharines; D. Davidson, Mimico; W. E. McIlveen, Oakville. 5. Services required on account of reorganization. 6. E. J. Butler, Provincial, \$3,000; L. Clayton, Provincial, \$3,500; E. W. Cross, Provincial, \$3,000; F. S. Ebbs, Provincial, \$3,000; E. A. Gee, Provincial, \$3,000; J. B. Hopkins, Provincial, \$3,000; R. WEDNESDAY, MARCH 20TH, 1935

PRAYERS.

3 O'CLOCK P.M.

The following Petition was read and received:—

Of the Municipal Corporation of the Township of King and the Municipal Corporation of the Township of West Gwillimbury, praying that an Act may pass validating and confirming a settlement agreement in connection with a suit regarding sales of land in the Holland Marshes.

The following Bills were severally introduced and read the first time:—

Bill (No. 72), intituled "An Act to amend The Wages Act." *Mr. Strachan.*

Ordered, That the Bill be read the second time To-morrow.

Bill (No. 73), intituled "An Act to amend The Master and Servant Act." *Mr. Kirby.*

Ordered, That the Bill be read the second time To-morrow.

Bill (No. 74), intituled "An Act to amend The Jurors' Act." *Mr. Sinclair* (Ontario).

Ordered, That the Bill be read the second time To-morrow.

Mr. Nesbitt asked the following Question (No. 102):—

1. When the present Administration abolished the District Health Officers (eight) what, if any, compensation was paid these men and what efforts were made to place them in other posts in the service. 2. (a) In view of the alarming increase in those in need of hospital treatment in our mental institutions, what steps, if any, has the present Administration taken to provide additional accommodation. (b) On what grounds was the building programme at Smith's Falls discontinued. (c) Has the Administration any plans for taking care of mental defectives in Eastern Ontario.

The Honourable the Minister of Health replied as follows:—

1. Those who were entitled to superannuation were given an allowance based on their period of service. Others who had been in the Service for a sufficiently long period to satisfy the requirements of the regulations, but not sufficient to make them eligible for superannuation, were given a lump sum based on one week's salary for each year of their service. Those who were not long enough in the Service to qualify for either of these considerations, had their payments

to the Superannuation Fund returned to them, in addition to the rate of interest provided by the regulations. Three of those who were discharged have already been replaced in the Service. 2. (a) Provision has been made to extend the policy of boarding out suitable convalescent patients, thus making beds available for those more acutely ill. (b) Building operations at Smith's Falls were discontinued because of the general financial situation of the Province and because it was found that additional hospital space could be provided more economically by extending existing hospitals and using present administrative staffs. (c) Answered by 2 (a).

The following Bills were severally read the second time:—

Bill (No. 70), An Act to amend The Municipal Arbitrations Act.

Referred to the Committee on Municipal Law.

Bill (No. 71), An Act to amend The County Judges Act.

Referred to the Committee on Municipal Law.

Bill (No. 57), An Act to amend The Children of Unmarried Parents Act.

Referred to the Committee of the Whole House To-morrow.

The House resolved itself into a Committee to consider Bill (No. 58), An Act to amend The Deserted Wives' and Children's Maintenance Act; and, after some time spent therein, Mr. Speaker resumed the Chair; and Mr. Clark reported, That the Committee had directed him to report the Bill with certain amendments.

Ordered, That the Amendments be taken into consideration forthwith.

The Amendments, having been read the second time, were agreed to.

Ordered, That the Bill be read the third time To-morrow.

The Order of the Day for the second reading of Bill (No. 43), An Act to amend The Power Commission Act, having been read, and a Debate having arisen it was on the motion of Mr. Price,

Ordered, That the Debate be adjourned.

The House then adjourned at 4.30 p.m.

THURSDAY, MARCH 21ST, 1935

PRAYERS.

3 O'CLOCK P.M.

Mr. Colter, from the Standing Committee on Private Bills, presented their First Report which was read as follows and adopted:—

Your Committee beg to report the following Bills without amendment:—

Bill (No. 1), An Act respecting the City of Owen Sound.

Bill (No. 2), An Act respecting the City of St. Thomas.

Bill (No. 3), An Act respecting the Township of Crowland.

Bill (No. 7), An Act respecting Huron College.

Bill (No. 16), An Act respecting the Town of Weston.

Your Committee beg to report the following Bills with certain amendments:—

Bill (No. 6), An Act respecting the Township of Teck.

Bill (No. 12), An Act respecting the Municipality of Neebing.

Your Committee would recommend that the fees, less the penalties and the actual cost of printing, be remitted on Bill (No. 7), "An Act respecting Huron College" on the ground that it relates to an educational institution.

With respect to the above-mentioned Bills (Nos. 2 and 6), your Committee is of opinion that it is unnecessary that the Schedules thereto be printed in the Statutes and therefore recommend that the same be struck out.

Ordered, That the fees, less the penalties and the actual cost of printing, be remitted on Bill (No. 7), "An Act respecting Huron College" on the ground that it relates to an educational institution.

The following Bill was introduced and read the first time:—

The House then adjourned at 6.00 p.m.

TUESDAY, MARCH 26TH, 1935

PRAYERS.

3 O'CLOCK P.M.

Mr. Colter, from the Standing Committee on Private Bills, presented their Second Report which was read as follows and adopted:—

Your Committee beg to report the following Bills without amendment:—

Bill (No. 25), An Act respecting the County of York.

Bill (No. 8), An Act respecting the Village of Hastings.

Bill (No. 31), An Act respecting the City of Windsor.

Your Committee beg to report the following Bill with certain amendments:—

Bill (No. 14), An Act respecting the City of Toronto.

With regard to Bills Numbers 4 and 19, An Act respecting the Town of Goderich, and An Act respecting the City of Peterborough, your Committee beg to recommend that these Bills be not reported.

Your Committee would recommend that the fees, less the penalties and the actual cost of printing, be remitted on Bill (No. 22), "An Act to authorize the Law Society of Upper Canada to admit William Edwards MacDonald to the practice of Law in Ontario," the same having been withdrawn by the promoter thereof.

With respect to the above-mentioned Bills, Numbers 8, 14, and 31, your Committee is of opinion that it is unnecessary that the Schedules thereto be printed in the Statutes and therefore recommend that the same be struck out.

Ordered, That the fees, less the penalties and the actual cost of printing, be remitted on Bill (No. 22), "An Act to authorize the Law Society of Upper Canada to admit William Edwards MacDonald to the practice of Law in Ontario," the same having been withdrawn by the promoter thereof.

The Order of the Day for resuming the Adjourned Debate on the Amendment to the Amendment to the Motion for the consideration of the Speech of The Honourable the Lieutenant-Governor, at the opening of the Session, having been read,

The Debate was resumed.

And the House having continued to sit until Twelve of the Clock midnight.

Wednesday, March 27th, 1935.

And the Debate having continued, after some time it was on the motion of Mr. Henry,

Ordered, That the Debate be adjourned until Thursday next.

The House then adjourned at 12.05 a.m.

PRAYERS.

3 O'CLOCK P.M.

Mr. Colter, from the Standing Committee on Private Bills, presented their Third Report which was read as follows and adopted:—

Your Committee beg to report the following Bills without amendment:—

Bill (No. 11), An Act respecting the Town of Fort Erie.

Bill (No. 15), An Act respecting the Township of Tisdale.

Your Committee beg to report the following Bill with certain amendments:—

Bill (No. 9), An Act respecting the City of Ottawa.

With regard to Bill (No. 32), "An Act respecting the Village of Portsmouth," your Committee beg to recommend that this Bill be not reported.

In the course of a discussion on a matter of privilege, Mr. Henry appealed to Mr. Speaker against the word "brazen" applied to him by the Honourable the

Prime Minister. In reply to a question by Mr. Speaker, Mr. Henry said the words he objected to were: "For a man who is as brazen as that, what can you do?"

Mr. Speaker ruled that the word "brazen" as used was unparliamentary.

The Honourable the Prime Minister claimed that the circumstances of the particular matter under consideration justified his use of the word and appealed to the House against the Speaker's ruling, which appeal was sustained on the following Division:—

1. Mr. F. A. Gaby was engaged as an Engineer by the Hydro-Electric Power Commission on May 21st, 1907. He was appointed Chief Engineer on December 12th, 1912. 2. Twenty-one years, seven months. 3. July 12th, 1934. 4. Because the Commission did not consider him a competent executive. 5. No one.

Mr. Ellis asked the following Question (No. 85):—

1. When were the Honourable J. R. Cooke, the Right Honourable Arthur Meighen and C. A. Maguire appointed to the Hydro-Electric Power Commission of Ontario. 2. When were they dismissed, and why. 3. Who succeeded them. 4. When was he appointed. 5. What is his age. 6. Had he at the time of his appointment any actual experience in the administration or management of any company developing or selling electricity.

The Honourable the Attorney-General and Minister of Labour replied as follows:—

1. Honourable J. R. Cooke was appointed a member of the Hydro-Electric Power Commission by Order-in-Council under date of 24th day of July, 1923. The Order-in-Council dated the 27th day of July, 1923, made the appointment of the Honourable J. R. Cooke effective from and after the 16th day of July, 1923. Appointed Chairman by Order-in-Council under date of 9th day of June, 1931. Right Honourable Arthur Meighen was appointed a member of the Hydro-Electric Power Commission by Order-in-Council dated the 9th day of June, 1931. He tendered his resignation on April 30th, 1934, which was accepted by the then Government. Mr. C. A. Maguire was appointed a member of the Hydro-Electric Power Commission by Order-in-Council dated the 12th day September, 1925. 2. By Order-in-Council dated the 11th day of July, 1934. Because the Government did not consider them competent executives. 3. Mr. T. Stewart Lyon, Chairman; Honourable Arthur W. Roebuck, K.C., M.L.A.; Honourable Thomas B. McQuesten, M.L.A. 4. This question is incomplete. If you refer to Honourable J. R. Cooke, he was succeeded by Mr. T. Stewart Lyon who was appointed to the Commission as Chairman by Order-in-Council under date of 11th day of July, 1934. 5. Sixty-eight years of age. 6. No.

Mr. Ellis asked the following Question (No. 86):—

1. When was P. D. Ross appointed to the Ottawa Hydro-Electric Power Commission and who appointed him. 2. When was he dismissed. 3. What are the reasons for his dismissal. 4. Who was his successor. 5. When was he appointed. 6. Had he at the time of his appointment any experience in the operation or administration of any company developing or selling electricity.

The Honourable the Attorney-General and Minister of Labour replied as follows:—

1. Appointed to this position by the Hydro-Electric Power Commission of Ontario at meeting held on February 8th, 1916, there being present Sir Adam

Beck and Commissioners I. B. Lucas and Colonel W. K. McNaught. 2. October 16th, 1934. 3. He was found to be non-co-operative with the present Commission. 4. Dr. Rufus H. Parent. 5. Appointed by the Hydro-Electric Power Commission of Ontario at a meeting held on October 16th, 1934. 6. During the years 1911 to 1914 he was a member of the Board of Control and the Municipal Electric Commission, controlling and managing the works, distributing and supplying electrical power or energy on behalf of the Corporation of the City of Ottawa.

Mr. Acres asked the following Question (No. 93):—

1. How many appointments of King's Counsel have been revoked by the present Government. 2. What was the reason for this revocation. 3. What was the designated fee payable to the Government on the issue of the patent in each of the years since 1900. 4. Give the names and addresses of the Barristers whose appointment as King's Counsel was revoked. 5. What in each case was the date of their appointment as King's Counsel. 6. What Barristers took out their King's Counsel patent since the present Government came into power. 7. Give in each case the date of the issue of their patent.

The Honourable the Attorney-General and Minister of Labour replied as follows:—

1. None. 2. Answered by No. 1. 3. April 22nd, 1904, Order-in-Council passed fixing the fee for all Commissions under the Great Seal (except Police Magistrates without salary) at \$13.00. July 28th, 1921, Order-in-Council passed fixing the fee payable for King's Counsel Commission at \$100.00. 4. Answered by No. 1. 5. Answered by No. 1.

Mr. Ellis asked the following Question (No. 118):—

1. Who compose the present Hydro-Electric Power Commission. 2. What are their salaries and allowances. 3. Does the Government intend to appoint any representative of the Municipalities of Ontario on the Commission.

The Honourable the Attorney-General and Minister of Labour replied as follows:—

1. T. Stewart Lyon, Esq.; Honourable A. W. Roebuck, K.C.; Honourable T. B. McQuesten, K.C.; the first named being Chairman. 2. Chairman, \$10,000, the other two members receiving nothing for salary or allowances from the Hydro-Electric Power Commission. 3. No.

Mr. Hill asked the following Question (No. 120):—

In connection with the sale of \$10,000,000 Hydro-Electric Power Commission bonds advertised on December 4th, 1934: 1. Who were the purchasers of the said issue. 2. Did the Commission furnish a favourable legal opinion of Messrs. Long & Daly, Toronto. 3. If so, what was that opinion. 4. How much was paid by the Commission for that opinion.

The Honourable the Attorney-General and Minister of Labour replied as follows:—

1. A syndicate composed of Messrs. A. E. Ames & Company, Limited; Dominion Securities Corporation, Limited; Wood, Gundy & Company, Limited; The

Canadian Bank of Commerce; Royal Bank of Canada. 2. Yes. 3. "We hereby certify that we have examined the proceedings authorizing an issue of bonds of the Hydro-Electric Power Commission of Ontario to a principal amount of \$10,000,000 dated first January, 1935, bearing interest at the rate of three and one-half per cent. per annum payable half yearly and maturing first January, 1943. Payment of the principal and interest of the said bonds is guaranteed by the Province of Ontario. The said bonds are issued by the Commission and payment thereof is guaranteed by the Province of Ontario under the authority of The Power Commission Act, R.S.O. 1927, Chapter 57. In our opinion the said bonds are legal, valid and binding obligations of the Hydro-Electric Power Commission of Ontario, and the guarantee by the Province of Ontario, of the principal and interest of the said bonds is legal, valid and binding upon the said Province. Long & Daly." 4. \$2,000.

Mr. Hill asked the following Question (No. 164):—

1. Why was William Wallace O'Brien, Port Arthur, Magistrate for the City of Port Arthur and the District of Thunder Bay, except the City of Fort William, and District of Algoma, dismissed. 2. Were there any charges against him. 3. What salary was he paid. 4. Who takes over this work. 5. What salary is he paid. 6. What have the Magistrate's travelling expenses been since appointed to the new jurisdiction.

The Honourable the Attorney-General and Minister of Labour replied as follows:—

1. William W. O'Brien, together with other Magistrates, was retired in order to facilitate the reorganization of the Magisterial system. His services were not required after the reorganization. 2. No. 3. Government Salary, \$1,200. Municipal Salary, \$2,400. 4. Position abolished. Municipality now served by District Magistrates. 5. Answered by No. 4. 6. Answered by No. 4.

Mr. Ellis asked the following Question (No. 170):—

1. How many miles of rural Hydro power lines were built since July, 1934. 2. What was the total cost of construction of the same. 3. Does any portion of this mileage consist of lines extending from a town or village to another town or village. 4. What portion of the cost of constructing a line extending from one town or village is charged up against the town or village at either end in computing the cost of power to users on such line.

The Honourable the Attorney-General and Minister of Labour replied as follows:—

1. From July 31st, 1934, to March 9th, 1935, 157 miles of rural primary lines were built. 2. Total cost, \$297,832.00, being divided \$208,004.00 for primary extensions and \$89,828.00 for the necessary secondary equipment. 3. Rural lines

do not serve towns or villages. If and when a line originally constructed as a rural line is extended to a town or village, the said line is removed from the rural class and constituted a feeder line, and the bonus is returned to the Government. The cost of a feeder line serving a town or village and also serving rural consumers en route is proportioned on a horsepower-mile basis as between the town or village and the rural consumers. 4. When a feeder line is extended from a town or village to another town or village, the second town or village bears the total cost of the extension, but when the same feeder line serves a town or village and rural consumers, the cost of the line is proportioned on a horsepower-mile basis between the town or village and the rural consumers.

Mr. Baird asked the following Question (No. 184):—

1. How many Barristers-at-Law were recommended by this Government to be created King's Counsellors since July, 1934. 2. On what dates were recommendations made. 3. How many accepted the honour so extended and received patents. 4. What was paid by each man upon receipt of his patent.

Ordered, That notwithstanding the time for presenting petitions for Private Bills has elapsed, leave be given to present a Petition of the Corporation of the Town of Fort Frances, and that the same be now read and received.

The following Petition was then read and received:—

Petition of the Corporation of the Town of Fort Frances authorizing the Petitioner to grant a fixed assessment to the Ontario and Minnesota Power Company, Limited, and its Associated Companies for a period not exceeding ten years from January 1st, 1935.

The following Bill was introduced and read the first time:—

Bill (No. 112), intituled "The Fire Department Act." *Mr. Strachan.*

Ordered, That the Bill be read the second time To-morrow.

On motion of Mr. Croome, seconded by Mr. Crawford,

Ordered, That, notwithstanding the time for introducing Private Bills has elapsed, leave be given to introduce a Bill intituled "An Act respecting the Town of Fort Frances," and that the same be now read a first time and do stand referred direct to the Committee on Private Bills, irrespective of report from the Committee on Standing Orders or posting in the Lobby, as required by the Rule in that case made and provided.

The Bill was then introduced and was read a first time as follows:—

Bill (No. 35), intituled "An Act respecting the Town of Fort Frances.
Mr. Croome.

Ordered, Referred to the Committee on Private Bills.

Mr. Speaker informed the House that the Clerk had received from the Commissioners of Estate Bills their report on:—

Bill (No. 33), An Act respecting the Trust Settlement of Charles Granville Heward.

The report was then read by the Clerk at the Table as follows:—

To the Honourable the Legislative Assembly of the Province of Ontario:

The Honourable John A. McEvoy and The Honourable Norman Scarth Macdonnell, two of the Commissioners of Estates Bills, have the honour to present to you their report upon Bill (No. 33), 1935, being An Act respecting the Trust Settlement of Charles Granville Heward:

1. The Petitioners are James William Carrick and Thomas Mansell Weatherhead, both of the City of Toronto, Barristers-at-Law.

2. The Petitioners are Trustees under a certain Indenture of Settlement dated September 24th, 1921, made between Charles Granville Heward of the City of Toronto, Esquire, of the first part; his wife, Ethel Amy Hamilton Heward, of the second part, and the Petitioners as Trustees, of the third part.

3. By a previous settlement, dated June 30th, 1917, and made between Eliza Christina Heward of the first part, the said Charles Granville Heward of the second part, and Ethel Amy Hamilton Heward of the third part, Eliza Christina Heward agreed, among other matters, to assign to Ethel Amy Hamilton Heward the sum of \$50 per month (out of the income of certain Trust Funds to which she was entitled) for the support and maintenance of Ethel Amy Hamilton Heward and her infant child, Christina Evelyn Heward.

4. Under the will of Eliza Christina Heward, who died on January 20th, 1921, Charles Granville Heward became entitled to legacies amounting to \$34,000.

5. Instead of taking payment of the whole of the said legacies in cash, Charles Granville Heward agreed to accept certain securities of the approximate value at the time of \$27,080 and further agreed to settle all of the sum, upon the understanding that so long as the covenants, provisoes and agreements to be set forth in a settlement should be duly performed, Ethel Amy Hamilton Heward would not seek to enforce the provisions in her favour contained in the Indenture of June 30th, 1917.

6. Accordingly the Indenture of Settlement, dated September 24th, 1921, which Bill (No. 33), 1935, is intended to affect was executed.

7. The scheme of the settlement is to pay in the first place to Ethel Amy Hamilton Heward monthly during her life out of the income from the trust premises the sum of \$10 for her own use and benefit. The Trustees are then empowered to pay to Charles Granville Heward during his natural life and "without power of anticipation" the whole or such part of the remainder of the income as they in their absolute discretion may think fit, such payments to be for the support and maintenance of the said Heward and of his wife, and of their child or children, and for the education of such child or children. It is further provided that if Heward assign or charge the said income or any part thereof the Trustees shall apply the remainder of the said income for the use and benefit of Mrs. Heward and the child or children for the time being in existence of Charles Granville Heward.

8. Provisions are then made for the event of Ethel Amy Hamilton Heward surviving Charles Granville Heward. These provisions, however, need not be considered because Ethel Amy Hamilton Heward died on the 3rd of February, 1935, leaving Charles Granville Heward surviving.

9. Provisions are then made for the event of Charles Granville Heward surviving Ethel Amy Hamilton Heward and marrying again. In such event it is provided that the Trustees may at their discretion pay such portion not exceeding one-half of the net income from the trust premises as they shall think fit for the benefit of the second wife, for the maintenance of herself and her children (if any), issue of her marriage with Charles Granville Heward.

10. Provisions are also made for the disposition of the trust premises, both as to income and as to capital, after the death of Charles Granville Heward. Such income and capital are to go to such child or children of Charles Granville Heward as he shall appoint, and in default of appointment to his child or children in equal shares. And in default of there being any child or children then to such person or persons as would have been entitled thereto under the Statute for the Distribution of the Personal Estates of Intestates.

11. The only persons beneficially interested at present in the trust premises are Charles Granville Heward and Evelyn Christina Hamilton Heward, his daughter by Ethel Amy Hamilton Heward. Charles Granville Heward is now fifty-four years of age, and Evelyn Christina Hamilton Heward is twenty-one years of age.

12. It is obvious that Charles Granville Heward may marry again and that he may have issue by his second wife. It is also obvious that he may appoint the income and capital of the trust premises after his death to Evelyn Christina Hamilton Heward but that, if he were to remarry and have further children, he might appoint otherwise.

13. Under the Indenture of Settlement the Petitioners were empowered upon the "request in writing of the settlor" to convert part of the trust capital not exceeding \$5,000 and to pay the proceeds to the settlor or apply the same

from time to time for his benefit. The conversion was duly made by the Trustees and advances to the extent of \$5,000 were made to or for him, the last advance having been made in 1928.

14. Since 1928 Charles Granville Heward is said to have been unable to obtain any employment and to have undergone serious surgical operations and to have incurred debts for which his creditors are pressing him, in particular debts arising out of the last illness of his wife, including hospital bills and funeral expenses. The amount of his liabilities is said to be in the neighbourhood of \$7,000.

15. It is said that Charles Granville Heward has no present means of maintaining himself and his daughter apart from the income he receives under the Settlement, the net amount of which is about \$1,100 per annum, and that he and his daughter have requested the Petitioners to make application to the Legislature for leave to raise and pay to him or apply for his benefit out of the Trust capital a further sum not exceeding \$7,000. The written consent of Charles Granville Heward and his daughter to such an application has been filed with the Petition.

16. The prayer of the Petition is that Your Honourable House may be pleased to pass an Act amending the provisions of the said Trust Settlement and enabling Your Petitioners to raise and pay to or apply for the benefit of the said Charles Granville Heward out of the said Trust capital a further sum not exceeding \$7,000.

The provisions of the proposed Bill are proper for carrying its purposes into effect. The proposed Bill, if passed should be amended, in form, by deleting in the tenth line of the second paragraph the words "and the same are."

The effect of the proposed Act will be to anticipate the Trust Fund and to diminish by \$7,000, or such less sum as the Trustees should actually pay or expend for Charles Granville Heward's benefit, the amount of the Trust Fund, thereby diminishing the amount of income that any second wife (or children by her) might receive and the amount ultimately passing to Evelyn Christina Hamilton Heward or other persons. The proposed Act could not be passed without materially affecting the provisions of the said Indenture of Settlement, in particular the provisions relating to the rights of a possible second wife and children by her.

All of which is respectfully submitted.

(Signed) N. S. MACDONNELL,
Commissioners of Estate Bills.

April 9th, 1935.

Ordered, That Bill (No. 33), An Act respecting the Trust Settlement of Charles Granville Heward, together with the report of the Commissioners of Estate Bills thereon, be referred to the Committee on Private Bills.

1. What Treasury Warrants have been issued since the 11th day of July, 1934, by the Treasury Department. 2. How much has been paid on each of these Warrants.

The Honourable the Prime Minister and Provincial Treasurer replied as follows:—

1 and 2. Special Warrants for the fiscal year ended 31st October, 1934, are included in the Public Accounts for that period, and are also listed separately in the Provincial Auditor's Report (1933-34), pages 54-64. Special Warrants issued from November 1st, 1934, to March 31st, 1935, will be found in the Supplementary Estimates for that period, pages 3 and 4, indicated by the letters "S.W."

Mr. Macaulay asked the following Question (No. 232):—

1. Has George Harvey, Road Foreman on No. 2 Highway between Lambeth and the Kent-Middlesex Town Line, been dismissed. 2. If so, why. 3. Did the said George Harvey receive the annual prize for having the best-kept beat in the Residency. 4. If so, how many times did he receive such prize. 5. What is the name and address of his successor.

The Honourable the Minister of Public Works and Highways replied as follows:—

1. Yes. 2. Reorganization of Highways. 3. Yes. 4. Once, 1931. 5. D. S. McEachran, Glencoe, R.R. No. 3.

Mr. Hill asked the following Question (No. 251):—

1. (a) Was S. L. Foe dismissed as issuer of motor vehicles at Woodstock, Ontario. (b) If so, for what reason. (c) Who was appointed to perform these duties.

The Honourable the Minister of Public Works and Highways replied as follows:—

1. (a) No, his appointment expired in December, 1934. (b) Answered by (a). (c) Mr. C. E. Sutherland appointed for 1935.

On motion of Mr. Challies, seconded by Mr. Black,

Ordered, That the Bill be read the second time To-morrow.

Bill (No. 134), intituled "An Act to amend The Power Commission Act."
Mr. Roebuck.

Ordered, That the Bill be read the second time To-morrow.

On motion of Mr. Hepburn, seconded by Mr. Nixon,

Ordered, That this House do forthwith resolve itself into a Committee to consider a certain proposed Resolution respecting the raising by way of loans under The Provincial Loans Act, certain sums of money.

Mr. Hepburn acquainted the House that His Honour the Lieutenant-Governor, having been informed of the subject matter of the proposed Resolution, recommends it to the consideration of the House.

The House then resolved itself into the Committee.

(In the Committee)

Resolved, 1. That the Lieutenant-Governor in Council be authorized to raise by way of loan, in such manner and at such times as may be deemed expedient, such amounts as will realize the net sum required for any or all of the following purposes:—

(a) Payment, refunding or renewal from time to time of the whole or any part of any loan made or securities issued under The Provincial Loans Act or any other Act, notwithstanding that the issue of securities for such purpose may have the effect of increasing the amount of the Public Debt.

(b) Payment of the whole or any part of any loan, or any liability, or of any bonds, debentures or other securities payment whereof is guaranteed or assumed by the Province of Ontario.

Mr. Speaker resumed the Chair; and Mr. Clark reported, That the Committee had come to a certain Resolution.

Ordered, That the Report be now received.

Resolved, 1. That the Lieutenant-Governor in Council be authorized to raise by way of loan, in such manner and at such times as may be deemed expedient, such amounts as will realize the net sum required for any or all of the following purposes:—

(a) Payment, refunding or renewal from time to time of the whole or any part of any loan made or securities issued under The Provincial Loans

Act or any other Act, notwithstanding that the issue of securities for such purpose may have the effect of increasing the amount of the Public Debt.

(b) Payment of the whole or any part of any loan, or any liability, or of any bonds, debentures or other securities payment whereof is guaranteed or assumed by the Province of Ontario.

The Resolution having been read the second time was agreed to and referred to the House on Bill (No. 110).

On motion of Mr. Hepburn, seconded by Mr. Nixon,

On motion of Mr. Hepburn, seconded by Mr. Nixon,

Ordered, That this House do forthwith resolve itself into a Committee to consider a certain proposed Resolution respecting certain proposed changes in The Succession Duty Act.

Mr. Hepburn acquainted the House that His Honour the Lieutenant-Governor, having been informed of the subject matter of the proposed Resolution, recommends it to the consideration of the House.

The House then resolved itself into the Committee.

(In the Committee)

Resolved, 1. That where the aggregate value of the property of a deceased person exceeds \$1,000,000 and does not exceed \$5,000,000, and any property situate in Ontario or any income therefrom, passes in the manner provided by The Succession Duty Act either by way of gift, succession or otherwise, or there is a transmission within Ontario in the manner provided by Section 6 of The Succession Duty Act to or for the benefit of the grandfather, grandmother, father, mother, husband, wife, child, son-in-law, or daughter-in-law of such deceased person, such Ontario property and income and such transmission shall be subject to a duty at the rate of ten per centum plus 1/100 of one per centum for each additional \$10,000 by which the aggregate value exceeds \$1,000,000, and where it exceeds \$5,000,000 the rate of duty shall be fourteen per centum.

2. That an additional duty by way of surtax, of fifteen per centum, on all duties imposed under The Succession Duty Act, shall be levied and added to and collected with such duties, in lieu of the present surtax of ten per cent.

Mr. Speaker resumed the Chair; and Mr. Clark reported, That the Committee had come to a certain Resolution.

Ordered, That the Report be now received.

The Resolution having been read the second time was agreed to and referred to the House on Bill (No. 111).

On motion of Mr. Hepburn, seconded by Mr. Nixon,

Ordered, That this House do forthwith resolve itself into a Committee to consider a certain proposed Resolution respecting the raising by way of loan a sum of money not exceeding the sum of Sixty Million Dollars (\$60,000,000) for the Public Service.

Mr. Hepburn acquainted the House that His Honour the Lieutenant-Governor, having been informed of the subject matter of the proposed Resolution, recommends it to the consideration of the House.

The House then resolved itself into the Committee.

(In the Committee)

Resolved, 1. That the Lieutenant-Governor in Council be authorized to raise from time to time by way of loan such sum or sums of money as may be deemed expedient for any or all of the following purposes, that is to say: For the public service, for works carried on by commissioners on behalf of Ontario, for the covering of any debt of Ontario on open account, for paying any floating indebtedness of Ontario, and for the carrying on of the public works authorized by the Legislature: Provided that the principal amount of any securities issued and the amount of any temporary loans raised under the authority of this Act, including any securities issued for the retirement of the said securities or temporary loans at any time outstanding, shall not exceed in the whole sixty million dollars (\$60,000,000).

2. That the aforesaid sum of money may be borrowed for any term or terms not exceeding forty years, at such rate as may be fixed by the Lieutenant-Governor in Council and shall be raised upon the credit of the Consolidated Revenue Fund of Ontario, and shall be chargeable thereupon.

3. That the Lieutenant-Governor in Council may provide for a special sinking fund with respect to the issue herein authorized, and such sinking fund

may be at a greater rate than the one-half of one per centum per annum specified in Subsection 2 of Section 3 of *The Provincial Loans Act*.

Mr. Speaker resumed the Chair; and Mr. Clark reported, That the Committee had come to a certain Resolution.

Ordered, That the report be now received.

Also, Annual Report of the Ontario Hydro-Electric Power Commission of Ontario for year ending October 31st, 1934. (*Sessional Papers No. 26.*)

The House then adjourned at 1.30 a.m.

WEDNESDAY, APRIL 17TH, 1935

PRAYERS.

3 O'CLOCK P.M.

Mr. Nixon (Temiskaming) presented the Report of the Committee of Agriculture and Colonization, which was read as follows and adopted:—

Your Committee begs leave to report that it held seven meetings.

The Organization Meeting was held March 21st, at which the Honourable Duncan Marshall, Minister of Agriculture, reviewed The Milk Control Act, making reference to certain Amendments that he felt would be in the best interest of the producers and consumers of milk. There was also a brief discussion as to the advisability of having some Amendments made to The Sheep and Dog Act, but no definite action was taken.

At the Second Meeting, the Committee received the report to the Special Committee, appointed to draft a Resolution respecting stockyard charges, in connection with the marketing of livestock. The report of the Committee was unanimously adopted and the Chairman instructed to forward the Resolution as presented to the Honourable Mr. Weir, Federal Minister of Agriculture. At this meeting, Subcommittees were appointed on Livestock, Dairying, and Dairy Products, Fruits, and Vegetables and Tobacco.

At the Third Meeting, the Committee was privileged to hear Messrs. McFeeters and Houck of the Milk Control Board. Both Mr. McFeeters and Mr. Houck addressed the Committee, outlining the functions of the Board in reference to the enforcement of the Act in maintaining an amicable understanding as between producer, distributor and consumer.

At the Fourth Meeting, the Committee was privileged to listen to Mr. J. B. Fairbairn, Acting Chairman of the Agricultural Development Board. Mr. Fairbairn reviewed the work of the Board since its reorganization—with special reference to reduced interest rates, inspections, collections, etc.

At the Fifth Meeting, Mr. Percy Hodgetts of the Fruit Branch, as the special speaker for the occasion, discussed in general the production, packing, and marketing of apples. Special reference was made to the exporting of this very important crop.

Meeting No. 6, held April 11th, was addressed by the Honourable Duncan Marshall, Minister of Agriculture, who reviewed, before the Committee, the newly drafted Weed Act. The Minister also made reference to an entirely new Act, cited as The Clean Grain Act. In connection with the latter Act, the Minister exhibited a sample of screenings, taken from a carload shipment, that proved to be over 50 per cent. weed seeds of different kinds.

The last meeting, held April 17th, was addressed by L. E. O'Neill, Director of the Livestock Branch. Mr. O'Neill, in his address, made reference to the functions of his Department in respect to the livestock industry and reviewed in a general way the services available through the medium of the Branch, and in addition, reviewed the present status of the livestock industry throughout the Province.

The Subcommittee on Livestock held one meeting at which Messrs. Halbert McKee and Ziegman of the U.F.O. Livestock Co-operative discussed with the Committee the different methods of marketing livestock, and the cost of same, with special reference to the different services rendered by a commission firm or co-operative, in disposing of the large numbers of livestock that find its way to the market through a stockyard.

The Subcommittee on Dairying and Dairy Products at its meeting had the privilege of listening to the Honourable Dr. Faulkner, Minister of Health, discuss the relationship of milk to the health of the people of the Province. The doctor especially referred to Bovine Tuberculosis and Septic Sore Throat, as being two diseases disseminated through the medium of raw milk. The Doctor pointed out some of the advantages gained from pasteurization. The Committee recommended the advisability of extending the educational programme now being carried on by the Department of Health in respect to the control of tuberculosis and other diseases.

The Subcommittee on Fruits and Vegetables held a special meeting at which there was a discussion in reference to a wider control of apple diseases through the medium of spraying, pointing out the necessity for work of this kind in connection with export trade.

The Main Committee endorsed the Amendment to The Milk Control Act, the revision of The Weed Control Act, the principle of The Clean Grain Act, and stressed the importance of giving further consideration to a strengthening of the provisions of The Sheep and Dog Act. The Committee also endorsed the work being done in the interest of the fruit and vegetable growers.

The Committee, having in mind the present status of the agricultural industry, and the present state of many settlers in the northern part of the Province, took no action in respect to ways and means of recommending any further land settlement, beyond that which occurs through ordinary channels.

Mr. Henry asked the following Question (No. 25):—

1. Is it the intention of this Government to co-operate with the Dominion Government or with the Committee appointed by the House of Commons to bring in a report on the amendments to The British North America Act. 2. If so, what representations have been made to the Dominion Government or to the Chairman of this Committee. 3. Who have been consulted by the Government on this subject of jurisdiction.

The Honourable the Prime Minister and Provincial Treasurer replied as follows:—

1. This matter has not been considered by the Government. 2. Answered by No. 1. 3. Answered by No. 1.

Mr. Heighington asked the following Question (No. 73):—

1. Are Insurance Agents now being appointed as issuers of automobile licenses. 2. If so, how many have been appointed by the present Government.

The Honourable the Attorney-General and Minister of Labour replied as follows:—

1. No. 2. Eight were appointed—three are surrendering their Insurance Agents' Licenses—three write fire and life insurance only—two cases pending.

Mr. Ellis asked the following Question (No. 97):—

1. What officials and employees of the Hydro-Electric Power Commission of Ontario other than the three former Commissioners and Mr. H. F. Gaby have been dismissed since the 19th of June, 1934, giving their various positions and the salaries paid to them. 2. What new officials and employees of the Commission have been appointed since the 19th of June, 1934, giving their names, positions and salaries.

The Honourable the Attorney-General and Minister of Labour replied as follows:—

If a plane was used was the cost included in the return showing a total outlay for the inquiry. 3. What was the cost of flying a plane, giving salary and expenses of the operator and others in connection with its use. 4. What was the cost of operating a special train, covering the inspection trip of Mr. Racine over the T. and N. O. Railway, giving the salary and expenses of those in connection with its operation. 5. What was the duration of this inspection trip. 6. Were the total costs incurred as a result of this inspection trip referred to in Section (d) included in the return showing a total outlay for the inquiry. 7. If not, why not.

The Honourable the Prime Minister and Provincial Treasurer replied as follows:—

In the answer to Question 2, giving the cost of various inquiries instituted by the Government, the figures supplied by the Provincial Auditor were quoted, showing payments to various individuals employed, as requested in the question.

They do not include services of any Government employees, of which no record was kept, or the use of any Government equipment, as it is not customary so to charge these departmental services.

Mr. Challies asked the following Question (No. 253):—

1. What was the total peak power sold on the Niagara System, inclusive of power used for steam production, export power, contractual obligations and peak demand for the following months: (a) November, 1931; December, 1931; January, 1932. (b) November, 1932; December, 1932; January, 1933. (c) November, 1933; December, 1933; January, 1934. (d) November, 1934; December, 1934; January, 1935.

Mr. Speaker resumed the Chair; and Mr. Clark reported, That the Committee had come to a Resolution.

Ordered, That the Report be received forthwith.

Mr. Clark, from the Committee on Ways and Means, reported a Resolution, which was read as follows:—

That there be granted out of the Consolidated Revenue Fund of this Province a sum not exceeding Forty-eight million, nine hundred and fifty-six thousand, six hundred and thirty-five dollars and thirty-one cents (\$48,956,635.31), to meet the Supply, to that extent, granted to His Majesty.

The Resolution, having been read the second time, was agreed to.

The following Bill was then introduced and read the first time:—

Bill (No. 135), intituled "An Act for granting to His Majesty certain sums of Money for the Public Service for five months period ending 31st March, 1935, and for the Public Service of the Financial Year ending the 31st day of March, 1936. *Mr. Hepburn.*

Ordered, That the Bill be read the second time forthwith.

The Bill was then read a second time.

Ordered, That the Bill be read a third time forthwith.

The Bill was then read the third time and passed.

On motion of Mr. Henry, seconded by Mr. Macaulay.

That, in the opinion of this House, public interest requires that this Legislation do forthwith appoint a Committee of its Members to inquire into and report on the charges made by the present Administration with regard to purchases of power by former Hydro-Electric Power Commission and former Administrations.

The motion of Mr. Henry was with the consent of the House withdrawn.

On motion of Mr. Hepburn, seconded by Mr. Nixon (Brant)

Ordered, That the full Sessional Indemnity be paid to those Members absent on account of illness or other unavoidable cause and to the sitting member for the Riding of Nipissing.

On motion of Mr. Hepburn, seconded by Mr. Henry,

Resolved, That an humble Address be presented to His Most Gracious Majesty, the King, expressing the heartfelt congratulations of this House on the occasion of the attainment and approaching completion of the Twenty-fifth year of His Majesty's Reign as King of Great Britain, Ireland and the British Dominions, and that the Address be couched in the following terms:—

To the King's Most Excellent Majesty.

Most Gracious Sovereign:

We, Your Majesty's most dutiful and loyal subjects, the Legislative Assembly of the Province of Ontario, in Parliament assembled, humbly beg leave to approach Your Majesty with sincere congratulations upon the attainment and approaching completion of the Twenty-fifth year of Your Majesty's Reign as King of Great Britain, Ireland and the British Dominions.

Your Majesty's personal qualities of heart and mind, no less than the wise and beneficent method of Your Reign have endeared you to the hearts of your subjects in the Province of Ontario, on whose behalf we have the honour to present these our congratulations, as well as to your millions of loyal subjects throughout the Empire. The sane and sympathetic leadership given by you during the trying days of the Great War was an inspiration to all British peoples and the admiration of the civilized world.

We rejoice in the knowledge that, during your Reign, the influence of the British peoples has constantly been exerted for the cause of World Peace and that the British Empire has been faithful to its traditions as the protector of the weaker nations and has been a stabilizing factor in World politics during a very troubled period of World history. In meeting the difficult situations which the Empire, in common with other peoples, has had to face, your loyal subjects have ever looked to Your Majesty for leadership and ever with success and gratitude.

We therefore desire, with sincere devotion, to express the hope that Your Majesty may be spared for many years as the Sovereign of a devoted and united Empire and that your Gracious Consort may continue to share with you during the balance of Your Reign, the love of Your subjects and the admiration of the World.

On motion of Mr. Croll, seconded by Mr. Leduc,

Ordered, That this House do forthwith resolve itself into a Committee to consider a certain proposed Resolution respecting

Resolved, That this Assembly approves of pensions being made payable to persons in Canada over the age of forty years and who suffer from blindness and urges that amendments be made by the Parliament of Canada to The Old Age Pensions Act so that the said Act will be applicable to such blind persons.

Mr. Hepburn acquainted the House that His Honour the Lieutenant-Governor, having been informed of the subject matter of the proposed Resolution, recommends it to the consideration of the House.

The House then resolved itself into the Committee.

(In the Committee)

Resolved, That this Assembly approves of pensions being made payable to persons in Canada over the age of forty years and who suffer from blindness and urges that amendments be made by the Parliament of Canada to The Old Age Pensions Act so that the said Act will be applicable to such blind persons.

To these Acts the Royal Assent was announced by the Clerk of the Legislative Assembly in the following words:—

“In His Majesty’s name, The Honourable the Lieutenant-Governor doth assent to these Bills.”

Mr. Speaker then said:—

May it please Your Honour:

We, His Majesty’s most dutiful and faithful subjects, the Legislative Assembly of the Province of Ontario, in Session assembled, approach Your Honour with sentiments of unfeigned devotion and loyalty to His Majesty’s person and Government, and humbly beg to present for Your Honour’s acceptance a Bill intituled “An Act for granting to His Majesty certain sums of money for the Public Service of the five months period ending on the 31st day of March, 1935 and for the Public Service of the financial year ending the 31st day of March, 1936.

To this Act the Royal Assent was announced by the Clerk of the Legislative Assembly in the following words:—

“The Honourable the Lieutenant-Governor doth thank His Majesty’s dutiful and loyal Subjects, accept their benevolence and assent to this Bill in His Majesty’s name.”

The Honourable the Lieutenant-Governor was then pleased to deliver the following speech:—

Mr. Speaker and Gentlemen of the Legislative Assembly:—

As you have completed the work of the First Session of the Nineteenth Legislature of this Province, I desire to express my appreciation of the services you have rendered, and to relieve you of further attendance on your legislative duties.

At the opening of the Session, I expressed the concern which my Ministers felt at the increasing costs of purchased but unused hydro-electric power. Since that time the Legislature has declared that the contracts entered into for the purchase of this power are illegal and unenforceable. The seal of legislative finality having been given to this fact, a great load of unusable power, costing millions of dollars annually, has been removed from the Hydro-Electric Power Commission and the way has been left open for the purchase of such supplies as may be needed to meet existing requirements.

Industrial conditions generally throughout the Province will, I believe, be beneficially affected by the passing of The Industrial Standards Act. Employers and employees will be encouraged by this Act to agree upon schedules of wages

and hours of labour, which may, under proper circumstances, be given legal validity and made applicable to all those in the industry, within the particular locality affected.

It is gratifying to note that the revenue of the Temiskaming and Northern Ontario Railway shows a 15 per cent. increase over the previous year, and accordingly the management looks forward with optimism.

The people of Ontario rejoice in the fact that our Gracious Sovereign, His Majesty King George the Fifth, will next month enjoy the Twenty-fifth Anniversary of his accession to the Throne of Great Britain, and are planning to celebrate the occasion in a spirit of gratitude and good-will, in such fitting manner as will express to His Majesty the universal loyalty of the citizens of this Province and their heartfelt wish for his continued health and happiness. The Government of Ontario will join with that of the Dominion of Canada and those of the other Provinces in fittingly commemorating this joyful event, and my Ministers are co-operating in every possible way with those in authority in this regard that all necessary arrangements may be made and perfected. In connection with this event may I express my pleasure at the financial provision you have made in the Estimates to assist the Jubilee Cancer Fund, sponsored by His Majesty.

Extension of the statutory provisions of The Mothers' Allowances Act, to include allowances to mothers with one child, will bring relief to many within this category. It is noted in this connection that in view of various social measures still before the Dominion Parliament, which will need consideration provincially, it has been decided to call a special Fall Session of this Legislature to deal with these problems, and also for the purpose of providing additional Provincial revenue.

Due to the change in the date of closing of the fiscal year, you have now before you the Estimates for the year immediately in prospect. This will undoubtedly be of benefit in considering the Province's financial commitments.

In order that the Government may take advantage of favourable market conditions, statutory provision has been made for the payment or refunding from time to time of loans made and securities issued by the Province, and of bonds, debentures, and securities guaranteed by the Province.

The Agricultural Development Act has been amended to reduce the maximum loan from \$12,000 to \$7,500 and increase the maximum period for retirement from twenty to thirty years. The Board is also given wider powers with regard to the terms of repayment, and consolidation of indebtedness.

The Co-operative Marketing Loan Act has been amended to increase the maximum amount available to Co-operative Cold Storage Associations from \$30,000 to \$50,000.

The Milk Control Act has been further strengthened by provision for the licensing of various classes of persons engaged in the milk industry. The Board may also arbitrate on disputes and approve fair business practices. Right of appeal from certain decisions of the Board is also provided. Other measures are designed to check the spread of noxious weeds.

More employment will be provided through the efforts my Ministers are making to encourage lumber and pulpwood operations. An important step is the permission recently given for exportation of pulpwood on reasonable terms and conditions, provided this is not used in the production of newsprint, which would compete with Ontario mills.

The possibility of securing uniformity in the statutory law of the various Provinces of Canada, where uniformity is desirable, has been demonstrated by the passing of important insurance legislation. Upwards of forty amendments to the Statutes respecting life and automobile insurance contracts have been adopted by the Province of Ontario, and, concurrently, by almost all of the Provinces of Canada.

Amendments have been made to The Liquor Control Act which give statutory authority for the collection of taxes on malt. There is a tightening of the regulations in respect to minors on licensed premises, and a simplification of the questions to be voted on with respect to local option areas.

The provisions of The Mortgagors' and Purchasers' Relief Act have been extended for another year in view of existing economic conditions.

The high price of gold continues to result in substantial dividends to existing Ontario mines and makes profitable the mining of low-grade ore. The search for new fields has been stimulated and the efforts of prospectors are meeting with marked success. The recent increase in the price of silver may serve to revive some of the formerly active silver mines, which were unprofitable to work while the price of the metal remained low.

I am pleased to note that a satisfactory settlement has been made with regard to the outstanding accounts for constructional work at the Abitibi Canyon, and that the great generating plant at the Canyon will be completed.

Wider police powers with regard to the checking of cars unsafe for the highways, and the enforcement of other measures, should result in a greater degree of safety on our highways, while assumption by the Province of the entire cost of provincial highway financing will bring relief to the various municipalities.

Amendments to The Public Service Act enlarge the category of those to whom retiring allowances may be granted when they leave the service of the Government.

Changes in The Corporations Tax Act, Stock Transfer Tax, and The Succession Duty Act will result in additional revenue to the Province.

Creation of a new Department of Municipal Affairs to co-operate with and exercise a degree of control over the municipalities, particularly in regard to their borrowings, will result in a healthier condition of municipal finance.

In closing, I desire to thank you for the manner in which you have applied yourselves to your legislative duties, and for the financial provision you have made for carrying on the public services of the Province. I trust that under the blessings of Divine Providence, the beneficial legislation you have enacted will further promote the well-being and happiness of the people of Ontario.

The Provincial Secretary then said:—

Mr. Speaker and Gentlemen of the Legislative Assembly:—

It is the will and pleasure of The Honourable the Lieutenant-Governor, that this Legislative Assembly be prorogued and this Legislative Assembly is accordingly prorogued.

Report of the Standing Committee on Fish and Game 1935

To the Honourable the Legislative Assembly of the Province of Ontario:

GENTLEMEN:

The Standing Committee on Fish and Game begs leave to present its report as follows:

Your Committee begs leave to report the following Bill without amendment:

Bill (No. 100), an Act to amend *The Game and Fisheries Act*.

Your Committee has carefully considered the provisions of Bill (No. 104), an Act to amend *The Game and Fisheries Act* and begs to report the Bill with certain amendments.

Your Committee begs leave to present to the House the minutes of their meetings during the current Session and recommends that they be printed as an appendix to the Journals of the House.

All of which is respectfully submitted.

H. N. CARR,

Committee Room, Tuesday, April 16th, 1935.

Chairman.

Minutes of the Meetings of the Standing Committee on Fish and Game

FIRST MEETING

The Meeting was held for organization purposes, the following members of the Committee being present:

Messrs. Armstrong, Baker, Ballantyne, Black, Bowerman, Bradley, Brownridge, Campbell, Carr, Challies, Colter, Croome, Dickson, Duncan, Freeborn, Gardhouse, Garden, Guthrie, Hill, Houck, Hunter, Kelly, Lancaster, Lapierre, Marceau, Marshall, Miller, Macfie, McVicar, Nixon (Brant), Nixon (Temiskaming), Oliver, Patterson, Roberts, Schwenger, Smith, Tanner, and Wigle.

Mr. H. N. Carr—on the nomination of the Honourable Mr. Nixon, seconded by Mr. Lancaster—was elected Chairman of the Committee. Mr. Carr took the chair and expressed his thanks.

The Committee, Honourable Mr. Nixon told the members, was one of the important Standing Committees. It would face problems, he said, and it is hoped that the decisions of the Committee will be of great assistance to the Department and to the cause of game and fish throughout the Province.

The attractions of Ontario's fish and game induced many thousands to enter the Province—especially from the United States. This in turn affected the expenditure of much money and the general prosperity.

It was difficult to maintain game attractions in a day of extended highways and relentless search for game. The Department, however, was determined to pursue this end with the money available.

It had been formerly the practice to discuss legislation in Committee first. Then an omnibus bill was introduced in the House—according to the wishes of the Department of the day. Fish and game problems did not receive the attention that they merited.

Mr. Nixon termed it preferable that bills should be introduced into the House from time to time and brought to Committee. Such proposed amendments would get more consideration and would rate with more importance in House and country.

It had also been the practice of the Committee to receive various deputations from Game and Fish Protective Associations and Sportsmens' Associations—bodies doing a very great work.

These Associations were building up a game and fish "attitude" and if that attitude were lacking there was little use in overseers. If the people were built up to a consciousness of game and fish protection that could be better achieved than by law officers.

Mr. Nixon presumed that the Committee would desire to have these deputations in attendance this year.

He introduced the Deputy Minister, Mr. D. J. Taylor, with the note that he was a legislative veteran of the Fish and Game Committee, a sportsman, and a man keenly interested in game and fisheries, and fully equipped for his position.

Mr. Taylor assured the Committee that he would do his utmost to assist the Minister to serve both sportsmen and tourists. The game and fish of the Province, he estimated, formed the better part of its attractions—particularly for citizens of the United States.

It had often been his thought that if the Highway Department alone could give fish and game the taxes derived from the tourist trade there would result a fund certainly permitting development beyond that permitted by present revenue.

Every hunter could not be entirely satisfied.

Mr. Taylor expressed interest in the bringing in of private bills because he said he was aware that when the Convention proposed changes they must come in as a Government measure and not to the Committee. An endeavor would be made to acquaint the Committee with Government legislation so that private members could introduce their legislation into the House and thence to Committee.

A good, full-time man, able to organize the Province and to get into the schools and teach the value of Ontario's game and fish resources could do more for conservation than a half dozen full-time enforcement officers. Few in their younger days had not broken game or fish laws. If the children in the schools and public opinion could be stirred to know the value of the fish and game resources great progress would be made in conservation.

The Honourable Mr. Challies said that he thought all the members realized the importance of fish and game to the Province and that all were present with the particular purpose of advancing fish and game interests. These should be an attraction not only for tourists but for those who might be tempted to become permanent summer residents.

For that reason he felt that all the members were behind the Department. There might not be an agreement on policies but all were trying to advance to the same goal.

There had been no politics in the Department of Game and Fisheries. He did not think the Minister had wished to be unfair but in his opinion he had hardly been fair when he talked about a bill brought down in the last days of the session. Last year's Committee had met weeks earlier than in previous years.

In the view of Mr. Challies the Government would have to take the responsibility in regard to the bringing in of amendments by private members. Amendments were changes in policy and the Government had to take responsibility for policy.

Formerly it had not been thought that the Fish and Game Committee should pass on Government policies as a Committee. Its function had been to take recommendations presented to the Department and bring down a condensation of them.

Mr. Challies promised co-operation from the Opposition because if any Department should be free from politics it was that of Game and Fisheries.

Mr. Carr expressed appreciation for the co-operation offered by Mr. Challies.

Mr. Nixon suggested that Mr. Challies had misinterpreted his proposal. As far as responsibility for fish and game laws was concerned, the Government in the final analysis was responsible for every law. But while it was intended to take that responsibility no pretence was made to a monopoly on wisdom.

In years past Committees had carried recommendations by a large majority and they had not appeared in the omnibus bill. He would like to see a trial of the plan whereby—instead of an omnibus bill—a member's suggestions might be introduced to the House, get a second reading, and be sent to Committee.

At Mr. Lancaster's request Mr. Taylor explained that the Dominion had always claimed a regulatory power over fisheries but in his memory had never disallowed provincial moves. If a change in regard to fisheries was desired it must have the consent of the Dominion.

A change in the size of a mesh or of season could go ahead but the Department must negotiate with Ottawa. It was suggested that the House might be well advised to appeal and have this red tape cut away.

Mr. Challies said that fish and fisheries lay with the Province and fishing or the type of fishing with the Dominion. The Dominion, however, had always co-operated.

Mr. Nixon moved that the secretary be intructed to confer with the Deputy Minister and invite the usual organizations to appear before the committee at times to be arranged according to the convenience of the Committee and according to usual procedure. The motion was carried.

It was suggested that these hearings should take place on the ensuing Wednesday and Thursday—the subject matter to be fish on the first, and game on the second day.

The meeting adjourned.

SECOND MEETING

Wednesday, March 27, 1935.

Mr. Carr occupied the chair and the following additional members of the Committee were in attendance:

Messrs. Armstrong, Baker, Ballantyne, Black, Bowerman, Bradley, Bragg, Campbell, Challies, Colter, Croome, DesRosiers, Elgie, Gardhouse, Gordon,

Guthrie, Habel, Hill, Houck, Hunter, Kelly, Kidd, Kirby, Lancaster, Lapierre, Marceau, Miller, Macfie, McVicar, Newman, Nixon (Brant), Nixon (Temiskaming), Oliver, Patterson, Sangster, Smith, Trotter, and Wigle.

Mr. Carr opened with a word of thanks to the Association representatives in attendance. Everyone in attendance could not be satisfied for undoubtedly some would bring in conflicting opinions. But the Committee would be glad to do everything possible and in turn requested their co-operation and support.

Mr. Thomas Barnes, President of the Ontario Federation of Anglers, told the Committee that his Federation was presenting 25 recommendations, of which he would read five.

"The transfer of the guardianship of the Game and Fisheries resources of Ontario to the Provincial Police Force places these most valuable assets in the custody of an efficient and highly organized body."

"Among the game wardens formerly employed as such were a number of men devoted to their duty and at the same time who had an understanding of the special problems of Game and Fisheries protection."

"If such men were appointed to the Provincial Police Force vested with the same authority as regards search warrants, etc., as the police but directed perhaps as a special branch to attend to the duty of Game and Fisheries protection, and if the Provincial Police as a body at the same time were instructed to include Game and Fisheries protection in their duties then we feel an important move has been made for greater efficiency in the safeguarding of our rapidly vanishing wild life resources."

"In view of many urgent requests from all parts of Ontario this Federation strongly urges the Government to carefully consider the need of the Province in the protection of its wild life resources and to appoint such number of efficient game wardens as is justified by the great value of these resources."

"The Ontario Federation of Anglers believes that enforcement of the Game and Fisheries laws would be aided if fire rangers were empowered to act as game wardens. We realize that fire rangers are under the jurisdiction of another Department and request the Department of Game and Fisheries to investigate the possibility of having fire rangers given the necessary authority by the Game and Fisheries Department."

"The Federation of Ontario Naturalists and the Ontario Federation of Anglers have all passed resolutions favouring the appointment of an advisory committee on wild life conservation. It is possible that such a committee consisting of trained biologists, experienced anglers, hunters, and naturalists, would have information which would be of value to the Department of Game and Fisheries. We would point out that such a body would be non-political without salary and would act as a go-between, between the organized bodies above mentioned and the Government. All of these men would be well versed on their subject and we feel that recognition by the Government of such a body in an official manner would be of inestimable good in considering the welfare of our wild life."

"That on account of the wide variation in the geographic, climatic, and numerous other factors bearing on the game and fish situation, particularly spawning seasons in the various sections of the Province, we ask that the Government make an appropriation to carry out a thorough investigation of these factors having in view that zoning the Province is the appropriate method of dealing with the various sections and the problems and conditions applicable to that section or zone."

"We believe that by dividing the Province into zones it will be possible to meet or modify the requests from local Associations for changes in the closed season relating to the game and semi-game species, especially bass, maskinonge, speckled trout and lake trout."

"We would like to call attention to the very excellent report on the game fish situation by a committee appointed at the request of the Ontario Federation of Anglers by the late Government. This report was largely prepared and written by the late Professor Bensley of the University of Toronto."

The Honourable Mr. Nixon asked if that report were widely circulated and Mr. Barnes answered in the affirmative.

"We feel that such a valuable report should not be lost sight of and beg the Government to carefully review this report as then presented. These provisions are still applicable to the situation at present."

"This Federation stresses that sections 76 and 77 of the report of the special committee of the game and fish situation 1928 to 1930 should be carried out and that immediate action be taken in respect to the protection and propagation of maskinonge."

"'Closure of waters formerly containing maskinonge in abundance and now depleted should be insisted upon if re-stocking is undertaken, whether by local request or otherwise'."

"'Artificial propagation of maskinonge should be rapidly developed in the southern part of the Province with the especial object of serving the waters of the Trent System and providing where necessary for other waters in which maskinonge were formerly abundant or are now locally desired'."

"In order that this matter may be given the proper attention before the maskinonge are more seriously depleted we earnestly request the immediate appointment of a special biologist to devote his full time to this problem. That until the matter of zoning the Province has been accomplished the season for maskinonge should be closed on the 1st of October instead of the 15th of October."

Mr. Barnes tabled supplementary recommendations suggesting Departmental co-operation with the Tourist Traffic Department; endorsing the preliminary work of the Grand River Conservation Commission; calling for a study of water pollution; Blue Book publication of all open season dates for each year by June 1st of that year; an educational programme to teach conservation; prohibition of the dip net or introduction of a special permit for its use; prohibition of minnow seines save for scientific or stocking work; prohibition of spearing, etc.

Dr. A. B. James, past president of the Ontario Federation of Anglers, told the Committee that few divergencies of opinion were represented among the men who had come as far as 700 miles to take part in this meeting. There were a great many contentious laws on which they did not see eye to eye with the Government.

Most important was failure to consider zoning of the Province. Near sub-tropical conditions existed in Essex and Arctic climate prevailed in the North and yet laws throughout the Province were made uniformly.

Dr. James cited the various spawning dates of trout and black bass to show that conditions varied in the Province. It was essential to zone Ontario in order to get common sense into the closing and opening of seasons. A study should be made and the Province should be properly zoned.

Correlation of districts and zones was urged. It would be simple then for overseers and officers to know the regulations of the particular zone.

Dr. James predicted that in the present day the maskinonge would become extinct. The maskinonge was going fast. Its range was very narrow—a line along the St. Lawrence and Ottawa and across to Georgian Bay and the north shore of Lake Superior—a very, very small range and a very narrow one. The waters had been fished commercially until some years back and to-day in the Peterborough district the tourist did not catch a maskinonge in a season.

If these fish were to be maintained study was imperative. No recommendations were made save a recommendation to study the maskinonge.

There had been rumour that the trout season might open on April 15th. Dr. James said he would like to oppose this. He agreed with a reduction in every season and thought most anglers did. If fish were to be protected let the season and the catch be reduced. It was suggested that the opening day remain at May 1st.

The Honourable Mr. Challies asked if Dr. James believed in the reduction of fish and game officers. Dr. James answered that he was against anything that depleted the waters. Efficient officers were necessary in the chase for poachers and poachers must respect them.

Dr. James thought the work could be done as well by the Provincial Police as by anyone else but he held that the Provincial Police were not educated for the work. In the North he was of the opinion that they could not accomplish it.

As a matter of fact they are turning in seizures, Mr. Nixon said.

E. L. Hughes of Trout Mills presented the brief of the Ontario Tourist Trade Association—camp owners and guides. They asked for a permanent hatchery for pickerel and lake trout in the Nipissing district preferably at North Bay. It had been found that half the fry were dead presumably because of lengthy transit. Pickerel could not be handled from southern Ontario. Lake trout, speckled trout, and bass came through much better—but not the pickerel.

North Bay had been mentioned but Mr. Hughes added that hatcheries were desired in four other northern points.

Lakes, he urged, should be made into rearing ponds for bass cultivation.

Mr. H. H. Mackay said that in the Lake Penache country two adjacent lakes had been found suitable for the purpose but one was on an Indian reserve and interested parties were opposed to the closure of the other. An officer had reported that Penache was well stocked with bass.

The object of the desired closure was to provide for the future, Mr. Hughes said.

Commercial nets within less than three miles of the French River at Georgian Bay should be prohibited. They should be moved away from the river where they blocked the run.

Mr. D. J. Taylor said there had been a justifiable grievance in this regard at the south of the Bad River. That net would not be in the mouth of the river this year.

Mr. Hughes protested against the dumping of cyanide into lakes in the Algoma district and the poisoning of these waters. It should be guarded against in all mining communities.

For the present non-resident fishing license he advocated the substitution of a \$3 license accompanied by the provision that those who took fish home must pay an additional \$2 license fee.

Mr. Taylor agreed that the \$1 license had been abused and would not be repeated. It was agreed that the family license should be retained.

Mr. Challies said that the \$1 license was a matter of experiment and had not proved so successful because reduction of fish and game protection personnel had prevented a check up.

Mr. Hughes argued against closure of the speckled trout season on September 1st. Such fish did not commence to spawn in northern waters until the first of October. Shortening the season would have no beneficial effect on conservation but would deprive camp owners and guides of much needed revenue. Many people came north in September because they feared flies at an earlier date. If the tourists were taken out of northern Ontario there would be an exodus to southern relief. This was an instance in which zoning was needed and needed badly.

Mr. L. J. Houston of Nakima stated that he was strongly in favour of zoning and closure of the trout season on September 1. By that time spawning on the Great Albany had started. Zoning after the manner of the game laws might answer the problem. A few small hatcheries were needed in the North. Game wardens might well be provided with a good reliable compass.

Mr. Houston questioned the deleterious effect of damming the northern waters mentioning that trout and sturgeon had been cut off on the Abitibi and

Albany. Lumber companies also erred in allowing sawdust to slip into trout streams.

Mr. J. W. Gravestock of Peterborough protested against the dismissal of game wardens and deputy game wardens. Game and Fisheries should not be transferred into the consolidated revenue. Rather the Department should regard live fish and game as its assets. There was an insufficient quantity of fish in the Province to-day. The maskinonge was leaving the Kawartha district.

Mr. Nixon pointed out that more seizures and arrests were being made (by a large measure) than at this time a year ago. It was surely an indication of activity. The Provincial Police had co-operated splendidly. The Department wanted men who would strictly enforce the laws.

It was proposed, Mr. Nixon said, to build two hatcheries this year and he promised that a hatchery a year would be built while he was Minister of Game and Fisheries.

Mr. Taylor presented figures showing a year ago there were 100 paid overseers and now 69; a year ago 420 deputy wardens and now 552. Enforcement, he said, had increased by more than 20 per cent. in seizures; by more than 35 per cent. in prosecutions; and by 45 per cent. in fines, as compared with a year ago.

Mr. Challies objected with citations of non-enforcement.

Dr. James asked about hatcheries. Mr. Taylor replied that rather than operate small hatcheries sufficient fish were to be had at Picton and Belleville. The spawn would thus be taken to properly equipped hatcheries and then to the places requiring distribution. There had been considerable complaint to the effect that the hatch had been distributed in poor shape. This year the distribution and the responsibility for distribution would be turned over to the Biological Branch.

Harry Nicholson of St. Catharines said that his Association had sent him to ask for a \$5.50 non-resident license. The family license was acceptable.

Mr. Nicholson opposed dip nets. Dragging of these nets in spring weather was a bad habit and the nets had become a curse. They should be done away with and the only practical method of achieving this was prohibition—especially in Welland, Wentworth, and Lincoln counties. The spear should go with the dip net.

Mr. Nicholson called for a better enforcement of the Fish and Game Act. His district had never had protection until current date. The Provincial Police had now come to the Association and promised co-operation.

The law had never been enforced generally. People didn't respect it. The laws had worked against the honest man. If game grew scarce the season was closed and the honest sportsman would pay no license fees when seasons were curtailed. The extra effort should be turned against the poacher who was out

365 days in the year. Lincoln County was witnessing better enforcement than ever before, but more enforcement directed against the poacher was needed.

J. E. Shortt of Belleville asked for the appointment of a representative to study the waters and promised co-operation.

Mr. Challies with approval of the Committee called for a report on the Department's maskinonge work.

In 1932 Mr. MacKay said a hatchery had been operated at Belleville. They had been handicapped by the limited knowledge of maskinonge culture. In the spring of the year it had been difficult to get males and females to spawn at the same time.

Organization had been completed for collecting spawn which would be obtained at Pidgeon River and sent to Belleville where it was known that there was suitable water. Beaver Creek work was also to be extended.

Carrying maskinonge fry to the fingerling stage had been attempted last year. All these attempts required study—perhaps for years. Last year the development and feeding habits of the fry had been studied.

Difficulty had been encountered in providing a supply of food. The maskinonge required a living, moving diet. After they reached the growth of an inch they wanted fish so badly that they would turn on each other and prevention of cannibalism was a major problem. Minnows had been supplied but the sluggish maskinonge would often fail to get the minnow.

In one instance, only 50 had been raised to the fingerling stage of a batch of 5,000 fry. The best angle of approach was offered at present by protection during spawning seasons and an extension of the study of the fry.

Paul Martin of Windsor, representing the Thames River, Detroit River, and Lake St. Clair Fishermen's Association, said that it was a body of men engaged in commercial fishing. A good section of them depended on fishing for their living. If something were not done to assist them many would have to seek maintenance on public relief.

The Thames River fishermen desired a definite extension of the open season from January 1 to April 15—with further extensions a possibility. Last year these fishermen had enjoyed only nine days of fishing because of sugar-beet factory refuse and the late spring.

The classification of white bass and sauger was in question and the men were asking whether these were game fish. They also requested the right to catch pickerel and were willing in return to pay an increased fee.

The Lake St. Clair fishermen asked for a reduction of fees on pound nets and an extension of the open season to May 15th.

The Detroit river fishermen wished their old privilege of catching yellow pickerel and sturgeon in seine nets and if allowed to fish for pickerel would be

willing to be subjected to a fee of say \$20 or \$25. Night lines now permitted for a sturgeon at a fee of \$25 did not permit them to catch bait or catfish without a further fee. A remedy for this and an increase in the number of hooks from 300 to 500 was requested.

Harold Cairns of the Toronto Anglers' Association congratulated the Government on the appointment of Mr. D. J. Taylor. Not agreeing entirely with their game warden stand he urged that the number of full-fledged game wardens should be raised to 100. There was not a game warden in Dufferin County and it was the home of speckled trout.

Mr. Cairns called for a more complete study of the maskinonge. To open the season on April 15th would be a move in the wrong direction. The Department would be supported if it were closed on September 1st.

Mr. Hughes asked for Mr. Mackay's opinion about closure on September 1st.

It had, Mr. MacKay replied, many conservation values. Shortening of the season always effected conservation and in this case it would afford the Department a chance to distribute the fingerlings in early September.

Mr. Taylor said he thought that 100 per cent of the sportsmen agreed that a closing on September 1st would be a step towards conservation. This year some consideration had been given to an April 15th opening because of the late Easter holidays. The Department had no thought to express on the question. It was up to public opinion.

Mr. Hughes said that his Association wished to help conservation and if the Department had absolute knowledge that shorter season would help they were with the Department.

A. J. Wagg of the Manitoulin Chamber of Commerce mentioned their problem of American yachts where five or ten of a party of fifty took out licenses but all fished. It had been suggested that all these parties should be required to take a licensed guide with them.

The Department had provided co-operation in the removal of ling in his country and it was appreciated.

A. S. Brown of Kingsville, Ontario, representing the Mayor and president of the Game and Fish Association, suggested commercial regulation changes. Shallow waters featured the Essex head of Lake Erie. His group were asking for a reduction in the license fee on pound licenses. A three-inch mesh was desired to meet neighbouring United States competition with the $2\frac{3}{4}$ and $2\frac{7}{8}$ -inch meshes. He asked that no power limit should be set on gasoline engines agreeing that the idea was that restrictions should be on the hull rather than the engine. The boat licenses might be regulated by yardage.

All tugs should return to their home ports at night. All license numbers should be the same each year. Considerable expense was involved in necessary replacement of buoy flags bearing a new license number.

Frank Cooper, tackle dealer of Toronto, protested against any trout season opening on April 15th. The water was high, the trout vision was bad, and the fish were in poor condition. Bait fishing in the spring caught the hook in the trout's gut—fly fishing caught them by the lip and a conservationist could return them. He strongly favoured cutting off fishing on September 1st.

Joseph S. Thorn of the Durham and Northumberland Association urged the prohibition of casting plugs for bass in late spring months. He asked that game wardens and deputy game wardens should receive some salary during the Rice Lake spawning season and Mr. Nixon and Mr. Taylor agreed that this was to be arranged.

The amendment last year permitting fishing for pickerel from boats in Rice Lake had been a great success.

Mr. Taylor, to a query, answered that if a private individual had a good but depleted stream and desired revenue the Department and the public would be well advised to stock it—providing that he charged a reasonable fee affecting all sportsmen alike.

The meeting adjourned at 12.40 p.m.

THIRD MEETING

Thursday, March 28th, 1935

Mr. Carr occupied the chair and the following additional members of the Committee were in attendance:

Messrs. Acres, Armstrong, Baker, Ballantyne, Blakelock, Bragg, Campbell, Challies, Craig, Croome, Duncan, Gardhouse, Guthrie, Hill, Houck, Hunter, Kelly, Kirby, Lancaster, Lapierre, Marceau, Miller, Murray, Newman, Nixon (Brant), Oliver, Patterson, Roberts, Sangster, Schwenger, Tanner, and Wigle.

Mr. W. R. Griner of Aldershot—Hamilton Angling and Hunting Association—pointed out that duck had been seriously depleted through drought and crow. The shooting season, he said, should be cut from three months to two. Ontario's three months were compared with the thirty day season now general in the United States.

Duck shooting should start on October 1st south of the French and Mattawa—with the northern situation standing unaffected. With a month curtailed it should close on November 31st.

Baiting of ducks for duck shooting should be prohibited. It was a practice exceedingly damaging to the duck supply. As a conservation step it might serve to limit pump guns to one per hunter. One pump gun is ample and a skilled man can handle two pump guns with twelve shots faster than an automatic. Restriction to three shots might be too drastic a move.

To a query from the Honourable Mr. Challies, Mr. Griner said that the Burlington Bay amendment of last year had had no opportunity to prove its worth or otherwise. Low water conditions had interfered.

Mr. L. J. Houston suggested that the northern duck season should open on September 15th after the ducks could get their wings.

Mr. R. Kennedy said that he had long advocated an October 1st season. Ducks were not fit to eat in September—full of pin feathers. It would be a mistake to cut off the fifteen days in December for the western ducks did not come in until then.

Sportsmen were not observing the sunrise to sunset order and if the law were modified to a daylight to dark limit there would be no excuse for night hunters.

Mr. H. MacCarney of Gananoque spoke for an October opening with closure on the same date as at present or on the first of December. Farmers in his county were now sowing grain and inviting United States customers to what amounted to a slaughter. Certain ducks could be shot as well at 7 a.m. as at sunrise.

Mr. J. W. Gravestock—Peterboro Fish and Game Protective Association—argued for a smaller bag but against a change in season. On the shallow lakes of the Peterboro district, Nature and not the law closed a very short season. A September opening was desirable since the black ducks did not stay after October.

Dr. W. A. Macauley of Sudbury said that his Association desired a move killing off the greater sawbill—guilty of depredations on spawn and fish.

Mr. E. L. Hughes of Trout Falls said that no change in the duck season was desired in the north. Duck hunting in that case would be almost banned by weather conditions. The duck bred in the north and if the date was set back the breeding would be purely for the advantage of the United States. It should be left as it stood in the French River and Mattawa River country.

A bounty of one or two cents might be put on the sawbill ducks for educational purposes. They were increasing and increasingly destructive. In the north some were suggesting that the sawbill should be shot at any time.

Mr. William Gastle—Ontario Hunters Game Protective Association—pointed out that the whole matter could be taken care of by the zoning system. An intelligent zoning built into the blue book and carefully decreed to meet average weather conditions would adjust all game laws.

If the Minister and the executive of the Association were agreeable the executive might sit in with the Department on a zoning plan.

Mr. D. J. Taylor, Deputy Minister, noted that the far northwest was calling for a later season than North Bay. It should be handled on a round table basis, said Mr. Gastle. A little fairness and intelligence brought into these matters by the districts would help the Department.

Mr. Kirvin, Lake Nipissing district—said that the B and C boundary lines should be set back to the old B line. B and C should be one section.

Game wardens should be permitted to allow responsible sportsmen to kill sawbills on sight in the spring of the year. Sawbills were a great enemy of the fish. No change in the duck season was desired because very few black ducks were to be shot after September.

Colonel W. H. Singer—Niagara-on-the-Lake—said that he had watched the ducks decrease year after year and the time would come when the season must be cut to thirty days.

Mr. Challies asked why Ontario should not follow rather than lead the practice in the United States.

Colonel Singer answered that the states had all cut the season to one month and limited pump guns—which should be done in Ontario. No objections were to be raised to a minor. The bag limits were too large. Favouring a limit of 50 ducks he declared that 100 were certainly enough for any man.

Mr. Kirvin asked why the bag should not be limited so that hunters could have no more than 30 ducks or two days' shooting at any time.

Mr. Taylor stated that in the United States the duck shortage was keenly felt and some move must be made by Ontario sportsmen to care for the problem. A closed season throughout the United States for a year or two was looming. The sum of \$8,500,000 was being spent on reclamation of marshlands for duck sanctuaries. They were fast realizing that unless something was done there would be little material for argument about duck seasons in a few more years.

Mr. Morgan Baker, M.P.P., introduced Professor A. F. Coventry who headed a deputation representing the Federation of Ontario Naturalists.

Professor Coventry read a paper calling for the establishment of game sanctuaries for wild life protection in the interests of study. Pointing out that the absolute protection of all life in some sanctuaries was desirable for scientific investigation, the Professor stated that at present there were no areas in Ontario permitting lengthy investigations of this type.

To parks and game reserves should be added sanctuaries where all forms of life would be protected. Areas in Algonquin, Quetico, Rondeau Parks, Temagami Provincial Forest, several of the large northern game reserves, and Georgian Bay country and the Bruce peninsula could provide sanctuary sites. Such reserves should not be open to the public for this would be incompatible with their two aims—the investigation and perpetuation of unmolested plant and animal life. They should be under the direction of properly constituted scientific bodies.

The Committee might recommend the appointment of a provisional honorary committee to further investigate these proposals.

Mr. Carr thanked Professor Coventry.

Mr. H. F. Morren of Barrie declared that there was every reason why the deer hunter should be permitted to use dogs. Many wounded deer got away and were destroyed. The use of dogs would certainly eliminate a good deal of that.

Mr. W. R. Griner said that the Hamilton Association had requested the return of the dogs in deer hunting. Man—poor on the scent—could not trail wounded deer. For a couple of years it might be necessary to require that 75 per cent. of the kill of a camp be male deer. This would permit a compromise caring for the accidentally shot doe. In Michigan and Maine many female deer had been left in the woods because the hunters feared prosecution.

Mr. E. A. Lapierre, M.P.P., asked if it were not a fact that the dogs would chase out the doe. The buck had the stronger scent, Mr. Griner believed.

After two years, he suggested, a return might be made to a straight buck law. Meanwhile why not print on the licenses—"Don't shoot until you see the horns."

Mr. J. F. Kelly, M.P.P., asked Mr. Griner if he knew that Huntsville deer camps had to be closed before the dogs were banned by law.

Mr. William Gastle said that in the Huntsville district the departure of deer had been experienced after eighteen years of beautiful hunting. It had been learned that wolves were the real cause—driving the deer west.

The Association was 95 per cent. in favor of a return of the dogs. A sensible dog would choose out the buck. This thing of dogs damaging the deer's health by chasing them was a myth.

Since a hunter might kill a fawn or doe why not permit him one doe to every three or four bucks to instill the honesty of the proposition into his mind. At the same time a campaign encouraging conservation ideals in hunters and guides should be undertaken.

Mr. Lapierre asked if Mr. Gastle would limit the number of dogs.

Better and fewer dogs should be taken into the north country, said Mr. Gastle. Dogs running loose were a real evil and there was no use in the transport of any but good dogs. A nominal fee of \$1 might prevent any incursion of a flock of curs.

The young should be taught respect for wild life through a campaign of education. For hardened poachers arrests and penalties were demanded.

To a query from Mr. Kelly, Mr. Gastle repeated that the deer were shifting probably because of wolves. Questioned about an increased wolf bounty he stated that he realized it must depend on the bounties offered by adjacent Provinces.

Mr. H. G. Taylor—Middlesex Association—asked that the now existing dog law be repealed in the interests of deer preservation but under restrictions laid down by the Department. Men had been killed by accidents—possibly

avoided if dogs had been in use. But the dogs should be limited and licensed. Three to a party of any size would be sufficient.

A buck law did not meet with approval but a modified buck law would be acceptable—and the 75-25 per cent. suggestion a good one.

Alien license fees should be substantially increased. A closer check should be kept on summer tourists. Their fire arms should be checked until they emerged from the bush. On the Pickeral River tourists had shot ten deer in the summer months.

The Department should endeavor to form inter-Provincial agreements on bounties through the medium of the Federal Department.

Mr. Hughes expressed himself in favour of an increase in the wolf bounty. The Wisconsin example was cited whereby two reputable citizens were required to support a claim that the wolf presented for bounty has been shot in the state. With this provision the bounty might be increased to \$40.

To an appeal for more officers for the taking of affidavits Mr. Taylor and the Honourable Mr. Nixon answered that in the north there were some three or four hundred officers empowered to care for that demand.

Mr. Hughes called for a buck law for from three to five years and termed a modified buck law an impossibility. One mature doe and her offspring would in ten years produce 300 deer.

To a query on dogs he answered that he did not wish to be quoted.

A spring bear hunt should be permitted and the present small game license for residents and non-residents should be authority for the hunt and extended to May 31st. Bear were destroying the other animals. The trappers were trapping them in May and if a few guides were permitted to take in hunters at that time it would provide employment.

More wardens should be assigned to northern Ontario. The Provincial Police could satisfactorily cover the roads but game wardens should be put in the woods. They should be woodsmen and should pass examinations and take training in the Biological Branch. That type of man could not be picked up for a small salary but there had been wardens who didn't know a pickerel from a sucker.

B section of the hunting country should be enlarged to its natural pure water boundary. Zoning would be an aid. The hunting in that section should be as in B. A special game warden was wanted for the western arm of Lake Nipissing.

To a query from Mr. Nixon, Mr. Hughes said that he thought a \$5 or \$10 increase in wolf bounties would be of assistance. He said he wanted to make it harder to shoot deer. All sportsmen didn't want their count and many United States hunters were much more inclined to get a picture than a deer.

There were more than 300 outfitters and camp owners in northern Ontario with an investment of \$3,000,000; an annual pay roll for guides of \$600,000; for domestics of \$200,000. Upkeep and replacement figured \$150,000 a year and the store trade was in addition.

The Department needed money. It couldn't be run on direct revenue and the members must help out. Pennsylvania was spending three and a half million. If two or three hundred thousand were now granted to Game and Fisheries, millions would be saved in years to come.

Mr. J. W. Gravestock said that the question of dogs should be a question of conservation and how could deer be conserved if the dogs chased them in the breeding season. The Government should ask for a report from the game wardens on the question—were more deer now found since the dog law was passed?

Mr. L. J. Houston suggested that in B the moose season should be extended—opening on October 1st. The North, he explained, froze over at an early date and the only transportation was by water. Moreover, an early season meant a fat moose.

The Deputy Minister had declared that at least the two hind quarters of the moose should be brought out of the bush. It had been found impractical when abcessed moose were killed. Game laws should strike at the shooting of moose swimming in the water and not standing ankle deep in water.

Mr. A. MacDonald of Prince Edward County said that it had been resolved to ask for the dogs—but with restrictions. A limited number should be taken north and none left in the remote country. The enemy of the deer was the wolf running the year around and very bad in north Hastings. The deer yarded up in hemlock swamps in the winter and the buck proved his worth then as a protective agency.

Mr. Sam Harris described Pennsylvania and Michigan deer laws to the Committee. Both prohibited dogs and boasted a buck law.

Mr. Taylor in answer to queries said that only about one-third of Ontario's returns had been sent in last year. Eighteen thousand licenses had been sold and 6,000 returns showed some 4,000 taken—multiplied, a total of 12,000.

In Pennsylvania, said Mr. Harris, an average of 25,000 deer were taken out each year. If something was not done in Ontario a closed season on deer would be the eventuality. That would mean a real depression in the north.

Wolves had been in the picture but there were also the high-powered rifle; the dog; and the running of deer in the breeding season. The dogs had the stronger scent and even with a buck law the point of elimination would be reached in about four years if the dogs were not banned. Mr. Harris put himself on record for retention of the dog ban and a buck law.

Mr. A. F. Harrington—York County Fish and Game Protective Association—declared that northerners on relief should have been put in the bush to cut down feed for deer. He favoured dogs.

Mr. Thomas Oliver of Campbellford declared that the ban on dogs should be lifted.

Dr. W. A. Macaulay of the Sudbury Fish and Game Association expressed himself in favour of a buck law and no dogs.

Mr. Kirvin declared that in his experience the wolves killed a great many deer and the dogs none. The greatest hazard was the poacher. The Indians who sold deer meat were a great problem.

B and C sections had been one section. There was no reason why C should not be eliminated.

The people wanted a buck law and the majority wished dogs. Rather than a 75-25 percentage, one doe should be allotted to each camp.

Mr. E. Beam of the North Waterloo Association said that 90 per cent. of the people there favoured dogs. Restrictions should not limit a camp to one dog for when breaking in a young dog it was necessary to run two.

Mr. H. W. Hunsberry favoured dogs but of only certain breeds. A modified buck law would be acceptable. The camp license might be reduced to cover four rather than six men and for each four men one mistake might be allowed. They should be permitted to eat the doe.

Food supplies for deer had been suggested for many years and had proved very successful when attempted privately.

The Pelee Island hunt had been a big success and in principle might well be repeated on the mainland.

Mr. L. J. Phelps of Elgin County said that 300 deer hunters of that county did not desire a strict buck law and wanted dogs.

The Meeting adjourned at 1.15.

FOURTH MEETING

Tuesday, April 16, 1935

Mr. Carr occupied the chair and the following additional members of the Committee were in attendance:

Messrs. Acres, Armstrong, Ballantyne, Black, Blakelock, Bradley, Campbell, Colter, Craig, Croome, DesRosiers, Duncan, Freeborn, Fulford, Gordon, Guthrie, Habel, Houck, Kelly, Lapierre, Marceau, Miller, Murray, Macfie, Newman, Nixon (Brant), Nixon (Temiskaming), Oliver, Patterson, Sangster, Schwenger, Smith, Trottier, and Wigle.

And the Committee passed upon certain bills and reported one without and one with three amendments as recorded in the minutes.

The Committee expressed its wishes on various suggestions brought before it as follows:

No action was ordered on the following subjects or proposals:

Licensing of fish dealers.

Prohibition barring licensed guides from angling while acting as guides.

Prohibition of the netting of herring in north-eastern Lake Ontario from January 1st to October 1st.

Prohibition of dip nets.

Further regulations over the sale of gill nets.

Increase of penalty for use of gill nets or other nets in game fish waters to \$50 or three months.

Requirement that pickerel taken by anglers should be 15 inches long.

Permission to spear pike during last two weeks of March.

Removal of pike from list of game fish in Lanark County.

Prohibition, control, or limitation of the use of spears.

A minimum penalty of one month or \$25 for spearing.

Trolling from motor-propelled boats.

The Committee recommended:

No change in open season for black bass.

No change in open season for lake trout in the Peterboro area.

No change in the maskinonge season or bag.

No change in bag of speckled trout.

No change in Trent River season for maskinonge, pickerel and bass.

No change in duck bag.

No action on restrictions on fur-bearing animals in Haliburton.

Referred to the Department were:

Requirement that owners of visiting yachts should engage licensed guides to supervise hunting and fishing activities.

Extension of closed season effective on inland waters on pickerel and pike to Georgian Bay.

An open season for pickerel in Peterboro commencing on May 16th and closing on December 1st.

Changes in open season on speckled trout.

Closed season on white-fish in Lakes Ontario and Erie.

The Committee carried a recommendation resolving that the \$1 non-resident restricted angling license be discontinued.

The Committee carried a recommendation referring issue of blanket camp licenses to boys' camps to the Department.

It was suggested that representatives of the various Associations should be asked to confer with the Department in respect to zoning.

Baiting of ducks for shooting purposes roused castigating comment and the situation on the St. Lawrence was left to the Department with the suggestion that it be watched.

Extension of the farmers' deer license to the county of Hastings was left until receipt of opinions from counties concerned.

The Committee carried a vote of thanks to the Chairman, H. N. Carr, M.P.P.

The Committee adjourned at 11.50 a.m.
