JOURNALS
OF THE
LEGISLATIVE ASSEMBLY
OF THE
PROVINCE OF ONTARIO
3rd Session—24th Parliament

THURSDAY, FEBRUARY 12TH, 1953

PROCLAMATION

LOUIS O. BREITHAAPT

CANADA

PROVINCE OF ONTARIO

ELIZABETH THE SECOND, by the Grace of God of Great Britain, Ireland and the British Dominions beyond the Seas QUEEN, Defender of the Faith.

To Our Faithful, the Members elected to serve in the Legislative Assembly of Our Province of Ontario, and to every of you—GREETING.

PROCLAMATION

DANA PORTER, *Attorney-General.* { **W**HEREAS it is expedient for certain causes and considerations to convene the Legislative Assembly of Our Province of Ontario, WE DO WILL that you and each of you and all others in this behalf interested on Thursday, the twelfth day of February now next, at Our City of Toronto, personally be and appear for the actual Despatch of Business, to treat, act, do and conclude upon those things which, in Our Legislature for the Province of Ontario, by the Common Council of Our said Province, may by the favour of God be ordained.

HEREIN FAIL NOT.

IN TESTIMONY WHEREOF We have caused these Our Letters to be made Patent and the GREAT SEAL of Our Province of Ontario to be hereunto affixed.

WITNESS:

THE HONOURABLE LOUIS ORVILLE BREITHAUPT, Doctor of Laws,
Lieutenant-Governor of Our Province of Ontario,

At Our City of Toronto in Our said Province this twenty-second day of January in the year of Our Lord one thousand nine hundred and fifty-three and in the second year of Our Reign.

BY COMMAND.

ARTHUR WELSH,
Provincial Secretary.

Thursday, the twelfth day of February, 1953, being the first day of the Third Session of the Twenty-fourth Parliament of the Province of Ontario for the Despatch of Business pursuant to a Proclamation of the Honourable Louis O. Breithaupt, LL.D., Lieutenant-Governor of the Province.

3 O'CLOCK P.M.

And the House having met,

The Honourable the Lieutenant-Governor of the Province then entered the House and, being seated on the Throne, was pleased to open the Session by the following gracious speech:

Mr. Speaker and Members of the Legislative Assembly:

We meet to-day for the Third Session of the Twenty-fourth Legislature of the Province of Ontario. I welcome you here, confident that your thought and judgment will be applied diligently to the affairs of the people of this Province.

We look forward this year to the Coronation of Her Gracious Majesty, Queen Elizabeth II. We pray that her reign as our Queen may be prosperous, long and happy.

The years in which we live have witnessed a massive development of our Province. Ontario and her people have faced many new and complex problems which are incidental to the great growth of our country and they have played their part with distinction and credit, in maintaining and consolidating the truly enviable position of Canada.

Under our Federal system of Government the public business of the people is rightly decentralized to various jurisdictional levels. The business of all of these levels of Government is of the utmost importance. Each level has its own relationship with the people and each requires its own financial resources to enable it to carry out its functions. The tremendous growth of the nation and the greatly expanded problems of Government demand the constant study and examination of its fiscal and jurisdictional responsibilities of all levels of Government.

The Ontario Provincial-Municipal Relations Committee has been conducting studies in Ontario covering the whole field of fiscal relationships. An interim report of this Committee will be tabled for your consideration. This Committee is continuing its close studies of Provincial-Municipal problems and the Government is hopeful that these studies will be co-ordinated in the work of another Committee, which it is hoped will be created by the Government of Canada to study the whole problem of Federal-Provincial fiscal relationships, the duties of each level of Government under the Constitution and the financial means to enable the performance of these duties.

It has been the constant object of the Government to assist and improve the fiscal position of the municipalities to enable them better to carry out their great responsibilities. In the last nine years, assistance to municipalities has been expanded six fold, and in the present fiscal year, this aid represents more than one hundred and twenty millions of dollars of our budgetary commitments. Very important measures will be submitted to you at this Session tending to strengthen the autonomy and powers of our municipalities throughout Ontario.

Among the municipal problems you will be asked to consider, will be those very complex ones dealing with the municipal government of the areas encompassed within the southern municipalities of the County of York, including the City of Toronto. These areas contain about one-fifth of Ontario's population. This metropolitan area, one of the greatest in Canada, urgently requires the means and the power by which problems affecting the life and being of well over a million people may be dealt with, to the end that they may have housing, transportation, planning, land use, parks and other services in keeping with the aspirations and the way of life of this great community. Most important legislation will be introduced for your careful consideration and action.

At the first Session of this Legislature a year ago, a completely revised Companies Act was introduced and referred to a special Select Committee of the House for study. This Committee has completed its work and legislation arising from its consideration will be introduced for your further consideration.

During the past year great progress has been made in the construction of highways. There are now upwards of a million and a quarter Ontario motor vehicle registrations, and as a result the highway program has been widely expanded and will be further expanded. With the increase of motor vehicle traffic the necessity for improved and safe highways is correspondingly pressing. Construction of modern highways is the continuation and enlargement of efforts which must be pursued with vigour and diligence to reduce the toll of highway accidents.

With the expansion of Ontario the construction program of the Department of Public Works has been accelerated and expanded. The pressing need for space in which to carry on the Province's services makes the continuation and expansion of our works program more than ever necessary.

The development of Hydro-electric power on the International Rapids section of the St. Lawrence River is a necessity for Ontario, and strong hope is expressed that the last remaining international complications will soon be resolved so that work may begin at an early date. Every preparation has been made to go ahead immediately with this much-needed work. In the meantime great progress has been made in the construction of the new generating station and works at Queenston on the Niagara River.

The many fields of agricultural development within the Province are under constant and vigilant research and much attention is given to making farming more attractive to our younger people. The high standards of healthy living which we enjoy are attributable very largely to our great agricultural industry. Close study is being given particularly to the requirements of the orderly marketing of farm products. A sound program of conservation is being pursued and will be enlarged. Several important projects are approaching completion. The further Federal participation, lately announced, is welcome.

A matter of much importance to our people is the preservation of archaeological and historical sites found within the Province. Legislation will be introduced which will protect the evidences of our early history.

Legislation concerning several other matters of interest and concern to our people will be introduced for your consideration. I wish to make reference to some of these measures. A revision of the Pharmacy Act will be introduced and some amendments to the Mining Act will be submitted. In the interests of public safety a measure will be introduced, permitting the inspection of elevators and other lifting devices. The present legislation regarding moving picture theatres will be consolidated and revised, and amendments to the Travelling Shows Act and the Public Halls Act will be introduced. Improvements will be proposed to the Municipal Act, the Assessment Act, the Public Service Act, the Public Health Act, the Forest Fires Prevention Act, the Public Lands Act, the High Schools Act, the Public Schools Act, the Planning Act, the Unemployment Relief Act, the Homes for the Aged Act, the Jurors Act, the Insurance Act, the Devolution of Estates Act, the Agricultural Societies Act, the Rural Telephone Systems Act, the Workmen's Compensation Act, and to several others of our present Statutes. All measures proposed for your consideration will tend to preserve and to improve and better the way of life of our people.

Reports will be received from Select Committees of this House which have been sitting throughout the year.

There will be presented to you a survey of the fiscal condition of the Province, together with the plans for the ensuing year. The Public Accounts for the last complete fiscal year and the Estimates for the year 1953-54 will all be submitted for your study and consideration.

By their loyal efforts and diligent application to their duties, the members of the Public Service of Ontario have earned our thanks and appreciation. By their devotion to duty your decisions and directions are carried out.

May I express the wish that in the interests of the people of our Province, your deliberations and decisions will be guided by Divine Providence.

His Honour was then pleased to retire.

PRAYERS.

3.15 O'CLOCK P.M.

Mr. Speaker then reported,

The Order of the Day for resuming the Adjourned Debate on the Amendment to the Motion for an Address in Reply to the Speech of the Honourable the Lieutenant-Governor at the opening of the Session, having been read,

The Debate was resumed and, after some time,

Mr. Grummett moved, seconded by Mr. Thomas (Ontario),

That the Amendment to the Motion for an Address in Reply to the Speech of the Honourable the Lieutenant-Governor now before the House be amended by adding thereto the following:—

And this House further regrets:—

- (a) That the Government has not taken positive steps to curb highway traffic accidents.
- (b) That the Government has failed to supplement the inadequate pensions paid to recipients of Old Age Assistance, or to provide relief for employable men and women and their families who are at present unemployed and in serious need.

And the debate having continued, after some time it was, on motion by Mr. Cecile,

Ordered, That the Debate be adjourned.

The House resolved itself into a Committee to consider certain Resolutions and certain Bills.

Mr. Frost acquainted the House that the Honourable the Lieutenant-Governor of the Province, having been informed of the subject matter of the resolutions recommends them to the consideration of the House.

After some time Mr. Speaker resumed the Chair, and Mr. Roberts (St. Patrick) reported that the Committee had come to certain Resolutions as follows:—

Ltd.; Rochester & Pittsburgh Coal Co. (Canada); Valley Camp Coal Company; F. P. Weaver Coal Company Ltd. 4. All coal purchased has been produced in the United States. 5. All coal suppliers (approximately 20 in number) which the Commission considered able to meet its requirements of quality and delivery were invited to submit sealed tenders for the supplying of steam plant coal. Every firm in the business of supplying coal has the permission of the Commission to submit tenders for this coal and upon enquiry were invited to submit tenders. 6. The Commission does not specify the geographical source of the coal it wishes to purchase. The matter is left entirely in the hands of the coal dealers.

Mr. Houck asked the following Question, No. 26:—

What has been the total value to date of trucks, trailers, passenger cars, electrical equipment, tools and any other equipment supplied by the Hydro-Electric Power Commission to the Canadian Comstock Company since the commencement of the frequency conversion program.

The Honourable Mr. Challies replied as follows:—

The number of vehicles, tools and other service equipment furnished by the Commission to Canadian Comstock Company Limited varies with the requirements of the program. This equipment remains the property of the Commission and as of January 31st, 1953, the value of all such equipment on loan to the contractor amounted to \$3,934,066.80.

Mr. Houck asked the following Question, No. 34:—

1. During 1952, how many (a) boats or canoes, (b) outboard motors, (c) motor vehicles, were seized by the Department of Lands and Forests for infractions of the game and fishing laws or regulations. 2. How many have been (a) sold by public auction, (b) given back to the offender. 3. How many were disposed of in other ways and how were they disposed of.

The Minister of Lands and Forests replied as follows:—

1952—1. (a) boats and canoes, 24; (b) outboard motors, 14; (c) motor vehicles, 17. 2. (a) boats and canoes, nil; outboard motors, nil; motor vehicles, nil; (b) boats and canoes, 3; outboard motors, 1; motor vehicles, 7. 3 (a) boats and canoes—Sold to former owners, 15; taken into stock for departmental use, 2; destroyed (no value), 1; not yet disposed of, 3; (b) outboard motors—Sold to former owners, 10; taken into stock for departmental use, 2; Turned over to R.C.M.P., 1 (illegally brought into Canada); (c) motor vehicles—Sold to former owners, 10.

Mr. Oliver asked the following Question, No. 39:—

Was the firm of Anglin Norcross reimbursed by the Department of Public Works for the fire loss suffered to their works-office on March 23rd, 1949, at the Smiths Falls Hospital. If yes, did the said firm not carry insurance on its own buildings. If no, what was the total loss suffered by the department as a result of this fire.

The Minister of Public Works replied as follows:—

The Anglin Norcross firm was not reimbursed by the Department of Public Works for the fire loss to work's office building in 1949, at the Ontario Hospital, Smiths Falls. Said Department of Public Works owned the work's office building referred to and recovered \$6,105 from the insurance company.

Mr. Houck asked the following Question, No. 40:—

From what companies did The Hydro-Electric Power Commission purchase cement in 1952, what was the total amount of cement purchased from each company, what was the total cost of cement purchased from each company.

The Honourable Mr. Challies replied as follows:—

1. Companies from whom cement was purchased during 1952: Canada Cement Co.; Alfred Rogers Ltd.; Canada Building Materials; S. McCord. 2. Total amount of cement purchased from each company during 1952: Canada Cement Co., 1,430,950 bbls. (bulk), 3,350 bbls. (in paper bags); Alfred Rogers Ltd., 24,000 bbls. (in paper bags); Canada Building Materials, 509 bags; S.

McCord, 372 bags. 3. Total cost of cement purchased from each company during 1952: Canada cement Co., \$4,523,939.00; Alfred Rogers Ltd., \$89,040.00; Canada Building Materials, \$617.03; S. McCord, \$471.09.

Mr. Houck asked the following Question, No. 41:—

What is the total amount of auxiliary steam plant capacity now in the possession of The Hydro-Electric Power Commission and what amount of electrical energy is at present generated by or for the Commission by auxiliary steam plants.

The Honourable Mr. Challies replied as follows:—

The Hydro-Electric Power Commission has in service a number of emergency steam-electric units at four separate locations, having a total peak capacity of 51,000 kilowatts (68,365 horsepower). The combined energy output of these units during January, 1953 was 1,073,700 kilowatt hours. The Commission has in service two major steam-electric installations: the Richard L. Hearn and J. Clark Keith stations. The total dependable peak capacity of these stations is 391,000 kilowatts (524,129 horsepower). The combined energy output of these stations during January, 1953 was 52,413,200 kilowatt hours. The Commission also has a contract with the Polymer Corporation for the purchase of 22,500 kilowatts (30,200 horsepower) produced by steam-electric units. Energy purchased from this source during January, 1953 amounted to 218,900 kilowatt hours.

Mr. Houck asked the following Question, No. 42:—

In the year 1952: (a) how many applications were made for permits under The Hours of Work and Vacations with Pay Act to permit overtime work; (b) how many such permits were issued; (c) how many employers received more than one such permit.

The Minister of Labour replied as follows:—

(a) 1,008; (b) 1,007; (c) 67.

Mr. Houck asked the following Question, No. 43:—

What was the total cost of producing Hansard for the Spring and Fall Sessions of 1952.

The Provincial Secretary replied as follows:—

\$24,129.13.

Mr. Manley asked the following Question, No. 48:—

1. Did the government own the old brick house, known as the Code house, located on the grounds of the Smiths Falls Hospital, which was totally destroyed by fire on April 2nd, 1950. 2. What were the findings of the Fire Marshal's Office re this fire. 3. Did the Government have insurance on this dwelling. If yes, what was the amount and to whom was it paid.

The Minister of Public Works replied as follows:—

1. Yes. Acquired with land purchased to form part of site of the new Ontario Hospital, Smiths Falls. 2. Report states fire appears to have started in roof and may have been caused by a small animal or bird carrying some combustible material into the roof. 3. No. It is not the practice to insure dilapidated buildings or government buildings occupied by departmental staffs. Generally, except for buildings under construction by contract, fire insurance is not carried on public buildings.

Mr. Manley asked the following Question, No. 49:—

What is the explanation of the item on page R-14, Public Accounts of the Province of Ontario for the fiscal year ended March 31st, 1952, set out as "Fire Loss, Smiths Falls Hospital. 9,576.50."

The Minister of Public Works replied as follows:—

The term "Fire Loss" was inadvertently used and should have read "Indemnity Refund." This was a payment to the Province by a Bonding Company on a performance bond on a contract for painting of Group "A" buildings at the Ontario Hospital, Smiths Falls. In this case the lowest tender submitted to the Department proved to be too low and as the contractor was unable to complete the work, the Bonding Company was required to make good.

Mr. Wren asked the following Question, No. 54:—

1. Have any withdrawals of any suspension of the export of spruce pulpwood been made, by the Minister, since 1943. 2. What are the names of any companies involved in withdrawals of ban on export and what quantities of pulpwood were exported by them.

The Minister of Lands and Forests replied as follows:—

Question not clear—if it means have any new customers been added, answer is "no".

Mr. Wren asked the following Question, No. 55:—

1. How many licensees have furnished the Department of Lands and Forests to date, with forest inventories and master plans under the Statutory regulations. 2. How many square miles do the plans cover. 3. How many licensees have been or are delinquent in filing these plans by the time required. 4. Has the Minister directed the cessation of cutting operations as a result of the filing of unsuitable master plans.

The Minister of Lands and Forests replied as follows:—

1. Forty-four. 2. 53,044 square miles. 3. Twenty. 4. No.

Mr. Oliver asked the following Question, No. 56:—

1. What has been the actual value of electrical equipment purchased by The Hydro-Electric Power Commission in the United States and the United Kingdom during 1952. 2. How much cement was purchased by the Hydro Commission in the United States during 1952.

The Honourable Mr. Challies replied as follows:—

1. The actual value of electrical equipment purchased by The Hydro-Electric Power Commission of Ontario from the United States and the United Kingdom during 1952 was: United States—\$35,844.53; United Kingdom—\$721,779.69. 2. There was no cement purchased by The Hydro-Electric Power Commission of Ontario from the United States during 1952.

Mr. Nixon asked the following Question, No. 57:—

1. Is Dr. Thomas Hogg still retained in an advisory or consultant capacity by The Hydro-Electric Power Commission. 2. If not, when did such retainer terminate. 3. How much money was paid Dr. Hogg during the last year in which he was retained.

The Honourable Mr. Challies replied as follows:—

1. Yes. 2. See Part 1. 3. Dr. T. H. Hogg is retained as a consultant to The Hydro-Electric Power Commission of Ontario. This consulting arrangement is from May 1st to April 30th and during the current year Dr. Hogg has been paid \$4,166.66.

2 O'CLOCK P.M.

Mr. Collings presented an interim report from the Select Committee on Election Laws, which was read as follows and adopted:—

*To the Members of the Legislative Assembly
of the Province of Ontario.*

Honourable Members:

Your Select Committee, appointed on March 28th, 1952, to act with the Chief Election Officer and the Assistant Chief Election Officer for the purpose of studying The Voters' Lists Act and The Election Act submits the following as an interim report:—

Your Committee held several meetings in the interval between Sessions and made substantial progress in arriving at recommendations for the improvement and simplification of the machinery for provincial elections. However, many provisions of the relevant Acts remain to be considered and several matters were reserved by the Committee for further study and deliberation.

Your Committee therefore recommends that it be re-appointed as presently composed, with the same duties and powers as were conferred upon it by the Order of the House which appointed it.

Mr. Oliver asked the following Question, No. 15:—

What was the cost of reconstructing and remodelling the Loafing Barn, located on the Rideau Industrial Farm, Burritt's Rapids, including fittings and all installations.

The Minister of Reform Institutions replied as follows:—

The cost was not kept separate but was lumped with and formed a part of the renovations and additions made at the "Empey" barn group. The following is an estimated cost:—

Loafing Barn.....	\$4,500.00
Attached Silo.....	1,000.00

Mr. Nickle, from the Standing Committee on Private Bills, presented the Committee's Fourth Report which was read as follows and adopted:—

Your Committee begs to report the following Bills with certain amendments:—

Bill No. 5, An Act to incorporate The Young Men's and Young Women's Christian Association of London.

Bill No. 28, An Act respecting the Town of Orillia.

Your Committee would recommend that the following Bill be not reported and would further recommend that the fees less the penalties and the actual cost of printing be remitted:—

Bill No. 8, An Act respecting Institut des Franciscaines Missionaires de Marie d'Ontario.

Your Committee would recommend that the fees less the penalties and the actual cost of printing be remitted on Bill No. 5, An Act to incorporate The Young Men's and Young Women's Christian Association of London and on Bill No. 28, An Act respecting the Town of Orillia.

The following Bill was introduced, read the first time, and ordered to be read a second time to-morrow—

Bill No. 107, An Act to amend The Judicature Act. *Mr. Porter.*

Mr. Frost delivered to Mr. Speaker messages from the Honourable the Lieutenant-Governor signed by himself, and the said messages were read by Mr. Speaker and are as follows:—

LOUIS O. BREITHAUPT

The Lieutenant-Governor transmits Estimates of certain sums required for the services of the Province for the year ending 31st March, 1954, and recommends them to the Legislative Assembly.

Toronto, 12th March, 1953.

—and—

The Lieutenant-Governor transmits further Supplementary Estimates of certain additional sums required for the services of the Province for the year ending 31st March, 1953, and recommends them to the Legislative Assembly.

Toronto, 12th March, 1953.

(Sessional Paper No. 2.)

Ordered, That the messages of the Lieutenant-Governor, together with the Estimates accompanying the same, be referred to the Committee of Supply.

The Order of the Day for the House to resolve itself into the Committee of Supply having been read,

Mr. Frost moved,

That Mr. Speaker do now leave the Chair and that the House resolve itself into the Committee of Supply, and in so doing Tabled his Budget Statement. *(Sessional Paper No. 49.)*

And a Debate having ensued, it was, on motion by Mr. Nixon,

Ordered, That the Debate be adjourned.

The Order of the Day for Resuming the Adjourned Debate on the motion for Second Reading of Bill No. 80, An Act to provide for the Federation of the Municipalities in the Toronto Metropolitan Area for Certain Financial and Other Purposes, having been read,

The Debate was resumed and, after some time, the motion having been put, was carried on the following Division:—

and the Bill was accordingly read the second time and referred to the Committee of the Whole House.

The House then adjourned at 6.22 p.m.

Mr. Herbert, from the Standing Committee on Mining, presented the Committee's Second Report which was read as follows and adopted:—

Your Committee begs to report the following Bill with certain amendments:—

Bill No. 67, An Act to amend The Mining Act.

Mr. Wren asked the following Question, No. 6:—

1. What was the total amount paid by the Department of Lands and Forests for telephone tolls in the fiscal year ended March 31st, 1952.

The Minister of Lands and Forests replied as follows:—

\$45,835.75.

Mr. Wren asked the following Question, No. 52:—

Give a breakdown of the expenditures set out by the Department of Lands and Forests, on page H-12, in the Public Accounts for the years 1951-52, made to "E. R. Mound" and "S. W. Mound" and also particulars as to the nature of this expenditure.

The Minister of Lands and Forests replied as follows:—

The expenditures refer to purchase of pheasants direct from the breeders. The Department does not raise pheasants, as it has been found more economical to provide land and equipment to the breeder, and purchase ring-necked pheasants at the following contract prices: Adults—each—\$1.25 minimum dependent upon age; 10-weeks-old poults—each—\$1.25; Day-old chicks—each—40c. for first 15,000, 35c. over 15,000. Pheasants are released by the Department for restocking purposes in Southern Ontario.

Mr. Houck asked the following Question, No. 64:—

What rebates from Hospital Tax were paid to the baseball teams located in (a) Kitchener, (b) Waterloo, (c) Brantford, (d) Niagara Falls, during 1952.

The Provincial Treasurer replied as follows:—

(a) Kitchener, \$3,113.30; (b) Waterloo, \$1,853.61; (c) Brantford, \$5,097.95; (d) Niagara Falls, \$106.57. Explanation: Kerrio Baseball Club, member of the Niagara Peninsula League, and not of the Senior Intercounty League. The Kerrio Baseball Club and indeed the whole Niagara Peninsula League was declared an amateur league for 1952 and no tax was collected for 1952 except when one of the teams was playing with any team of the intercounty league which did not qualify for exemption for 1952 as a league. The above rebate to Niagara Falls represents 50 per cent of the tax collected in such games. Depending on an examination of the statements of games played by the intercounty league in 1952, a further rebate may be paid to the Niagara team with respect to 1952 games.

Mr. Wren asked the following Question, No. 66:—

1. How many agreements have been signed between the government and companies, firms or individuals, requiring the construction of pulp mills in the Province of Ontario since July, 1945. 2. Give names of companies, firms or individuals and type of mill, capacity, proposed location and date mill completed, or will be completed in each case. 3. Which of the contracting companies, firms or individuals are in default with respect to their agreements to build mills, giving date of default and all particulars of default in each case.

The Minister of Lands and Forests replied as follows:—

1. One. 2. Pineland Timber Company, Limited, by an agreement dated 30th January, 1950, may request a 21-year agreement covering cutting rights on its concession and licensed areas if, at any time prior to April 1st, 1955, the company has (a) commenced construction of a chemical pulpmill of 200 tons daily capacity and given security to complete this mill on or before April 1st, 1958, or (b) submitted plans satisfactory to the Minister, to utilize the pulpwood on its concession in other Ontario mills. 3. None.

Mr. Salsberg asked the following Question, No. 72:—

1. (a) How many copies of the Ontario Health Survey Committee Report, tabled by the Minister of Health on February 18th, 1953, were printed; (b) What firm did the printing, binding, etc., of that Report; (c) What was the total cost for printing, binding, etc., of that Report. 2. (a) How many copies of "The Directory-Guide to Ontario Government, 1953" were printed; (b) What firm did the printing, binding, etc., of that "Directory-Guide"; (c) What was the total cost of the printing, binding, etc., of that "Directory-Guide".

The Minister of Health replied as follows:—

1. (a) 5,072; (b) Richardson Bond & Wright Ltd.; (c) \$3.25 per copy.
(Total cost to be paid under Federal Health Grants.)

The following Bills were severally read the third time and were passed:—

Bill No. 2, An Act respecting the Board of Education of the Town of Port Colborne.

The House resolved itself into a Committee to consider a certain Resolution and certain Bills.

Mr. Frost acquainted the House that the Honourable the Lieutenant-Governor of the Province, having been informed of the subject matter of the resolution recommends it to the consideration of the House.

After some time Mr. Speaker resumed the Chair, and Mr. Roberts (St. Patrick) reported that the Committee had come to a certain Resolution as follows:—

Resolved,

That,

where the fees of the office of the registrar of deeds are insufficient in respect of contributions to be paid into the Public Service Superannuation Fund, the balance shall be paid out of the Consolidated Revenue Fund,

as provided by Bill No. 104, An Act to amend The Public Service Act.

Also, That the Committee had directed him to report the following Bills without amendment:—

Bill No. 1, An Act to incorporate The Roman Catholic Bishop of Fort William.

Bill No. 6, An Act respecting the Riverside Cemetery Company of Port Arthur.

Bill No. 16, An Act respecting the City of Brantford.

Bill No. 20, An Act respecting the City of London.

Bill No. 24, An Act respecting The Lakeshore District Board of Education.

The Minister of Health presented to the House:—

Annual Report of the Alcoholism Research Foundation for the year ending December 31st, 1952. (*Sessional Paper No. 40.*)

The House then adjourned at 3.41 p.m.

The Bill duly signed by the Commissioners and the Petition for the same are accordingly returned herewith.

We have the honour to be, Sir, your obedient servants.

P. E. F. SMILY,
F. G. MACKAY,
Commissioners of Estate Bills.

Ordered, That the Bills together with the reports of the Commissioners of Estate Bills thereon, be referred to the Standing Committee on Private Bills.

On motion by Mr. Frost, seconded by Mr. Doucett,

Ordered, Notwithstanding any application which Rules 8, 9 and 14 may have to this motion any Minister of the Crown, when presenting his estimates to the House, may occupy a seat in the front row of the House and may have his deputy minister and another member of his staff seated in front of or adjacent to him to supply information required by the Minister. The same order will apply to the discussion on Bill 80 when being considered in Committee of the Whole House.

Before the Orders of the Day the Attorney-General quoted from an article in "Saturday Night" in which criticism was offered of the conduct of the law enforcement officers with respect to the case of one Ronald Power who was convicted of armed robbery as a result of mistaken identity and subsequently acquitted when police investigation revealed the real culprit.

The article in question strongly urged compensation to Power for his time spent in custody. The Attorney-General pointed out that Power was responsible for involving himself by making an untrue statement to the police in an effort to support the alibi of one Nugent, a man subsequently convicted of participation in the robbery. The Attorney-General further informed the House that Power, while incarcerated, was at no time serving a sentence but was waiting trial and subsequent appeal and could have been free on bail had he applied.

The House resolved itself into a Committee to consider Bill No. 80, An Act to provide for the Federation of the Municipalities in the Toronto Metropolitan Area for Certain Financial and Other Purposes, and, after some time spent therein, Mr. Speaker resumed the Chair, and Mr. Roberts (St. Patrick) reported,

That the Committee had directed him to report progress on the Bill.

The House, according to Order, resolved itself into the Committee of Supply.

Your Committee discussed the question of Stenographic Reports of the proceedings in the House and, after some discussion, on a motion by Mr. Robarts, seconded by Mr. Dent, it was decided to recommend,

1. That the present system of mimeographing the proceedings is unsatisfactory and should be discontinued.
2. It be recommended that the stenographic reports be printed.
3. That the number of copies should be limited.
4. That if any member desires extra copies they should be available to him at cost.
5. That a reasonable number of copies should be inexpensively bound.

Mr. Parry moved the adoption of the Report.

Mr. Salsberg moved in amendment, seconded by Mr. Thomas, that the printing of Hansard commence with the 1953 Session.

Mr. Speaker ruled the amendment out of order on the motion of private Member as it called for an expenditure of public money and would require the recommendation of the Honourable the Lieutenant-Governor.

The motion for the adoption of the Report having been put was declared to be carried.

On motion by Mr. Frost, seconded by Mr. Doucett,

Ordered, That this House will rise for the noon recess to-day at 1.00 o'clock in the afternoon and resume at 2.30 o'clock in the afternoon and that the provisions of Rule No. 2 of the Assembly be suspended so far as they might apply to this motion.

On motion by Mr. Frost, seconded by Mr. Doucett,

Ordered, That when the House adjourns the present sitting thereof it do stand adjourned to meet at 10.00 o'clock in the forenoon to-morrow, to rise for noon recess at 1.00 o'clock in the afternoon and to resume at 2.30 o'clock in the afternoon and that the provisions of Rule No. 2 of the Assembly be suspended so far as they might apply to this motion.

The following Bill was introduced, read the first time, and ordered to be read a second time to-day:—

Bill No. 152, An Act to amend The Gasoline Handling Act. *Mr. Doucett*.

Before the Orders of the Day, Mr. Frost informed the House that Questions Nos. 8, 69 and 74 by Mr. Wren, Mr. Gordon and Mr. Oliver respectively, necessitated such lengthy replies that the Government requires that they be made motions for Returns.

On motion by Mr. Wren, seconded by Mr. Manley,

Ordered, 1. From what dealers was heating fuel purchased by the Department of Public Works in the fiscal years ended March 31st, 1949, 1950, 1951, in: (a) Kenora Riding; (b) Rainy River Riding; (c) Fort William Riding; (d) Port Arthur Riding. 2. What quantity of fuel was purchased from each dealer and what total amount was paid to each dealer in: (a) Kenora Riding; (b) Rainy River Riding; (c) Fort William Riding; (d) Port Arthur Riding. 3. List trade names of fuel purchased and unit cost (per ton, per gallon, etc.). 4. Give date of publication of notices of tender for all fuels purchased in the fiscal years 1949, 1950, 1951. 5. The Honourable Mr. Challies replied as follows:—

1. Per diem fees—nil; expenses—\$594.20. 2. It is not the practice of the Committee to meet except when very important matters are under discussion. The members of the Commission and Management on frequent occasions have taken advantage of the membership to discuss matters of importance with individual members of the Committee. There have been three formal meetings of the Committee. 3. Yes. Minutes of the meeting of Monday, October 27th, 1952, contain the following Resolution, moved, seconded and unanimously carried—

“Whereas this Council has had presented to it most clearly by the Chairman and other officials of The Hydro-Electric Power Commission of Ontario, the necessity for increased rates for wholesale power to the municipalities in the Southern Ontario System,

“And Whereas this Council fully realizes that the proposed increase is due to increased costs of labour, material, maintenance and more particularly to the use of more costly power generated by steam for base instead of peak loads,

“Therefore be it resolved that this Council endorse the recommendation of The Hydro-Electric Power Commission of Ontario that rates for wholesale power to municipalities in the Southern Ontario System be increased an average of 14.8%.”

Mr. Salsberg asked the following Question, No. 21:—

With reference to the printing of Departmental Reports and Sessional Papers, as authorized by the 1952 Session of this Legislature: (a) How many of each of the following Departmental Reports and Sessional Papers were printed; (b) What was the total cost for the printing of each Report or Sessional Paper; and (c) What is the name of the company which printed each item—Public Accounts, Estimates, Elections, Lands and Forests (including Game and Fisheries Report), Mines, Legal Offices, Superintendent of Insurance: Abstract, Detailed, Registrar of Loan Corporations: Abstract, Detailed, Public Works, Highways, Labour, Education, University of Toronto, Births, Marriages and Deaths, Reform Institutions, Ontario Training Schools, Public Welfare, Liquor Control Board, Department of Agriculture (Minister), Department of Agriculture

Mr. Houck asked the following Question, No. 32:—

What has been the percentage increase or decrease in traffic in each of the years 1947 to 1952 inclusive on Highways No. 2, 3, 18, 39 and 98 respectively, as compared with the year 1946.

The Minister of Highways replied as follows:—

Information as to percentage increase or decrease in traffic is not available. The over-all percentage increase in number of motor vehicles registered in the Province of Ontario as compared with the year 1946 was as follows: 1947 +12%; 1948 +22.7%; 1949 +36.2%; 1950 +55.2%; 1951 +69.6%; 1952 +81.5%. This does not take into consideration the vast increase in tourist traffic from outside the province.

Mr. Houck asked the following Question, No. 33:—

In the year ending March 31st, 1952, how many convictions for drunkenness were registered in Ontario Courts.

The Honourable Mr. Welsh replied as follows:—

Year ending March 31st, 1952, 34,859; Year ending March 31st, 1951, 35,911; Year ending March 31st, 1950, 32,911.

Mr. Houck asked the following Question, No. 37:—

In each of the calendar years 1946 to 1952 inclusive, what were the total sales (a) by value, (b) by volume, of spirits, wines and beer respectively by the Liquor Control Board (1) to license holders, (2) for home consumption.

The Honourable Mr. Welsh replied as follows:—

THURSDAY, APRIL 2ND, 1953

PRAYERS.

10 O'CLOCK A.M.

The House resolved itself into a Committee to consider certain Bills, and, after some time spent therein, Mr. Speaker resumed the Chair, and Mr. Roberts (St. Patrick) reported,

That the Committee had directed him to report the following Bills without amendment:—

Bill No. 151, An Act to amend The Mothers' Allowances Act, 1952.

Bill No. 152, An Act to amend The Gasoline Handling Act.

and to report the following Bill with certain amendments:—

Bill No. 80, An Act to provide for the Federation of the Municipalities in the Toronto Metropolitan Area for Certain Financial and Other Purposes.

Ordered, That the Report be adopted and the Bills reported be severally read the third time to-day.

On motion by Mr. Frost, seconded by Mr. Johnston (Simcoe-Centre),

Ordered, That a Select Committee of this House be appointed to study the entire matter of civil liberties and rights with respect to the Indian population of Ontario and to consider all matters which the committee may consider relevant to the present status of Indians in Ontario, towards the end that they may enjoy improved standards of living and equality of opportunity.

And that the Select Committee have authority to sit during the interval between Sessions and have full power and authority to appoint or employ counsel and secretary and such other personnel as may be deemed advisable and to call for persons, papers and things and to examine witnesses under oath, and the Assembly doth command and compel attendance before the said Select Committee of such persons and the production of such papers and things as the Committee may deem necessary for any of its proceedings and deliberations, for which purpose The Honourable the Speaker may issue his warrant or warrants.

The said Committee to consist of eleven members and to be composed as follows:—

Messrs. Goodfellow (Chairman), Fullerton, Pringle, Johnstone (Bruce), Johnston (Simcoe Centre), Robson, Cathcart, Noden, Nixon, Wren and Grummett.

In view of the appointment of the Select Committee on Indian Affairs Mr. Nixon asked permission of the House to withdraw the Notice of Motion standing on the Order Paper in his name, as follows:—

In the opinion of this House the discrimination against Indians consuming alcoholic beverages in legal public places in Ontario should be removed by the passing of an Order-in-Council requesting such action by the Federal authority as provided in section 95 of the Indian Act, Chapter 29, Statutes of Canada, 1951.

The permission of the House for the withdrawal was granted.

On motion by Mr. Phillips, seconded by Mr. Foote,

Ordered, That a Select Committee of this House be appointed to inquire into and review,

1. The Cemeteries Act and the regulations made thereunder and more particularly

(a) the creation, investment and supervision of funds for the perpetual care of cemeteries, cemetery plots, monuments and other cemetery facilities,

- (b) the methods of selling cemetery plots, tombs and other cemetery facilities and services;

2. The methods of caring for cemeteries so as to prevent neglect,

with a view to recommending improvements in the legislation of this Legislature which is in force in this Province.

And that the Select Committee have authority to sit during the interval between Sessions and have full power and authority to appoint or employ counsel and secretary and such other personnel as may be deemed advisable and to call for persons, papers and things and to examine witnesses under oath, and the Assembly doth command and compel attendance before the said Select Committee of such persons and the production of such papers and things as the Committee may deem necessary for any of its proceedings and deliberations, for which purpose The Honourable the Speaker may issue his warrant or warrants.

And the said Committee to consist of eleven members and to be composed as follows:—

Messrs. Allan (Haldimand-Norfolk) (Chairman), Root, Hanna, Lyons, Whitney, Allen (Middlesex South), Hall, Sandercock, Gordon, Reaume and Thomas (Ontario).

Mr. Wren moved, seconded by Mr. Oliver,

That a Select Committee of this House be appointed to investigate, inquire into, and report upon all matters pertaining to the administration, licensing, sale, supervision and conservation of natural resources by the Department of Lands and Forests, and that the said Committee have authority to sit during the interval between Sessions and have full power and authority to call for persons, papers and things and to examine witnesses under oath.

And, a debate arising, after some time,

The motion having been put was declared to be lost.

The following Bills were severally read the third time and were passed:—

Bill No. 112, An Act to amend The Local Improvement Act.

Bill No. 114, An Act to amend The Municipal Act.

Bill No. 124, An Act to amend The Assessment Act.

Bill No. 152, An Act to amend The Gasoline Handling Act.

Bill No. 80, An Act to provide for the Federation of the Municipalities in the Toronto Metropolitan Area for Certain Financial and Other Purposes.

The Order of the Day for resuming the Adjourned Debate on the Amendment to the Motion that Mr. Speaker do now leave the Chair, and that the House resolve itself into the Committee of Supply, having been read,

The Debate was resumed, and after some time the Amendment,

That the Motion "That Mr. Speaker do now leave the Chair and the House resolve itself into Committee of Supply" be amended by adding thereto the following:—

But this House regrets to note the great increase in the net debt of the Province and that no adequate provision for reduction in taxation has been made.

having been put, was declared to be lost.

The Main Motion having then been put was declared to be carried.

The House, according to Order, resolved itself into the Committee of Supply.

(In the Committee)

"In Her Majesty's name, the Honourable the Lieutenant-Governor of the Province doth assent to these Bills."

Mr. Speaker then said:—

May it please Your Honour:

We, Her Majesty's most dutiful and faithful subjects, the Legislative Assembly of the Province of Ontario, in Session assembled, approach Your Honour with sentiments of unfeigned devotion and loyalty to Her Majesty's person and Government, and humbly beg to present for Your Honour's acceptance a Bill intituled, "An Act for granting to Her Majesty certain sums of money for the Public Service for the fiscal year ending the 31st day of March, 1953, and for the Public Service for the fiscal year ending the 31st day of March, 1954."

To this Act the Royal Assent was announced by the Clerk of the Legislative Assembly in the following words:—

"The Honourable the Lieutenant-Governor of the Province doth thank Her Majesty's dutiful and loyal Subjects, accept their benevolence and assent to this Bill in Her Majesty's name."

The Honourable the Lieutenant-Governor was then pleased to deliver the following gracious speech:—

Mr. Speaker and Members of the Legislative Assembly:

In the name of Her Majesty, I wish to express thanks to you for your loyal and careful attention to the business of the people of Ontario during this third session of the Twenty-fourth Legislature of the Province, which it is now my duty to prorogue.

Many Public Bills have been given your approval and have become law. All of these measures will serve to preserve and to improve the conditions and the economy under which our people live and to meet and to resolve the many and complex problems incident to the development and expansion of our province.

Under the terms of a most important measure the Municipality of Metropolitan Toronto has been created, comprising an area of some two hundred and forty square miles, and within which there reside almost a million and a quarter of our people. This very important area will have the means and the power to deal with and to solve the many problems involved in the provision of educational facilities, housing, transportation, area planning, water supply, arterial roads and highways and other services and facilities essential to such a large urban area. Provision is also made for the co-ordination of its financial requirements. On the new Council and School Board will devolve duties and responsibilities of a most important kind.

Other legislation has become law under which all of the Municipalities within the Province will benefit from further financial assistance. Unconditional grants will be paid to all the Municipalities of Ontario thus strengthening both municipal government and local autonomy. The measure will also assist in the reduction of local tax rates and 1954 with the wise administration of the municipal councils will see relief in this regard.

Of great helpfulness to our people was the creation at the first session of this Legislature, of four select committees of the Assembly; those dealing, respectively, with the water levels of the Great Lakes, with rent control, with election laws, and with the revision of The Companies Act. As a result of the efforts of the committee on company law, a completely revised Corporations Act has been passed and will become law after further study. These select committees will be continued. I wish to express in the fullest terms my congratulations to the members of these committees, and indeed to the members of all committees of this Assembly. They have given unselfishly and unsparingly of their time and energy in the interests of our people and are worthy to receive the highest commendation for their loyal and diligent work.

I wish also to commend most highly all of those members of this Legislature who have given specially of their time, with such effective purpose, to the particular problems incident to the creation of the Municipality of Metropolitan Toronto.

Three additional select committees of the Assembly have been created. One committee of significant importance will conduct a broad search into the means of rehabilitation of persons committed to the Reform Institutions of the

Province and into the problems incidental to the reformation of delinquent individuals. Another will examine into the whole position within the structure of the Province, of our Indian people with a view to the improvement of their way of life and in keeping with the accepted policy of the province to remove discrimination and to give equality of opportunity. The third committee will investigate the establishment, management, preservation and care of cemeteries. All of these committees will report their findings and recommendations to the Legislature.

Highway construction and maintenance of very large proportions is proposed for the ensuing years. Every part of our province will benefit from the development, which will not only improve traffic conditions, but will attract greater numbers of tourists to use our great road system. Special attention will be given to the methods and means of increasing public safety.

Many other measures have been passed which provide for progressive improvement and betterment of the way of life of our people. Among the statutory laws dealt with may be mentioned The Theatres Act, The Public Halls Act, The Succession Duty Act, The Corporations and Income Taxes Suspension Act, The Highway Traffic Act, The Public Vehicles Act, The Insurance Act, The Legislative Assembly Act, The Power Commission Act, The Rural Telephone Systems Act, The Municipal Act, The Assessment Act, The Municipal Subsidies Adjustment Act, An Act to provide for the Licensing and Regulating of Elevators and Certain Other Types of Lifts, The Public Service Act, The Liquor Control Act, The Liquor Licence Act, The Elderly Persons Housing Aid Act, The Rent Control Act, The Forest Fires Prevention Act, The Lakes and Rivers Improvement Act, The Pharmacy Act, The University of Toronto Act, The Teachers' Superannuation Act, The Edible Oil Products Act, The Mining Act, The Planning Act.

Among the matters which have had your attention are those requiring the approval of Private Bills. In twenty-seven cases, the petition of those concerned have been granted.

Satisfactory provision for the financial requirements of the Government has been made for the ensuing year. The implementation of sound fiscal policies has made it unnecessary to impose new or increased taxation, and in fact, some reductions have been possible. This government has followed in a reasonable and practical sense, a pay as you go policy which has strengthened the finances of this Province. It is in such methods of sound management that the very satisfactory credit of our Province is preserved and secured. This strength of our provincial economy has made possible substantial additional assistance to our hospitals and to our universities. I wish to thank you for the appropriations of public funds which you have made.

I express my confidence that under the guidance of Divine Providence the way of life of the people of our Province will be bettered and made more secure.

The Provincial Secretary then said:—

Mr. Speaker and Members of the Legislative Assembly:—

It is the will and pleasure of the Honourable the Lieutenant-Governor that this Legislative Assembly be prorogued and this Legislative Assembly is accordingly prorogued.

Minutes of the Meetings of the
Standing Committee on Game and Fish

Twenty-fourth Parliament
3rd Session, 1953

Minutes of the Meetings of the Standing Committee on Game and Fish

FIRST MEETING

The first meeting of the Standing Committee on Game and Fish of the Third Session of the Twenty-Fourth Parliament of the Province of Ontario was held in Committee Room No. 2 on March 10th, 1953, at 10 a.m.

The following members were present: Messrs. Allan (Haldimand-Norfolk), Allen (Middlesex South), Beech, Cathcart, Dent, Downer, Elliott, Grummett, Hall, Harvey, Houck, Janes, Johnston (Simcoe-Center), Mackenzie, MacOdrum, Mapledoram, Morningstar, Murdoch, Myers, McPhee, Noden, Pryde, Robson, Root, Sandercock, Scott, Villeneuve, Wardrope, Whitney and Wren.

On motion of Mr. Downer (Dufferin-Simcoe), seconded by Mr. Allan (Haldimand-Norfolk), Mr. Myers (Warerloo) was made chairman unanimously.

The Chairman called on Mr. T. H. Mackenzie, president of the Lake Huron and Georgian Bay Commercial Fishermen's Association, to present the brief from that association.

Mr. Mackenzie said it had been learned there was a chance that Georgian Bay would be closed to commercial fishermen for the month of December. He petitioned the Department to allow them to fish all December, or put a closed season on the entire Georgian Bay from October 15th to November 15th.

Mr. Dave Wilson, president of the Ontario Federation of Anglers and Hunters, presented the following Resolutions:

1. As an urgent conservation matter:
 1. That the daily limits of game fish be not increased over the present limits with the one exception, that the perch limit be unrestricted, except Lake Mindemoya.
 2. That the possession limits for both residents and non-residents be reduced from the present two days' limit to one day's limit.
 3. That the export limit be one day's limit of each species of game fish.
 4. That we abolish the present non-resident family licence.
2. That the Department should immediately investigate the damage to our fish population through changing water levels during the spawning seasons

of our various fish, and that every effort be made to secure the cooperation of those whose dams control such water levels, including industry, and The Ontario Hydro-Electric Power Commission.

3. That the Ontario government continue its investigation of the pollution problem throughout the province, with a view to setting up standards which will serve as a basis for legislation aimed at minimizing this menace to health and recreation.

In answer to Mr. Mackenzie's question concerning abolition of the non-resident family licence, Mr. Wilson explained that often a large family will fish on one licence and will attempt to take one day's legal catch back with them for each person.

Mr. Len Hughes, president of the Northern Ontario Outfitters' Association, advised that the federation resolutions be supported regarding pollution and water levels. He then presented resolutions 1 to 9 inclusive on behalf of the Association.

Art Braithwaite, of the Rice Lake Tourist Association, asked that the opening date for maskinonge be changed from July 1st to June 20th, and that the legal size for bass, pickerel and maskinonge be changed to 12, 15 and 32 inches, respectively. Mr. Braithwaite also asked that the bass and maskinonge season open this year on June 27th as an experiment, that dams in the Trent River be controlled, and that the province increase its control over Indians, who, he said, fish through the ice.

Mr. Sutton of the Kent County Sportsmen's Association presented four resolutions which he said were of a local nature and did not necessarily apply to the whole of Ontario. He stated that Kent and Essex counties had quite a problem with Americans coming in to fish with bamboo poles, as many as 50 to 500 cars in a single day.

Mr. Sutton spoke at length on a resolution asking that the Rondeau Park area be kept under the jurisdiction of the Department of Lands and Forests rather than Municipal Affairs. Rondeau Park, he said, contains 1,800 acres of marshland, and two-thirds of the remainder is kept as near as possible to a natural forested area. Municipal Affairs, he said, could have no interest in this area other than leasing cottage rights.

Mr. Kerwin, Northern Ontario Outfitters, asked why the Kent County Sportsmen were asking permission to spear pike.

Mr. Sutton stated that the pike in the Kent and Essex waters are muddy from June to November and that they wanted to get rid of the pike to leave room for the more desirable game fish.

Mr. Dempsey said he did not think there was any place in Ontario where the spearing of pike was allowed, but Mr. Sutton said the permission finally was granted last year, and that their pike are not like the northern pike.

The Ontario Federation of Anglers and Hunters supported Mr. Sutton's recommendation.

Mr. J. C. Dunham of the Ompah Conservation Association, enumerated the six resolutions of his association.

Mr. Hughes said he thought the province should enact fishery laws without consulting Ottawa, but Mr. MacDougall said that would require changing the British North America Act.

SECOND MEETING

The second meeting of the Standing Committee on Game and Fish of the third session of the Twenty-fourth Parliament of the Province of Ontario was held in Committee Room No. 2 on March 11th, 1953, at 10 a.m.

The following members were present: Messrs. Allan (Haldimand-Norfolk), Beckett, Beech, Connell, Grummett, Frost (Bracondale), Hall, Harvey, Houck, Johnstone (Bruce), Johnston (Simcoe-Center), Manley, Mapledoram, Myers, Morningstar, Janes, McPhee, Downer, Pringle, Pryde, Root, Scott, Wardrope, Ward, MacKenzie and Robson.

Following the roll call, Mr. Myers, Chairman, called the meeting to order.

Mr. J. C. Dunham, president of the Ompah Conservation Association, spoke first and presented the attached brief. He stressed that gradually the deer in the North Frontenac area have been getting less.

Mr. Houck asked him if he knew why the deer were becoming less, if there were not too many hunters.

Mr. Dunham replied that there were no wolves in the area, but perhaps the use of dogs had something to do with the decrease.

Mr. Robson asked Mr. Dunham's feeling about having a deer season south of No. 7 Highway in Frontenac County.

Mr. Dunham replied that there were not too many deer in the area south of the Highway, nor too many hunters. In answer to another question, he said that about three deer per square mile had been taken out of the area. He emphasized, however, that he did not favour a closed season.

(Resolutions No. 42 to 51 inclusive.)

Mr. Cryderman, of the Northern Ontario Trappers' Association, read the attached brief:

Mr. Cryderman said that every adult timber wolf takes 15 deer a year, and that it was impossible to get the bounty high enough. He said the present \$25 bounty required about \$50,000 to be paid out. He pointed out that to claim this bounty, it was necessary to thaw out a wolf, skin it, and drag the whole thing into the Department, and added that in winter it was difficult to take wolves other than by poison.

With regard to Recommendation 5, Mr. Cryderman explained that bears kill moose in the early spring when they hibernate and the cow is calving. He said they will kill both the cow and her calf, at least once apiece each season.

(Resolutions 52 to 59.)

Mr. Hughes, NOAA, read resolutions 52 to 55 and said he hoped the trappers' recommendations would be given consideration.

Mr. Sutton asked what part of the moose carcass had to be brought out under the law. Mr. Hughes replied that it was half of the moose hindquarters and head or antlers. Mr. Sutton said it seemed poor conservation practice to leave half of a 2,000-pound moose behind, but Mr. Hughes said that every pound of moose was taken from his camp.

Mr. McKee said that as far as the trapper was concerned, if the front quarters of a moose were left in the bush they were not wasted. Animals will camp there until it is used up, he contended, and so other game is saved from predators.

(Resolutions 61 to 66, inclusive.)

Mr. Dave Wilson of the Ontario Federation of Angers and Hunters spoke next and presented the attached brief:

(Resolution 67.)

Dr. Art James, OFAH, presented a resolution dealing with saving human lives. He said that although every year publicity is given to accidents in the bush due to improper handling of arms, yet similar accidents occur the following year.

He proposed adoption of the practice instituted by the New York State Conservation Department, in studying at least some law which would enable an examiner to review every applicant for a hunter's licence, in much the same way that driving licences are presently given out. Dr. James suggested that this examining job might be turned over to an organization such as the Dominion Civilian Rifle Association.

"If one life is saved by such a system, we have done well," he concluded.

Mr. Houck made a motion expressing the committee's appreciation to the Hon. H. R. Scott for the admirable way in which he carried out administration, and stated that he was certain the Hon. Mr. Gemmell would carry on in the same manner. Blake Uren seconded the motion, and it was carried unanimously.

Rev. A. S. McGrath, Lord's Day Alliance, said there had been no change in conditions to warrant a change in regulations concerning Sunday hunting. He presented the attached brief which the Alliance presented in 1952.

(Resolutions 69 to 71.)

Harry Markham, Newmarket, Hunting and Field Archers of Ontario, read three resolutions as attached.

He said tremendous strides had been taken in this connection in some states of the United States. In 1934 Wisconsin enacted legislation and 40 archers took advantage of it. Now, he said, 30,000 licences were sold annually, sponsored by the State Department of Conservation. He said similar progress had been noted in Michigan.

Mr. Kendall Hansen asked, "Can you with any degree of accuracy, tell me how many deer get away with an arrow in them?" He said his customers from Wisconsin and Michigan were angry about bow and arrow hunting in their states and reported finding deer with arrows still in them. Mr. Markham said no such report has ever been substantiated.

(Resolution 72.)

Mr. Brownlee, Toronto Daily Star, recommended that the department make the hunting licence in a size that will fit in a wallet easily.

Mr. Myers advised him that the Minister would consider the proposal.

Mr. Pete McGillen, Toronto Telegram, representing the Outdoor Writers Association of Ontario, protested against organized rabbit drives in the province. It is not sporting for 75 to 100 men to tramp fields when rabbits have no chance of escaping, he said.

Mr. Fred Richardson said the Federation had presented a resolution to the Committee last year, asking that these rabbit drives be reduced to the absolute minimum of hunters, and suggested ten as a possible limit.

THIRD MEETING

The third meeting of the Standing Committee on Game and Fish of the third session of the Twenty-fourth Parliament in the Province of Ontario was held on March 26th, at 10 a.m.

The following members were present: Messrs. Allan (Haldimand-Norfolk), Allen (Middlesex-South), Beech, Cathcart, Dent, Downer, Elliott, Grummett, Hall, Harvey, Houck, Janes, Johnston (Simcoe-Center), Mackenzie, MacOdrum, Mapledoram, Morningstar, Murdoch, Myers, McPhee, Noden, Pryde, Robson, Root, Sandercock, Scott, Villeneuve, Wardrope, Whitney and Wren.

Mr. Cathcart took the Chair and called the meeting to order. Copies of Bill 139, An Act to amend The Game and Fisheries Act, were given to all members. All sections of the bill carried. It was moved that the bill be reported. CARRIED.

Mr. Houck spoke at length of the deer situation on Navy Island, consisting of some 700 to 800 acres which were leased to the Niagara Parks Commission for 99 years. He said several years before many deer on the island had died of starvation, and asked if nothing could be done about this situation. Mr.

MacDougall replied that the problem was under consideration, and it probably would be better to reduce the herd by killing some of them than to transfer them to the mainland.

Dr. Clarke, acting on Dr. Harkness' request, gave the Committee a resume of the moose situation in Ontario, illustrating concentration of herds by means of colored maps and charts.

Mr. Cathcart read the proposed Department moose season, as follows:

Open season for residents and non-residents:

North of the C.N.R. track—October 1st to 15th inclusive.

South of the C.N.R. track in the area as of last year, including Port Arthur—October 15th to 26th inclusive.

Open season for residents only—month of December.

Dr. Harkness gave a report on the deer situation in Southern Ontario, and answered questions proposed by Committee members.

Mr. Dent said "I would suggest that this Committee go on record as conveying to the Department of Lands and Forests that we of Southern Ontario think that it is desirable to have the deer population cut down, because they are becoming a hazard on the highway and destroying crops." CARRIED.

Mr. Wren moved that the Departmental recommendation on the day's possession limit on fish be adopted. Mr. Noden seconded the motion. CARRIED.

The Committee discussed other matters brought up in two previous meetings before adjourning at 12 noon.

3. As an urgent conservation measure, we recommend that the possession limits for both residents and non-residents be reduced from the present two days' limit to one day's limit.

Ontario Federation of Anglers and Hunters.

Resident and non-resident anglers may have in possession two days' legal catch, and non-residents may export only one days' legal catch.

The disparity between the possession and export limits for non-residents has caused dissatisfaction and wastage. To bridge the difficulty it would be desirable to equalize the daily, possession and export limits. This arrangement should simplify the enforcement of this particular regulation.

4. As an urgent conservation measure, we recommend that the export limit be one day's limit of each species of game fish.

The Pollution Control Board is at present preparing a schedule of "objectives" for application to the Ontario situation.

The Departmental program of control and abatement of water pollution has continued on an expanding scale, in keeping with the desired objectives of fish and wildlife management programs. There has been active co-operation with other Departments through the Pollution Control Board.

Re: Recommendations 2 to 7:

All of these recommendations, 2 to 7, were supported in general by the N.O.O.A. and other individuals present at the meeting with the exception that some individual tourist operators questioned the desirability of abolishing the non-resident family licence.

Present activities are based primarily on requirements for fish and wildlife, and follow closely the "objectives" for water quality as recommended by the International Joint Commission for the Investigation of Pollution of boundary waters.

Unless we have the cooperation of the landowners and cottagers concerned, closure of areas should not be undertaken.

		On wolves killed in the Provincial Judicial Districts, the province pays the whole bounty.	
		In addition, some eight counties pay an extra county bounty and some townships pay an extra township bounty. These bounties range from \$5 to \$25. The Province does not contribute to these extra bounties.	
		In the last fiscal year ending March 31, 1952, the Department paid out \$41,803 for the destruction of 1,895 wolves.	
		In 1949 the bounty on pups was raised from \$5 to \$15 to encourage the destruction of pups. In the year following the increase, 41 pups were taken at the new rate, whereas 84 pups were taken the previous year at the old rate.	
		In the last three instances when the bounty was increased, there was a marked decrease in the number of wolves taken. It is obvious	

then, that an increase in the bounty rate will not necessarily result in an increase in the number of wolves taken.

The following is a summary of the rates of bounty paid by the provinces and adjoining states:

British Columbia—Timber, \$25; Timber (in certain electoral districts), \$40; Coyote, \$4.

Alberta—Timber (April 1 to Sept. 30), \$15; Timber (Oct. 1 to Mar. 31), \$12; Coyote (in certain circumstances 75% of costs plus bounty), \$5.

Saskatchewan—Timber, \$10.

Manitoba—Timber, \$10; Coyotes, \$5.00.

Quebec—Wolf (in agricultural regions), \$15.

New Brunswick—No wolves, consequently no bounty.

Nova Scotia—No wolves, consequently no bounty.

Prince Edward Island—No reply.

Newfoundland—No wolves, consequently no bounty. Wolves not plentiful in Labrador.

Minnesota—Timber (adults), \$35; Coyotes, Brush Wolves or Pups of either species, \$25.

Wisconsin—Wolves and coyotes (adults), \$20; Wolves and coyotes (pups), \$10.

Michigan—Wolves and coyotes (males), \$15; Wolves and coyotes (females), \$20.

New York—No bounty on wolves.

<p>67. Owing to the increasing number of accidents due to the handling and use of firearms, it is recommended that the Department of Fish and Wildlife conduct an examination to determine the fitness of an applicant for a gun or hunting licence. It is suggested that a plan similar to that in use in New York State be studied and implemented if found satisfactory. Such a plan should include a course of instruction in the use of firearms, safety measures and ballistics. A definite curriculum should be instituted to be followed by an examination by a competent examiner. It is suggested that some rifle Association such as the "Association of Civilian Marksmen" which has a widespread provincial membership, may be induced to take over this duty of instruction and examination.</p>	<p>Dr. Art James, Ontario Federation of Anglers and Hunters.</p>		<p>This proposal requires careful study and analysis.</p>

78. Formal text of the motion moved by Councillor Wm. Tilson and seconded by Councillor Alan Bowerman was as follows:

That, whereas we have reason to believe (1) that the deer on Manitoulin Island are becoming alarmingly scarce; (2) That this scarcity is owing in a great part to the fact that too many hunters from other parts of the country come to the Manitoulin Island to hunt deer, with a good percentage of such hunters taking deer off the Island and from localities where deer are as plentiful or more plentiful than on the Island.

Therefore we do request the Fish and Game Committee of the Department of Lands and Forests to have regulations re hunting on the Manitoulin Island amended as follows:

- (1) That there be an open season for deer on Manitoulin Island for residents of Manitoulin Island only;
- (2) That Hunting season shall be from November 15th to November 25th, inclusive;
- (3) That the use of dogs for running deer on Manitoulin Island be prohibited;

Present season, November 10-25, open to any licensed hunters on same basis as elsewhere.

Coons are exceedingly destructive to nests of waterfowl and are much over-protected.

Manitoulin Island is 1031 square miles in area, of which at least 500 square miles is *good* deer range and should carry 25 deer per square mile, producing a safe harvestable crop of 6 deer per square mile or some 3000 for the island.

The maximum take by non-residents is in the order of 1500.

Although the kill is high, the Island population should be able to stand this harvest.

We hope to carry out special studies of the deer herd situation on the Island during the summer.

Pike are protected by a closed season in the St. Lawrence River March 2 to April 30, and in Lake St. Francis November 16 to May 14. This protection is the same as that on the yellow pickerel and if removed would be detrimental to the yellow pickerel fishing.

If there is evidence of a decrease in the perch population, a limit on the number taken by angling may be re-imposed. Or, treat this area similar to Lake Mindemoya and re-impose the limit of 25. There does not appear to be a limit on the number of perch taken by angling in the Quebec portion of the lake.

The regulations on the St. Lawrence and Lake St. Francis conform with those in New York State and the Province of Quebec respectively. They were put into force in 1951 with the approval of the Fish and Game Committee of the Legislature.

We are very dubious regarding the permitting of spearing in the waters which drain in Lake St. Clair, because we wish to protect the maskinonge fishery which is more important in Lake St. Clair, than is generally realized.

The waters, where pike may be speared, are fairly close to the remainder of Kent County, and I fail to see why any resident of the County is too far away from the open area to go there for this sport. Opening of the remainder of Kent County would permit spearing in the Thames drainage, as well as the Sydenham Drainage, and this should certainly be considered very carefully before such permission is granted.

to the problem, we consider it ill advised to close the maskinonge season on September 30th, while the New York State season carries on to October 31st, United States citizens angling almost entirely in Canadian waters for this species. As this creates a distinct hardship for Canadian guides, through loss of revenue to them, and as there is little indication of depletion of the species.

We recommend that the Department of Lands and Forests consult with the New York State officials to establish a uniform season in this area.

90. The best fishing in Eastern Lake Ontario and the International section of the St. Lawrence River is on the Canadian side, and non-resident American sportsmen are welcome to share with our citizens in the enjoyment of Ontario fish and game on payment of the licence fees, and boats and gear and the American fishermen guided by them are abusing their privileges, paying no attention to Canadian customs regulations regarding entry and landing, over-exploiting Canadian waters for limit kills, often without regard to Ontario regulations, and returning after exploitation of Ontario fish resources, and Canadian guides, boat and resort owners are ignored while Ontario fish stock is depleted before their eyes;

Anglers and Hunters.

extended the closing date for maskinonge province-wide as of October 15th instead of October 1st as formerly. This arrangement coincides with the closing date of the bass season, namely, October 15 which is desirable. A further extension of the season in Ontario waters is not warranted.

Ontario Federation of Anglers and Hunters.

This condition is under scrutiny and study at the present time looking toward the most practical measures for correction.

We therefore recommend that no Ontario licence to guide on eastern Lake Ontario waters, or the St. Lawrence River be issued to anyone not a resident Canadian, and that nothing requested herein is intended to injure or handicap those non-residents who own or rent summer homes in Ontario and share with our citizens the enjoyment of Ontario scenery, angling and wildlife resources.

91. The act of opening the lower gates of a lock in the Trent Waterway system, when the spring spawning run is taking place and then closing it, thus forming a trap for pickerel prior to the opening of the fishing season has taken place in one area in particular. This proved to be a wholesale slaughter of the fish thus trapped and is against all principles of good sportsmanship and conservation. We believe it is against all principles of the Department of Transport.

We therefore recommend that in all cases where possible, the lower gates of any lock be left open at all times during this critical time, especially when the navigation season has not begun, and that officers of the Department of Transport and the Department of Lands and Forests investigate this matter regularly and, if necessary, it be posted against fishing in this area when the

We recommend that this section be withdrawn from the Act.

While at Lindsay recently attending the meeting of the Trent District Conservation Officers, I learned that Buie and Weir are preparing a poster which they anticipate will be printed and posted throughout this area drawing attention to these provisions of Section 42, Ontario Fishery Regulations. The 1953 non-resident angling licences (family) are already printed on the basis of issue to "Husband, wife and their children not over the age of 21 years", and the recommendation could not be made effective this year. However, if we do not accept the recommendation to discontinue issuing the non-resident family angling licence (submitted, I believe, by the O.F.A.H.) a provision such as that submitted in this resolution regarding age of children to be included in the licence is entitled to consideration. Such provision will undoubtedly effect a measure of control which is required in connection with this licence. A provision establishing a possession limit under this licence of one day's catch for two people is worth serious consideration, but enforcement of such a provision will present some difficulty. Such provisions will reduce the appeal to non-residents this licence presents, with which we are all in agreement.

refused by one issuer have gone to another who will issue them regardless of age.)

119. That this Zone does not agree with a Fort William City Council resolution of September 1952, asking that the Department of Lands and Forests raise the age for hunting licence applicants from 16 to 18 years, and reiterates a Zone resolution of December 1951, asking the Department to authorize boys and girls under the age of 16 to carry firearms for hunting on special permits, provided the girls and boys are accompanied by a parent giving them proper instructions in the use of firearms. (We realize this is allowed, but not generally known.)

120. Whereas gun accidents seem to be steadily increasing, and
Whereas there is no organized effort to teach the youngster how to handle firearms properly;

Therefore be it resolved that the Ontario Federation of Anglers and Hunters ask the Fish and Wildlife Division to institute lectures, particularly in High Schools, to teach young people the proper handling of firearms and that all Fish and Game clubs offer their whole-hearted assistance.

121. Whereas the moose have increased in the area east of Lake Nipigon and Nipigon River south of the mainline of the C.N.R.; Therefore we recommend an open season for moose for residents only in this area. (Suggested dates by November 15th-December 15th.)
122. Whereas the deer have decreased in that area east of Lake Nipigon and Nipigon River south of the mainline of the C.N.R.; Therefore we recommend a closed deer season until such times as the herd regains its numbers.
123. That our resolution passed December, 1951, urging that non-resident hunters in Thunder Bay be required to have a guide, be renewed and kept alive.
124. That the open season for deer in Rainy River District continue to be from November 1 to 25.
125. That the closed season on moose in Rainy River District be continued.
126. That the Duck season in Rainy River District continue to open on September 25.

RECOMMENDATION	BY WHOM	PRESENT STATUS	COMMENTS
128. That persons involved in hunting accidents should not be issued a licence again.	A widow of a deer hunter killed accidentally by a man who had had a previous similar accident.		It would certainly seem desirable to prevent a man who had had two hunting accidents, one fatal, shooting a third person. Attempts to obtain satisfactory legislation have not met with much success, but if the Committee desired, it may be possible to make another effort to provide for cancellation or suspension and make it a more serious offence for such person to hunt without a licence or to obtain another licence. In view of the large number of issuers, the establishment of a black list is impossible.
129. DEER IN SOUTHERN ONTARIO In 1951 the question of a deer season in Southern Ontario was left to the discretion of the Department. An open season was established when a news announcement of intention produced no reaction but it was withdrawn over most of the area when municipal opposition developed. In 1952, the	Department of Lands and Forests.		

Department was asked to contact municipalities in advance and though some were favourable not enough agreement could be obtained to open the season. The deer in this area continue to increase, and as the matter may become serious, in time something will have to be done.

130. MOOSE

The moose inventory now shows enough moose over a very large area to support hunting by non-residents and residents, and nothing will be gained by continuing restrictions. The Department would suggest a short season during open water for both residents and non-residents, and a second open period after freeze-up for residents only.

The Committee will recall the discussion on cow moose last year in which it approved an experimental season on any moose in a selected large area. This could not be done without amendment to legislation which is now available. The experiment can be made this year. It is interesting to note that in Sweden where cows are shot, they harvested last fall nearly 23,000 moose and yet the sportsmen's congress agreed that the moose population was still too large.

It is agreed that non-resident moose hunters should be directed into hinterland areas but satisfactory measures for this have not yet been worked out.

and Forests.
