3 O'CLOCK P.M.

And the House having met,

The Honourable the Lieutenant-Governor then entered the House and, being seated on the Throne, was pleased to open the Session by the following gracious speech:

*Mr. Speaker and Members of the Legislative Assembly of Ontario:*

It gives me much pleasure to welcome you today as you take up your duties at this Fourth Session of the Twenty-fifth Legislature.

Since last Session, our country has been honoured by a visit from Her Gracious Majesty Queen Elizabeth II and His Royal Highness, The Prince Philip. This visit has cemented more closely in our hearts the special ties that bind us to our Sovereign who is both the Queen of Canada and the head of the Commonwealth.

At this Session, consideration will be given to matters of great importance. This year has its problems and challenges as well as its opportunities. Adjustments have occurred in some lines of activity, involving considerable unemploy-

ment. Nevertheless, the past year has been one of impressive achievement. Despite economic adjustments, more people were employed and more goods were produced and purchased last year than ever before in our history. Private and public investment reached a level nearly three times as great as ten years ago. In many branches of industry new records of production were established.

Although the rise in unemployment does not warrant complacency, there are many strong elements in our economy. The capital expenditures of our provincial and municipal governments will be appreciably higher this year than a year ago, reaching an unprecedented level. Capital investment in residential housing and in the service industries will also increase. Ontario Hydro, the Ontario Water Resources Commission, and the other service sectors of our economy that are engaged in reinforcing our power and energy resources and our water, sewage and transportation facilities are projecting even greater programs in the future. Two new electric power plants will be erected on the Mississagi and Abitibi Rivers. These times require the confidence and determination of all of us to take advantage and make the best of Canadian opportunities. In this regard, too, the relaxation of credit restrictions will assist both private and public investment, while our rapid population growth will continue to give impetus to consumer spending. With the knowledge that comes from the opportunities before us, we can face the future confident that we shall be able to meet the problems of dislocation as they arise. Our goal is the maintenance of high and stable levels of employment and income. We can best achieve it by the co-operation of all levels of government with business, industry and labour.

In times of peace, the provinces and their municipalities form the right arm of development. That has been our historic pattern. It is therefore a source of gratification to us that in recent months there has been a trend in Federal-Provincial relations favourable to the provinces. It will be recalled that at the Conference on fiscal arrangements in 1955-56 there was little understanding or tangible recognition given to the problems of the provinces. In the light of Ontario's rapid industrial and population growth, the arrangements that emerged were unrealistic and unjust to our people. On November 25th last, the Government of Canada convened a new Conference from which, although only the preliminary meeting has been held, much has been achieved.

The Federal attitude of refusing to contribute to the cost of relief for any case load below .45 per cent of the population has been reversed. Because of the insertion of this "threshold", Ontario had refrained from signing an agreement. Happily, this provision has now been removed and Ontario has entered into an agreement which eliminates the arbitrary and invidious distinction between unemployables and employables. A further advantage of the new arrangement is that the Province has reduced the municipal share of relief costs from 40 per cent to 20 per cent.

Another achievement of the Conference to date concerns hospital insurance. The totally unrealistic condition requiring the participation of six provinces before the plan came into effect has been eliminated. Thus, one of the most notable advances in human betterment in all of our history has become a certainty. The Ontario hospital insurance program will come into operation on January 1st, 1959. This great plan will offer advantages to our people in every walk of life. Everyone in Ontario who subscribes to it, irrespective of age,

pre-existing or existing condition of health, disability or occupation, may join the plan and share its benefits. It will provide protection for short-stay illnesses in hospital as well as prolonged illnesses and its coverage will be available to patients in mental hospitals and tuberculosis sanatoria.

Another notable advance in the field of hospital service is the greatly increased schedule of capital grants to hospitals. The upward revision in both the Federal and Ontario grants will stimulate the construction of all classes of hospitals, make it easier to meet the requirements of the Ontario hospital insurance program and open up new employment opportunities.

The Federal Government has also taken a very important step in recognizing the Province's need for additional revenue. The provincial share of personal income tax has been raised from 10 to 13 per cent as an interim measure until the Federal-Provincial Conference has another opportunity of assessing the fundamental problems of provincial and municipal requirements. It augurs well for the success of this important Conference that so much has been accomplished in so short a time.

Legislation will be submitted to you giving effect to the matters to which I have referred.

The past year has been an important one in the development of orderly farm marketing. This year there will again be improvements. The success of marketing plans will contribute greatly to extending a measure of social justice to our agricultural people. Measures will be introduced to strengthen the activities which are being carried on for the benefit of the farmers of this Province. Extension services will be broadened. The agricultural and veterinary colleges will be expanded to facilitate more teaching and research work. Other legislation will enhance the professional status of veterinarians and the graduates of our agricultural colleges. There will be enactments to provide greater security for our producers who have grains and seeds stored in elevators. Among other measures to be presented will be an extension of the powers of the Milk Industry Board, enabling it to arbitrate in matters relating to cheese or milk manufactured into concentrated milk products.

During the past year, the program of extending electric power in the rural areas of Ontario was carried forward vigorously. To facilitate greater progress, Ontario Hydro has this year assumed the cost of extending an electric power line to any soundly established farm for two-thirds of a mile against the former maximum of one-third of a mile. A large number of farmers will benefit from this revision.

In furtherance of the notable advances in our Province in the matter of human rights, a program of publicity and education designed to aid in overcoming discrimination will be undertaken. Legislation will be introduced to set up a Commission to integrate the administration of the several Acts now in force and to carry out a program of education. Amendments will be made to The Workmen's Compensation Act to broaden its application.

Health and welfare services will be expanded to keep pace with the needs of our growing society. The demands for increased mental hospital accommodation and full-time health services are being met by accelerated construction and the training of qualified personnel. The construction program for mental hospitals is a very large one. A new hospital was recently opened in North Bay. New hospitals are planned for Kent and Huron counties. In addition, large extensions are currently under way at twelve existing hospitals, and work on several others will be started immediately. To keep our Province in the forefront of medical advances, new techniques and modern methods will be introduced for the treatment of the mentally ill. You will be asked to approve funds for this large program. Changes, too, will be sought in a number of Acts relating to the betterment of the health of our people. These will include new legislation to enable additional safeguards to be taken against air pollution.

Since the last Session, and coincidental with the increase of old age pensions to \$55 per month, like increases have been made in old age assistance, disability pension allowances and blind persons' allowances. You will be asked to vote funds to provide for these increased benefits, and also for a betterment in mothers' allowances and unemployment relief. A new Act—The General Welfare Assistance Act—will be introduced to replace and modernize The Unemployment Relief Act.

Amendments to The Charitable Institutions Act and The Homes for the Aged Act will increase the Province's share of the cost of these services, thus easing municipal financial burdens as well as assisting the worthy charitable organizations engaged in this work. In the case of the charitable institutions, the Province's contribution will be raised to 75 per cent. You will also be asked to provide for a new system of homemakers' and nursing services that will help to preserve normal family life and reduce hospital and institutional care requirements and costs.

Significant and far-reaching reforms will be made to our school grant system. Some will benefit higher education. In this year, 1958, we shall witness the institution of measures never before attempted in this Province. This is the second year—and a most important one—in the three-year plan commenced last Session. Education is at once our greatest problem and our greatest opportunity. One of the outstanding turning points in education occurred in 1945 with the vastly increased grants of that year. Since then many improvements have been made. In the last thirteen years, grants have been increased twelve-fold. This year you will be asked to consider a further increase that will be much the largest in our history. Based on a new approach aimed at providing more equitable distribution, a formula has been devised that includes provincially equalized assessment, pupil attendance and a growth-need factor for all of our schools—rural and urban. The problem of education is now a matter of concern for the western world. Fortunately this was recognized in Ontario nearly fifteen years ago, with the result that, from our elementary schools through to our universities—which have grown from three to eight in that period—Ontario has kept ahead in education.

To assist students through university the amount being made available for bursaries will be increased and in addition a new system of students' aid loans will be initiated.

It is by such improvements to education that our social and economic progress is furthered.

Increased grants for education, of course, decrease the burden on the municipal taxpayers. But, in addition, other steps will be taken and services introduced of benefit to the municipalities. The Assessment Branch of the Department of Municipal Affairs is opening eight regional offices. Numerous amendments to The Municipal Act, The Assessment Act and other Acts will be introduced in order to accelerate progress and ensure the strengthening of local authority.

Ontario's highways and public works construction program was higher in 1957 for the third successive year, and 1958 will be no exception. At this Session you will be asked to approve a record volume of work, designed both to meet the needs of our fast-growing Province and to stimulate business and employment. Similarly, a program to bolster the construction of housing and conservation projects will be recommended for your approval.

The Department of Transport together with the Department of the Attorney-General have initiated major steps to improve Ontario's traffic situation. Legislation will be submitted on a wide variety of subjects dealing with the administration of justice. One of the amendments will permit the appointment, without restriction, of any person as a third member of a Police Commission.

Amendments to several Acts for the development, conservation and protection of our natural heritage of forests and mines will be introduced. A program of forest and access road development will be submitted which will not only improve our forest protection services but promote forest and mining production. The Department of Mines, in conjunction with other Departments, is conducting a complete re-examination of the problem of silicosis.

Further immediate expansion in the Province's growing parks system will be carried out. Among the projects to which close attention is being given is the St. Lawrence parks system which will be extended into Frontenac and Addington counties and, embracing the fine Fort Henry project, will stretch from the Quebec boundary to the Bay of Quinte.

A number of significant matters will be submitted to the Committees of the House for detailed study.

In addition to the new legislation previously mentioned, amendments will be introduced to the following Acts: The Vital Statistics Act, The Brucellosis Act, The Corporations Act, The Corporations Information Act, The Child Welfare Act, The Mental Hospitals Act, The Public Health Act, The Department of Education Act, The Public Schools Act, The Highway Traffic Act, The Insurance Act, The Mechanics Lien Act, The Mining Act, The Mining Tax Act, The Power Commission Act, The Liquor Licence Act and The Liquor Control Act. In addition, a complete revision of The Surveys Act will be introduced.

The welfare of the Province's Civil Service has made favourable progress. A revision in salary rates which has not only improved the position of individual

members of the Service but raised the general standing of the Provincial Service itself, has been undertaken. The membership of the Commission has been extended to include a woman.

The Public Accounts for the fiscal year ending March 31, 1957, as well as the Treasurer's Budget Statement will be presented. The latter will contain a review of the financial policies for this fiscal year and the contemplated program of expenditures and revenues for the fiscal year beginning next April 1st. It will also provide a report in detail of the outstanding progress made this year in Federal-Provincial relations. The importance of this subject and of the submissions made by your Province at the three Conferences, including the one at present in progress, cannot be over-emphasized. Ontario is, and will be, confronted with the problems arising from growth and development to which progressive taxes are directly related. Ontario has stressed, and will continue to stress, at Federal-Provincial meetings the need for a just sharing of these tax fields.

May Divine Providence guide your deliberations.

His Honour was then pleased to retire.

PRAYERS

3.40 O'CLOCK P.M.

Mr. Speaker then reported,

That, to prevent mistakes, he had obtained a copy of His Honour's Speech, which he read.

---

The following Bill was introduced, read the first time, and ordered to be read the second time to-morrow:—

Bill No. 45, An Act to amend The Hospital Services Commission Act, 1957.  
*Mr. Phillips.*

---

On motion by Mr. Frost, seconded by Mr. Dunbar,

*Ordered,* That the Speech of the Honourable the Lieutenant-Governor to this House be taken into consideration to-morrow.

---

Mr. Speaker informed the House,

That he had received during the recess of the House notification of vacancies which had occurred in the Membership of the House by reason of the deaths of Fletcher S. Thomas, Member for the Electoral District of Elgin, and Thomas Pryde, Member for the Electoral District of Huron, and by reason of the resignations of George H. Doucett, Member for the Electoral District of Lanark, Osie F. Villeneuve, Member for the Electoral District of Glengarry, Philip T. Kelly, Member for the Electoral District of Cochrane North, and Dana Porter, Member for the Electoral District of St. George.

The Prime Minister expressed the sorrow of the House on the deaths of Mr. Thomas and Mr. Pryde.

The Prime Minister also expressed the gratitude of the House and of Ontario to the Honourable Louis O. Breithaupt, the former Lieutenant-Governor, and to Mrs. Breithaupt for their outstanding service to the Province. He paid tribute to the line of distinguished Lieutenant-Governors of past years.

He also made mention of the new Members' chairs in the Legislative Chamber replacing chairs that had been in service for a great number of years.

He directed the attention of the House to the presence on the Clerk's table of the first Mace of the Province of Upper Canada. He mentioned that it was captured by the Forces of the United States in the War of 1812 and was returned to the Parliament of Ontario by the President, Franklin D. Roosevelt, during his term of office.

The Prime Minister was joined in his remarks by Mr. Oliver, Leader of Her Majesty's Loyal Opposition, and Mr. MacDonald.

---

The House then adjourned at 4.05 p.m.

TUESDAY, FEBRUARY 4TH, 1958

PRAYERS

3 O'CLOCK P.M.

The Clerk read the following communications relative to the vacancies announced by Mr. Speaker yesterday, Monday, February 3rd:

Maxville, Ontario,  
May 25th, 1957.

The Honourable A. W. Downer,  
Speaker of The Legislative Assembly of the  
Province of Ontario.

Dear Sir:

I, Osie F. Villeneuve, hereby tender my resignation as a Member of the Legislative Assembly of the Province of Ontario for the Electoral District of Glengarry.

Yours very truly,  
(Signed) OSIE F. VILLENEUVE.

Witnesses:

(Signed) D. P. DUPUIS  
J. D. MACRAE

Box 485,  
Carleton Place, Ontario,  
August 14th, 1957.

To the Honourable The Speaker of the  
Legislative Assembly of Ontario,  
Parliament Buildings, Toronto.

Dear Mr. Speaker:

Conforming to procedure laid down in the Legislative Assembly Act of the Province of Ontario and in amendments to that measure made subsequent to its original enactment, I have the honour, Sir, to submit herewith my resignation as Member for the Provincial Riding of Lanark County to which I was first elected in 1937, and have since served continuously. This declaration was written in the presence of two Subscribing Witnesses whose signatures appear below with my own. I am attaching a letter giving the reason for my resignation which I hope you may see fit to file with this Declaration as a matter of record.

Permit me, Sir, in conclusion to express deep appreciation for many courtesies shown to me in the course of your high office's duties and in your private capacity. Believe me,

Yours faithfully,

(Signed) GEORGE H. DOUCETT.

Witnesses:

(Signed) D. A. SWITZER  
J. A. JOHNSTON, M.D.

Box 485,  
Carleton Place, Ontario,  
August 14th, 1957.

The Honourable and Reverend A. W. Downer, M.P.P.,  
Speaker of the Legislative Assembly of Ontario,  
Parliament Buildings, Toronto.

Dear Mr. Downer:

I feel that my formal resignation as Member of the Legislative Assembly of Ontario for the Provincial Riding of Lanark County should be accompanied by a few words of explanation to its Presiding Officer. I will greatly appreciate its being made, as you see fit, a part of the record.

My reason for resigning my seat in the Assembly is that I intend to seek nomination by the Progressive-Conservative Association of Lanark County to contest the Federal bye-election which is scheduled to be held on Monday, September 9th, 1957. This special poll was necessitated by the sudden death of Dr. W. G. Blair, M.P., of Perth, Ontario, a few days after he had been re-elected on June 10th of this year.

My decision was influenced by the advice of Lanark Riding Association leaders and encouragement given to me by many of my personal friends in the Constituency. However, I felt that I should not go before the Convention as one seeking a new honour at their hands while retaining the one which they had enabled me to win in various Provincial elections held since I first contested the Riding in 1937.

During my twenty years as a Member of the Legislative Assembly, I was given many special opportunities of association with Honourable Members serving with me under various Provincial Governments. I cherish the friendships formed and am proud to acknowledge able counsel given by so many which helped me in carrying out my own tasks. No matter their alignment in the assembly, I felt it an honour to be associated with men striving so earnestly for the best good of this great Province and all its people. I am also greatly indebted to colleagues of various governments in which I had the privilege of serving in the capacity of a Minister.

Further, I wish to acknowledge my personal obligation to the officials and members of Ontario's efficient and devoted Public Service.

I am, of course, deeply sensitive of the fact that all I did or endeavoured to do as a member of the Legislative Assembly of Ontario was due to the confidence given me by the people of Lanark County Riding, which is my home. Serving them and the people of Ontario in general, in any effective measure, is an honour for which I am deeply and humbly grateful. Believe me,

Yours faithfully,  
(Signed) GEORGE H. DOUCETT.

Toronto, January 22nd, 1958.

The Honourable The Speaker of the  
Legislative Assembly of the  
Province of Ontario,  
Parliament Buildings, Toronto, Ontario.

Dear Mr. Speaker:

I hereby submit my resignation as the Member of the Legislative Assembly of Ontario for the Electoral District of Cochrane North.

It is with regret that I take this step, but I feel that it is my proper course at this time as I intend to stand for the Progressive Conservative Nomination Convention for the Parliament of Canada, which Convention takes place one month from to-day.

May I express to you, Sir, my appreciation for your kindness and many services to me during my Membership in the House.

Yours very truly,

On motion by Mr. Frost, seconded by Mr. Dunbar,

*Ordered*, That during the present Session of the Legislative Assembly provision be made for the taking and printing of reports of debates and speeches and to that end that Mr. Speaker be authorized to employ an editor of debates and speeches and the necessary stenographers at such rates of compensation as may be agreed to by him; also, that Mr. Speaker be authorized to arrange for the printing of the reports in the amount of twelve hundred copies daily, copies of such printed reports to be supplied to the Honourable the Lieutenant-Governor, to Mr. Speaker, to the Clerk of the Legislative Assembly, to the Legislative Library, to each Member of the Assembly, to the Reference Libraries of the Province, to the Press Gallery, to the newspapers of the Province as approved by Mr. Speaker, and the balance to be distributed by the Clerk of the Assembly as directed by Mr. Speaker.

In the course of the discussion of this motion Mr. Speaker made the following statement:—

“As the Members of the House are no doubt aware, the public address system installed in this Chamber last year includes an automatic record on tape of the proceedings in the House as picked up by the microphones.

Comparison of these tapes with the stenographic report of last year, and experiments conducted in the interval between Sessions, has clearly indicated that the transcription from the tape recordings is more accurate.

It is therefore my intention to have the reports of debates and speeches for this Session transcribed by the stenographers direct from the tape records. It is hoped that accuracy will be substantially increased and that the ever-rising cost of these reports will be reduced.

In order to ensure that the record will be as accurate as possible, it is my intention, when a debate is in progress, in giving the floor to each succeeding speaker to designate him orally. I ask you to remember that no Member's microphone is turned on until he is standing. Consequently if a Member begins to talk from his seat, as has sometimes been done, his words will not be recorded until his microphone has been turned on. Will the Members therefore please bear in mind that if they will wait until they have been granted the floor orally this difficulty will be obviated, and the accuracy of the report will be substantially assisted and improved."

---

On motion by Mr. Frost, seconded by Mr. Dunbar,

*Ordered*, That Standing Committees of this House for the present Session be appointed for the following purposes: 1. On Agriculture; 2. On Conservation; 3. On Education; 4. On Game and Fish; 5. On Government Commissions; 6. On Health; 7. On Highway Safety; 8. On Labour; 9. On Lands and Forests; 10. On Legal Bills; 11. On Mining; 12. On Municipal Law; 13. On Printing; 14. On Private Bills; 15. On Privileges and Elections; 16. On Public Accounts; 17. On Standing Orders; 18. On Travel and Publicity.

Which said Committees shall severally be empowered to examine and enquire into all such matters and things as shall be referred to them by the House, and to report from time to time their observations and opinions thereon, with power to send for persons, papers and records.

---

On motion by Mr. Frost, seconded by Mr. Dunbar,

*Ordered*, That a Select Committee of thirteen Members be appointed to prepare and report with all convenient despatch lists of the members to compose the Standing Committees ordered by the House, such Committee to be composed as follows:—

Messrs. Chaput, Child, Elliott, Fishleigh, Gordon, Johnston (Carleton), Jolley, MacDonald, Mackenzie, Morrow, Murdoch, Price and Sutton.

The quorum of the said Committee to consist of four members.

---

On motion by Mr. Frost, seconded by Mr. Oliver,

*Ordered*, That Mr. Allen, the Member for the Electoral District of Middlesex South, be appointed as Chairman of the Committee of the Whole House for the present Session.

---

On motion by Mr. Frost, the House resolved itself into a committee to enable Mr. Allen to express his thanks to the House for his election as Chairman of the Committee of the Whole House for the present Session.

---

Mr. Worton directed a question to the Minister of Reform Institutions with respect to the disarming of guards in Ontario Reformatories, and the Minister of Reform Institutions replied.

---

---

The Order of the Day for resuming the Adjourned Debate on the Motion for an Address in Reply to the Speech of the Honourable the Lieutenant-Governor at the opening of the Session, having been read,

The Debate was resumed, and, after some time,

Mr. Oliver moved, seconded by Mr. Nixon,

That the Motion for an Address in Reply to the Speech of the Honourable the Lieutenant-Governor now before the House be amended by adding thereto the following words:—

“But this House regrets the government has failed to:

1. Take any effective action to meet the rising unemployment in Ontario.
2. Correct the ever-worsening condition of our agricultural industry.”

And the debate having continued, after some time it was, on motion by Mr. MacDonald,

*Ordered*, That the Debate be adjourned.

---

The Provincial Secretary presented to the House, by command of the Honourable the Lieutenant-Governor:—

## NOTICE OF MOTION

2. *Mr. Thomas*—Resolution—That in view of the statement of the Prime Minister, expressing personal approval of compulsory automobile insurance, this House is of the opinion that the Government should consider the proposal of any such compulsory coverage being provided at cost through a government-sponsored automobile insurance plan.

## EIGHTH DAY

WEDNESDAY, FEBRUARY 12TH, 1958

PRAYERS

3 O'CLOCK P.M.

The following Petitions were severally brought up and laid on the Table:—

By Mr. Macaulay, the Petition of the Executors and Trustees of the Melville Ross Gooderham Estate, the Kathleen Isabel Drope Trust and the Charlotte Ross Grant Trust.

By Mr. Jolley, the Petition of the Corporation of the City of Niagara Falls.

Mr. Fishleigh from the Standing Committee on Education presented the Committee's First Report which was read as follows and adopted:—

Your Committee begs to report the following Bills without amendment:—

Bill No. 47, An Act to amend The Ontario School Trustees' Council Act, 1953.

Bill No. 48, An Act to amend The Department of Education Act, 1954.

The following Bills were introduced, read the first time, and ordered to be read the second time to-morrow:—

Bill No. 84, An Act to repeal The Town Sites Act. *Mr. Mapledoram.*

Bill No. 85, An Act to amend The Public Lands Act. *Mr. Mapledoram.*

The Order of the Day for resuming the Adjourned Debate on the Amendment to the Motion for an Address in Reply to the Speech of the Honourable the Lieutenant-Governor at the opening of the Session, having been read,

The Debate was resumed and, after some time,

Mr. MacDonald moved, seconded by Mr. Gisborn,

That the Amendment to the Motion for an Address in Reply to the Speech of the Honourable the Lieutenant-Governor now before the House be amended by adding to Section 1 and 2, so that the sub-amendment will read as follows:

“That this House regrets the Government has failed to:

1. Take any effective action to meet the rising unemployment in Ontario,
  - (a) through developing presently-owned properties, and acquiring more land, for a greatly expanded low-cost housing program, so that not only work will be provided, but inflated land values will be checked and the cost of homes brought within the reach of a majority of our families;
2. Correct the ever-worsening condition of our agricultural industry,
  - (a) by actions, as well as words, in co-operating closely with all commodity groups to build effective marketing machinery; and
  - (b) by dispelling the uncertainty concerning the Hog Marketing Plan with an immediate announcement of postponement of the vote until at least one year after the plan has been in full operation”.

Mr. Oliver on a point of order submitted to Mr. Speaker that the amendment to the amendment as moved by Mr. MacDonald was out of order in that it sought to incorporate the original amendment within its limits rather than by adding a self-contained amendment thereto, and asked for Mr. Speaker's ruling.

After some time on the suggestion of the Prime Minister Mr. Speaker reserved his ruling on Mr. Oliver's objection until to-morrow.

On motion by Mr. Macaulay,

*Ordered*, That the debate be adjourned.

---

The Provincial Secretary presented to the House, by command of the Honourable the Lieutenant-Governor:—

Report of the Commissioner of Agricultural Loans for the fiscal year ended March 31, 1957. (*Sessional Paper No. 23.*)

## NINTH DAY

THURSDAY, FEBRUARY 13TH, 1958

PRAYERS

3 O'CLOCK P.M.

The following Petitions were read and received:—

Of the Executors and Trustees of the Melville Ross Gooderham Estate, the Kathleen Isabel Drope Trust and the Charlotte Ross Grant Trust praying that an Act may pass permitting the Petitioners to sell 68,000 shares in the capital stock of The Manufacturers Life Insurance Company to the said Company.

Of the Corporation of the City of Niagara Falls praying that an Act may pass authorizing a pension plan for employees of the Corporation, Boards thereof, and their families; and for other purposes.

The following Bills were severally introduced, read the first time and referred to the Committee on Private Bills:—

Bill No. 5, An Act respecting the Stratford Shakespearean Festival Foundation of Canada. *Mr. Edwards.*

Bill No. 6, An Act respecting the Township of Grantham. *Mr. Jolley.*

Bill No. 8, An Act respecting the Township of London. *Mr. Stewart* (Middlesex North).

The following Bills were introduced, read the first time, and ordered to be read the second time to-morrow:—

Bill No. 86, An Act to amend The Investigation of Titles Act. *Mr. Roberts.*

Bill No. 87, An Act to amend The Insurance Act. *Mr. Roberts.*

Before the Orders of the Day Mr. Speaker delivered the following ruling:—

“On Tuesday last, February 11th, Mr. Oliver, seconded by Mr. Nixon, moved an amendment to the Motion for an Address in Reply to the Speech of the Honourable the Lieutenant-Governor at the Opening of the Session.

Yesterday, Wednesday, February 12th, Mr. MacDonald, seconded by Mr. Gisborn, moved an amendment to Mr. Oliver’s amendment.

Mr. Oliver asked for a ruling on the legality of Mr. MacDonald’s sub-amendment. At that time I reserved my ruling until to-day.

After consulting the authorities, my decision is as follows:

I recall to the Members the fact that the most common form of the amendment to the amendment begins:—

“That the Amendment to the Motion for an Address in Reply to the Speech of the Honourable the Lieutenant-Governor now before the House be amended as follows:”

This clearly indicates that the sub-amendment is most usually not an independent amendment to the main motion but, in fact, seeks to make some alteration in the first proposed amendment.

Moreover May’s Parliamentary Practice, Fifteenth Edition, at page 400 and following, makes it clear that an amendment may be to add *or insert* words, and Lewis’ Parliamentary Procedure in Ontario indicates that new sections may be inserted in this manner to the original question. That is, of course, the effect of Mr. MacDonald’s amendment.

However, Mr. Oliver’s objection was based on the fact that his original amendment was incorporated in toto into Mr. MacDonald’s sub-amendment. I feel that this incorporation is not only unusual but unnecessary.

Mr. MacDonald’s sub-amendment can be effected and Mr. Oliver’s objection recognized by redrafting the sub-amendment as follows:—

Mr. MacDonald moves, seconded by Mr. Gisborn,

That the Amendment to the Motion for an Address in Reply to the Speech of the Honourable the Lieutenant-Governor now before the House be amended by adding thereto the following:—

To Clause 1, the following:—

- (a) through developing presently-owned properties, and acquiring more land, for a greatly expanded low-cost housing program, so that not only work will be provided, but inflated land values will be checked and the cost of homes brought within the reach of a majority of our families;

To Clause 2, the following:—

- (a) by actions, as well as words, in co-operating closely with all commodity groups to build effective marketing machinery; and
- (b) by dispelling the uncertainty concerning the Hog Marketing Plan with an immediate announcement of postponement of the vote until at least one year after the plan has been in full operation.

I am of the opinion that this redraft will make it clear that a Member who prefers Mr. Oliver's original proposal, without the additions proposed by Mr. MacDonald, is free to indicate that preference by voting against the sub-amendment and for Mr. Oliver's amendment, and of course the converse holds equally true, nor can such action, I suggest, be considered inconsistent."

The Order of the Day for resuming the Adjourned Debate on the Amendment to the Amendment to the Motion for an Address in Reply to the Speech of the Honourable the Lieutenant-Governor at the opening of the Session, having been read,

The Debate was resumed, and after some time, it was, on motion by Mr. Wren,

*Ordered*, That the Debate be adjourned.

---

The Provincial Secretary presented to the House, by command of the Honourable the Lieutenant-Governor:—

Third Annual Report of the Ontario Telephone Authority of the Province of Ontario for the year ending December 31st, 1956. (*Sessional Paper No. 52.*)

## TWENTY-FIRST DAY

MONDAY, MARCH 3RD, 1958

PRAYERS

3 O'CLOCK P.M.

Mr. Speaker informed the House,

That a vacancy had occurred in the Membership of the House by reason of the resignation of Stanley Joseph Hunt, Member for the Electoral District of Renfrew North.

Toronto, March 1st, 1958.

The Honourable A. W. Downer,  
Speaker of The Legislative Assembly of the  
Province of Ontario.

Mr. Speaker:

I beg to tender my resignation as a Member of the Legislative Assembly of Ontario effective to-day.

It is with sincere regret that I take this step being mindful of the very pleasant association I have enjoyed with Members on both sides of the House during the years that I have sat as a Member. However, this action has now become necessary in view of my acceptance of the Progressive Conservative nomination for the Federal General Election of March 31st for the Electoral District of Renfrew North.

May I take this opportunity of thanking you for your many kindnesses to me throughout my term as a Member of the Legislature.

Yours very truly,

(Signed) S. J. HUNT.

Mr. Speaker informed the House that the Clerk had received from the Commissioners of Estate Bills their report in the following case:—

Bill No. 29, An Act respecting the Estate of Melville Ross Gooderham, the Kathleen Isabel Drope Trust and the Charlotte Ross Grant Trust.

THE SUPREME COURT OF ONTARIO (CREST) Osgoode Hall, Toronto 1.  
February 28th, 1958.

THE HONOURABLE THE CHIEF JUSTICE OF ONTARIO  
THE HONOURABLE MR. JUSTICE SCHROEDER.

Roderick Lewis, Esq., Q.C.,  
Clerk of the Legislative Assembly,  
Parliament Buildings,  
Toronto, Ontario.

Re: Private Bill No. 29, An Act respecting the Estate of Melville Ross Gooderham, the Kathleen Isabel Drope Trust and the Charlotte Ross Grant Trust.

Dear Sir:

The undersigned Commissioners of Estate Bills, as provided by The Legislative Assembly Act, R.S.O. 1950, Chapter 202, Section 57, having had the said Bill referred to us as such Commissioners, now beg to report thereon.

We have heard counsel for the petitioners and the Official Guardian on behalf of infant beneficiaries. We have also been presented with consents signed by the adult beneficiaries under the will and the trusts, and the Official Guardian did not object to the passing of the Bill.

We are of the opinion that the provisions of the said Bill are proper for carrying its purpose into effect, and that it is reasonable that such Bill be passed into law.

The Bill duly signed by the Commissioners and the Petition for the same are accordingly returned herewith.

Yours faithfully,

(Signed) DANA PORTER, C.J.O.  
WALTER F. SCHROEDER, J.A.  
Commissioners of Estate Bills.

PRAYERS

3 O'CLOCK P.M.

Mr. Speaker informed the House that the Clerk had received from the Commissioners of Estate Bills their report in the following case:—

Bill No. 3, An Act respecting St. Peter's Church, Brockville.

THE SUPREME COURT OF ONTARIO (CREST) Osgoode Hall, Toronto 1,  
March 6th, 1958.

THE HONOURABLE MR. JUSTICE LABEL  
THE HONOURABLE MR. JUSTICE MCGILLIVRAY.

Roderick Lewis, Esq., Q.C.,  
Clerk of the Legislative Assembly,  
Parliament Buildings,  
Toronto, Ontario.

Re: Private Bill No. 3, An Act respecting St. Peter's Church,  
Brockville.

Dear Sir:

The undersigned, as Commissioners of Estate Bills as provided by The Legislative Assembly Act, R.S.O. 1950, Chapter 202, Section 57, having had the said Bill referred to us as such Commissioners, now beg to report thereon.

It appears from the petition filed herein and from the information disclosed on the hearing before us, that an alteration is necessary to clarify certain words in the recital of the Bill; and that an amendment to paragraph 4 of the Bill is necessary to assure that trust funds arising from the sale of the lands in question will be applied for the same purposes and for the benefit of the same persons as directed by the original deed of the said lands.

Your Commissioners accordingly recommend as follows:

1. That immediately following the word "rectory" in line 13 of the preamble to the said Bill, there be inserted the following words: "situated on the said lands" so that the preamble, as amended, will read as follows:

WHEREAS the rector and wardens of St. Peter's Church, Brockville, by their petition have represented that, under and by virtue of a deed bearing date the 6th day of September, 1852, from Mary Elizabeth Jones, the lands and premises referred to in section 1 were vested in The Right Reverend John, Lord Bishop of Toronto, in trust, to hold the same forever to and for the benefit of the rector for the time being of St. Peter's Church, Brockville; that by section 4 of An Act incorporating the Synod of the Diocese of Ontario, being chapter 86 of the Statutes of the Province of Canada, 1862, the subject lands became vested in The Incorporated Synod of the Diocese of Ontario; that it is onerous and impractical to maintain and keep the rectory situated on the said lands; and that it is desirable that the Vestry of St. Peter's Church, Brockville, be enabled to sell such lands and premises with the consent of the Bishop of Ontario and the Executive Committee of The Incorporated Synod of the Diocese of Ontario; and whereas the petitioners have prayed for special legislation to authorize the sale of such lands and premises; and whereas the Vestry of St. Peter's Church, Brockville, the Bishop of Ontario and the Executive Committee of The Incorporated Synod of the Diocese of Ontario have consented to this petition; and whereas it is expedient to grant the prayer of the petition;

2. That paragraph 4 be amended by striking out in the last line the words "for St. Peter's Church, Brockville" and inserting in place thereof the words "for the benefit of the rector for the time being of St. Peter's Church, Brockville, with the right to use such proceeds, or any portion thereof, to provide a rectory for the said Church".

Paragraph 4, as amended, will read as follows:

After payment of the expenses of obtaining this Act and of all proper and reasonable costs, charges and expenses of effecting and carrying out such sale or sales, The Incorporated Synod of the Diocese of Ontario shall hold the net proceeds thereof in trust for the benefit of the rector for the time being of St. Peter's Church, Brockville, with the right to use such proceeds, or any portion thereof, to provide a rectory for the said Church.

We are of the opinion that the provisions of the Bill, as above amended, are proper for carrying its purposes into effect, and it is reasonable that the said Bill, as above amended, do pass into law.

The Bill, duly signed by the Commissioners, and the Petition therefor, are accordingly returned herewith.

We have the honour to be, Sir,

Your obedient servants,

(Signed) A. M. LEBEL, J.A.

(Signed) G. A. MCGILLIVRAY, J.A.,  
Commissioners of Estate Bills.

*Ordered*, That the Bill, together with the report of the Commissioners of Estate Bills thereon, be referred to the Standing Committee on Private Bills.

---

The following Bill was introduced, read the first time, and ordered to be read the second time to-morrow:—

Bill No. 144, The Manitoba-Ontario Lake St. Joseph Diversion Agreement Authorization Act, 1958. *Mr. Connell*.

---

Before the Orders of the Day the Prime Minister read to the House the telegram of congratulation that he had sent on behalf of the Province to the Whitby Dunlops upon their winning the Hockey Championship at Oslo, Norway. He was joined in his remarks by Mr. Oliver, Leader of Her Majesty's Loyal Opposition, Mr. Thomas, Member for Oshawa, and the Honourable Mr. Dymond, Member for Ontario.

Also before the Orders of the Day the Prime Minister informed the House of the death of Mrs. Charles E. Janes, wife of the Member for Lambton East, and expressed the sorrow of the House.

---

The House, according to Order, resolved itself into the Committee of Supply.

*(In the Committee)*

*Resolved*, That there be granted to Her Majesty, for the services of the fiscal year ending March 31st, 1959, the following sum:—

The Prime Minister Tabled Answers to Questions as follows:—

2. *Mr. Wintermeyer*—Enquiry of the Ministry—(1) How many active treatment general hospital beds were added to Ontario's hospital accommodation in 1956 and 1957. (2) How much did the Department of Health pay in grants for construction of new hospital accommodation in 1956 and 1957. (3) How many general hospital beds are expected to be added to Ontario's facilities in 1958. (4) What was the total cost of constructing new general hospital accommodation in Ontario in 1956 and 1957.

Answer by the Minister of Health:—

(1) 1956—1,317; 1957—609.

(2) 1955-56—\$5,268,687.16; 1956-57—\$3,837,098.33.

(3) 1,660.

(4) Figures are not available showing amounts spent on hospital construction by years. Construction projects sometimes extend over two or three years, depending on the size of the new building and the amount of alterations necessary in the existing building as the result of relocation of various services.

An audit of the cost is made on completion of construction. Projects audited in 1956 had a total cost of \$25,000,000.00 and in 1957, \$27,000,000.00.

4. *Mr. Innes*—Enquiry of the Ministry—For each of the years 1955, 1956 and 1957: (1) How much money has the provincial government spent on access roads. (2) How many miles of access roads have been constructed.

Answer by the Ministry:—

(1) 1955—\$437,717.65; 1956—\$1,391,943.54; 1957—\$1,528,547.57.

(2) 1955—86.3 miles\*  
1956—52.25  
1957—84.5

\*Mileage shown represents roads *completed* in each of the years. A number of the roads were of course commenced in one year and finished in another.

—oOo—

15. *Mr. Wren*—Enquiry of the Ministry—1. What is the total amount paid to the Canadian Comstock Company for its share of the Frequency Conversion programme. 2. Have the volume purchase rebates received by Canadian Comstock on purchases of material used on the Frequency Conversion programme been returned to the Hydro-Electric Power Commission of Ontario. If yes, what is the amount and where is it reflected in the Commission's annual

financial report. If the volume purchase rebates received by Canadian Comstock have not been returned to the Hydro Commission, is it intended that they will be returned to Hydro in order to reduce the overall cost of the Frequency Conversion programme to the people of Ontario.

Answer by the Honourable Mr. Connell:—

1. The total amount paid to the Canadian Comstock Company to December 31, 1957, was \$89,740,704.00.
2. Under the terms of its contract with the Canadian Comstock Company the Commission furnishes "all the material and equipment necessary for the completion of the work which can be purchased or obtained in quantity or bulk". The Commission, therefore, makes all the major purchases for the frequency standardization programme and receives the discounts directly therefrom. All accounts of the Company are settled by the Commission on the basis of the net amount of the account.

16. *Mr. Wintermeyer*—Enquiry of the Ministry—What is the policy of the Liquor Licence Board and the Liquor Control Board in respect to the employment of veterans.

Answer by the Ministry:—

Having due regard to the nature of the position to be filled and providing the qualifications of applicants are equal, it is the policy of both Boards to give preference to Veterans.

What amount has been lost through uncollectible loans.

Answer by the Minister of Agriculture:—

1. Yes.
2. 1904—\$13,200.00.
3. \$39,067.75.
4. Yes—on amounts over \$50.00.
5. If not paid at maturity, interest at 6% per annum is charged on the overdue balance.
6. \$1,800.00.

—oOo—

30. *Mr. Nixon*—Enquiry of the Ministry—How much has the Hydro conversion project cost to date. What is the estimated total cost. How much of the project has been completed to date. When is the estimated time of completion.

Answer by the Honourable Mr. Connell:

1. The total cost to the Commission of all frequency standardization work done up to December 31, 1957, is \$314,562,252.
2. It is expected that the ultimate cost to the Commission of the frequency standardization program will be less than the \$400,000,000 estimate announced some years ago.

## THIRTY-SIXTH DAY

MONDAY, MARCH 24TH, 1958

PRAYERS

2 O'CLOCK P.M.

Mr. Johnston, Parry Sound, from the Standing Committee on Mining, presented the Committee's Second Report which was read as follows and adopted:—

Your Committee begs to report the following Bill without amendment:—

Bill No. 182, The Pipe Lines Act, 1958.

Although Bill No. 178, An Act to amend The Ontario Fuel Board Act, 1954, has not been read a second time, nor referred to the Committee, it was, nevertheless, considered by the Committee and approved in principle without amendment.

Mr. Lewis presented the Report of the Standing Committee on Government Commissions, as follows:—

The Committee advises that it has considered the matters set out on pages 17 and 18 of the report of the Provincial Auditor for the fiscal year ending March 31, 1957, together with the statement of the Prime Minister relating thereto, delivered in this House on February 10th, 1958.

It recommends that the various boards and commissions under the jurisdiction of this government be allocated in future to the various standing committees of this House for study, on the basis of subject matter. The suggested allocation is as follows:

A. *Standing Committee on Agriculture:*

1. Ontario Food Terminal Board
2. Ontario Stock Yards Board
3. The Ontario Junior Farmer Establishment Loan Corporation
4. Ontario Telephone Authority
5. The Ontario Telephone Development Corporation

B. *Standing Committee on Conservation:*

1. The Ontario-St. Lawrence Development Commission
2. The Niagara Parks Commission
3. Ontario Parks Integration Board

C. *Standing Committee on Health:*

1. Hospital Services Commission of Ontario
2. Alcoholism Research Foundation
3. The Ontario Cancer Treatment and Research Foundation

D. *Standing Committee on Highway Safety:*

1. Ontario Highway Transport Board

E. *Standing Committee on Labour:*

1. Workmen's Compensation Board

F. *Standing Committee on Mining:*

1. Ontario Fuel Board

G. *Standing Committee on Government Commissions:*

1. Ontario Water Resources Commission
2. The Ontario Municipal Improvement Corporation
3. Housing Corporation Limited
4. The Hydro-Electric Power Commission of Ontario
5. Ontario Northland Transportation Commission
6. Ontario Racing Commission
7. Liquor Control Board of Ontario including The Liquor Licence Board of Ontario.

That subsequent sessions might well have a Standing Committee on:

The Hydro-Electric Power Commission of Ontario,  
The Hospital Services Commission of Ontario,  
The Ontario Water Resources Commission.

The Committee suggests the adoption of the following terms of reference for a survey of the strengths and weaknesses of the governmental system:

To make a survey for the purpose of inquiring into and reporting upon the relationship of Provincial Commissions and Boards to the Government of Ontario, the Legislature and the Government Departments with a view to:

- (a) Preserving governmental responsibility and ensuring effective control by the Legislature over Public Expenditure and decisions;
- (b) Maintaining high standards of administrative economy and efficiency in all branches of the provincial services; and to

consider and report upon such other matters affecting the machinery of Government as may be referred to it.

That such a survey and inquiry be conducted by personnel qualified to review the problems of government.

The Committee also recommends strongly that the survey be conducted by members of the Legislature and such other qualified personnel as may be required.

---

The following Bill was introduced, read the first time, and referred to the Committee on Municipal Law:—

Bill No. 184, An Act to amend The Housing Development Act. *Mr. Nickle.*

The following Bill was introduced, read the first time, and ordered to be read the second time to-morrow:—

Bill No. 185, An Act to amend The Motor Vehicle Fuel Tax Act, 1956. *Mr. Allan* (Haldimand-Norfolk).

---

The House, according to Order, resolved itself into the Committee of Supply.

*(In the Committee)*

*Resolved*, That there be granted to Her Majesty, for the services of the fiscal year ending March 31st, 1959, the following sums:—

1201.	To defray the expenses of the Main Office, Department of Municipal Affairs.....	\$ 26,902,000.00
1202.	To defray the expenses of the Ontario Municipal Board...	324,000.00
1203.	To defray the expenses of the Main Office, Department of Municipal Affairs.....	3,360,000.00

Mr. Speaker resumed the Chair; and Mr. Allen (Middlesex South) reported, That the Committee had come to certain Resolutions; also, That the Committee had directed him to ask for leave to sit again.

*Ordered*, That the Report be received to-morrow.

*Resolved*, That the Committee have leave to sit again to-morrow.

---

The following Bills were severally read the second time and referred to the Committee of the Whole House:—

Bill No. 161, An Act to amend The Liquor Control Act.

Bill No. 167, An Act to amend The Ontario Water Resources Commission Act, 1957.

The following Bill was read the second time and referred to the Committee on Municipal Law:—

Bill No. 180, An Act to amend The Municipality of Metropolitan Toronto Act, 1953.

---

The House resolved itself into a Committee to consider a certain Resolution and certain Bills.

Mr. Frost acquainted the House that the Honourable the Lieutenant-Governor, having been informed of the subject matter of the resolution, recommends it to the consideration of the House.

After some time Mr. Speaker resumed the Chair, and Mr. Allen (Middlesex South) reported that the Committee had come to a certain Resolution as follows:—

*Resolved,*

That,

- (a) the Lieutenant-Governor in Council is hereby authorized to raise from time to time by way of loan such sum or sums of money as may be deemed expedient for any or all of the following purposes: for the public service, for works carried on by commissioners on behalf of Ontario, for discharging any indebtedness or obligation of Ontario or for reimbursing the Consolidated Revenue Fund for any moneys expended in discharging any indebtedness or obligation of Ontario, for making any payments authorized or required by any Act to be made out of the Consolidated Revenue Fund or for reimbursing the Consolidated Revenue Fund for any payments so authorized or required, and for the carrying on of the public works authorized by the Legislature; provided that the principal amount of any securities issued and sold for the purpose of raising any sum or sums of money by way of loan authorized by this Act together with the amount of any temporary loans raised under this Act, to the extent that such temporary loans are from time to time outstanding or have been paid from the proceeds of securities issued and sold under the authority of *The Financial Administration Act, 1954* for the purpose of such payment, shall not exceed in the aggregate \$250,000,000;
- (b) any such sum or sums may be raised in any manner provided by *The Financial Administration Act, 1954* and shall be raised upon the credit of the Consolidated Revenue Fund and shall be chargeable thereupon,

as provided by Bill No. 165, An Act to authorize the Raising of Money on the Credit of the Consolidated Revenue Fund.

(c) and (d)—

The expression "Foreign manufacture" is not clear enough to answer this question. In most vehicles there are in most cases articles and parts manufactured in other countries—principally the United Kingdom and the United States—going into the assembly.

The expression motor vehicle covers motor cars, snow-mobiles, trucks, ranch wagons, vans, four-wheel drives such as jeeps, dump trucks, tandem tractors, swamp buggies designed for work in forest and muskeg country, equipment fitted with particular equipment such as well-drilling, post-digging and other items.

- (e) It is, and has been, the policy of the Government to purchase vehicles from industries located in Ontario wherever possible.

25. *Mr. MacDonald*—Enquiry of the Ministry—1. How much money did the Province of Ontario allocate last year to research into: (a) Heart Disease; (b) Cancer; (c) Mental Illness; (d) Rheumatism; (e) Other diseases. 2. How do these sums compare with the amount of money spent on industrial and technical research by the Ontario Research Foundation.

Answer by the Ministry:—

1. (a) \$221,659.00;
- (b) \$186,371.00 (also \$964,530.74 allocated to Ontario Cancer Treatment and Research Foundation);
- (c) \$351,675.00;
- (d) \$29,850.00;
- (e) \$679,137.00.

These figures are based on allocations made for individual research projects. Many studies and investigations are being carried out by service personnel for which we have no division of costs.

2. The Province provided \$525,000.00 for industrial and technical research by the Ontario Research Foundation.\*

\*Of the above amount, \$495,000 was provided in the Estimates, while \$30,000 was provided by a Treasury Board Grant on behalf of the Ontario Fuel Board in order to provide the Fuel Board with funds for the testing of gas appliances.

In addition to the above amounts, the Foundation has sources of revenue of which we have no knowledge.

To this Act the Royal Assent was announced by the Clerk of the Legislative Assembly in the following words:—

"The Honourable the Lieutenant-Governor doth thank Her Majesty's dutiful and loyal Subjects, accept their benevolence and assent to this Bill in Her Majesty's name."

---

The Honourable the Lieutenant-Governor was then pleased to deliver the following gracious speech:—

*Mr. Speaker and Members of the Legislative Assembly of Ontario:*

Before proroguing this Fourth Session of the Twenty-fifth Parliament, I wish to commend you for the thoughtful consideration and unfailing attention you have given to the affairs of this Province. Rapid growth and social and economic change have imposed upon you heavy responsibilities. During the Session now closing you have studied and passed more than 180 Bills and approved a many-sided program to promote the economic and social well-being of our people. Although many matters have commanded your attention, ten stand out as being of paramount importance.

First, you have adopted a well-conceived and soundly-planned program of capital projects and works which will add to the productive assets of our people and sustain and create employment and income. The magnitude of this program is unprecedented. It is estimated that in the coming fiscal year, the Province, together with the municipalities and the various commissions and agencies, will spend on the construction of new assets and the repair of existing facilities a total of \$955 million. This expenditure will provide employment for 235,000 on-site and off-site workers.

Second, you have authorized a record-breaking increase in provincial assistance to the municipalities and other local agencies. You have provided more money, not only for schools but for hospitals and roads, and you have increased the appropriation for unconditional grants. You have approved provincial payments to the municipalities and local agencies totalling \$260 million, an increase of more than \$45 million over the appropriation last year. That is an increase without parallel in the annals of the Province. It will go a long way towards stabilizing local tax rates and indeed, in many instances, in effecting rate reductions that will be translated into immediate benefits to the local taxpayer.

Various other steps have been taken to improve the municipal position. A comprehensive program of sewer and water works financed by and carried out under the direction of the Ontario Water Resources Commission has been approved. More than 150 municipalities have availed themselves of the funds of the Ontario Municipal Improvement Corporation and this number will be substantially increased during the next fiscal year. Legislation has been passed to reinforce provincial and municipal welfare arrangements. In many instances, the Province has assumed a greater proportion of these costs and thereby relieved the municipality and the homeowner.

Amendments have been made to The Assessment Act and a new Act—The Municipal Franchise Extension Act, 1958—has been passed empowering municipalities to extend the right to vote for council members to all persons of the full age of 21 years who are British subjects and who have resided in the municipality for at least one year. Additional funds have been provided for mining, logging and community access roads and for assisting mining municipalities.

Third, you have authorized a greatly expanded program of assistance for education. The Province's grants to local school boards are being increased by 33 per cent and several other improvements are being made to strengthen the educational fabric of the Province. Coincidental with the increase in school grants to \$133 million, a new system of distribution has been adopted, which, being based on equalized assessment factors, provides equality of opportunity for education in all parts of Ontario as never before. A growth-need factor has been built into the new grants formula to meet the problems of rapidly growing residential areas with a large number of children.

Besides providing elementary and secondary school grants, you have authorized payments of over \$23 million to the universities for maintenance and capital purposes. Good progress is being made on the construction of facilities for the Ryerson Institute and for new teachers' colleges. The bursary system has been expanded and a new student loan fund introduced. In addition to the normal contribution of \$10.5 million that the Province now makes for teachers' superannuation, you have again provided for a special payment into this fund of \$1.0 million. To implement these various educational policies, you have authorized appropriations totalling \$177 million, an increase in this one year alone of over 26 per cent.

Fourth, a series of measures that will contribute materially to Ontario's health and welfare services has been adopted. Foremost among these is hospital insurance. The first agreement between any province and the Federal Government was signed by Ontario last March 3rd. This agreement has now become a model for the agreements with the other provinces. In conformity with this agreement and the Federal Act, amendments have been made to The Hospital Services Commission Act of Ontario, enabling hospital insurance to become a reality in Ontario next January 1st. Another notable advance has been the Province's doubling of its capital grants for the construction of public general, convalescent and chronic hospitals.

You have approved the adoption of The Homemakers and Nurses Services Act, 1958, which provides for provincial-municipal sharing of the cost of providing home care and nursing services under certain condition. Other notable improve-

ments have also been made. The Province will share with the municipalities on an 80-20 basis, up to a maximum of \$100 per month per person, the cost of maintaining needy persons in nursing homes. Any municipality with a population of more than 15,000 may now establish a home for the aged, while an amendment to The Charitable Institutions Act provides a new basis for paying subsidies to institutions operated as homes for the aged. The Child Welfare Act has been revised to strengthen and clarify the adoption process and the status of the adopted child. Amendments have also been made to The Disabled Persons' Allowances Act, The Old Age Assistance Act and The Mothers' and Dependent Children's Allowances Act in order to bring this legislation into line with current administrative arrangements. Amendments to The Indian Welfare Services Act broaden the basis of payment of mothers' allowances to Indian mothers with dependent children and enable agreements to be made with the Government of Canada with respect to welfare assistance to Indians.

Measures have been adopted to improve the machinery for providing direct relief to unemployed workers and also for creating certain types of emergency employment. The Province has raised its share of direct relief assistance to needy persons from 60 to 80 per cent and has thereby reduced the municipal proportion from 40 to 20 per cent. In this way, we are meeting the essential needs of workers who have either exhausted their unemployment insurance benefits or who are not eligible to receive them. The Province has also introduced an emergency works program under which it undertakes to reimburse municipalities to the extent of 70 per cent of their direct labour costs incurred between February 15th and May 31st, 1958, on approved municipal projects or works undertaken in the municipality. The program is designed to furnish employment to those who are eligible for direct relief and who are capable of working.

The Air Pollution Control Act has been passed to provide for the control of air contaminants, to facilitate air pollution research and to empower municipalities to pass and enforce air pollution by-laws.

Fifth, plans for carrying out an expanded resource conservation and development program have received your close attention. Substantial increases in appropriations have been made to enlarge the Ontario Agricultural College and Veterinary College facilities and to promote research in agriculture and forestry. Amendments have been made to The Farm Products Marketing Act and to The Milk Industry Act. Under the latter, the Milk Industry Board may act as an arbitrator in disputes. Loans are continuing to be made under The Junior Farmer Establishment Act.

Sixth, progress has been made with the Federal Government on tax-sharing arrangements and other matters. The Province's revenue under its income tax rental agreement has been enhanced by an amendment to the Tax-Sharing Arrangements Act which—for the year 1958—has increased the Province's share of the personal income tax field from 10 to 13 per cent of the Federal tax. An Agreement has been signed under which the Federal Government contributes 50 per cent of the cost of direct relief. In connection with hospital insurance, the Federal Government has undertaken to remove the restriction that would prevent it from contributing until six provinces, having a majority of the Canadian population, had plans in operation.

Seventh, steps have been taken to deter discrimination and fortify individual freedom. The Ontario Anti-Discrimination Commission Act, 1958, establishes a commission to secure the elimination of discriminatory practices under the authority of the following Acts: The Fair Employment Practices Act, The Female Employees Fair Remuneration Act and The Fair Accommodation Practices Act.

Eighth, despite the huge capital works program upon which we have been engaged, there are no new taxes or increases in taxes. Indeed, we have reduced the diesel fuel tax by  $1\frac{1}{2}$  cents a gallon. Furthermore, an amendment to The Corporations Tax Act, passed at this Session, allows an allocation of corporation profits among provinces that avoids the taxation of corporation profits by one province that are taxable by another province. It also brings the Ontario Act into closer relationship with the provisions of The Income Tax Act (Canada).

Ninth, two measures which will promote the more efficient utilization and recruitment of civil service personnel have been adopted. Under one amendment to The Public Service Act, pension rights may be vested and annuities established for employees who have ten or more years' service and contributions to the Public Service Superannuation Fund. Another amendment enables superannuated civil servants to be appointed in special capacities without interfering with their pensions or requiring them to make additional contributions to the superannuation fund.

Tenth, fewer services will have more enduring benefits than the expansion of the provincial parks system. At present the Province is seeking the acquisition of an additional 20 parks. To implement this policy and also to bring into reality the St. Lawrence Parks System from the Bay of Quinte to the Ontario-Quebec boundary, nearly \$6 million is being provided for the year 1958-59. Many other Acts have been passed covering a variety of subjects dealing with the welfare of our people and the progress of our Province.

To the various standing and select committees of the House, I wish to extend sincere thanks for their conscientious devotion to the requirements of this Province. I wish to thank the Honourable Members, too, for the financial provisions that they have made. Despite the heavy demands that are created by education and many other provincial and municipal services, the financial position of the Province is strong. However, it can be kept that way only by a most careful husbanding of our financial resources.

Looking into the future, the economic outlook is not trouble-free, yet it is one in which we have confidence. With our growing population, modern industry and our favourable resource-population ratio, our long-term future cannot be other than bright. The volume of construction in Ontario is higher this year than even that of a year ago, while overall capital investment intentions approximate last year's exceedingly high level. The Province has taken steps to bolster employment through public works. Credit has been eased both in Canada and abroad, and interest rates have been reduced. We have before us opportunities unexcelled in all our history.

Gratitude is expressed to the public servants of Ontario for the faithful discharge of their duties and responsibilities.

I pray that Divine Providence may guide and bless you and promote the well-being of this Province and Nation.

---

The Provincial Secretary then said:—

*Mr. Speaker and Members of the Legislative Assembly:*

It is the will and pleasure of the Honourable the Lieutenant-Governor that this Legislative Assembly be prorogued and this Legislative Assembly is accordingly prorogued.

## 1. OIL WELLS:

Whereas it has been brought to our attention that a contract has been let for the offshore drilling of some twenty holes, for gas and/or oil, under the bed of Lake Erie and adjacent to Port Dover, to Turkey Point and Long Point Bays, and Lake Huron and Lake St. Clair, and

Whereas the Commercial Fishermen of Lake Erie have protested against the drilling operations and right in Lake Erie;

Therefore be it resolved that the Ontario Federation of Anglers and Hunters ask the Department of Lands and Forests to refer the matter of drilling for gas and oil offshore in Lake Erie to the Great Lakes Fisheries Commission for thorough investigation, and proper action to be taken up with the Federal and Provincial Governments if there is found to be any damage to Commercial or Sport Fishing.

## 2. WILDERNESS AREAS:

Whereas the Ontario Federation of Anglers and Hunters is concerned with the preservation of the recreational facilities for the people of Ontario, not only for this generation but for generations to come, and

(Mr. H. V. Sutton)

## COMMENTS

This subject has been discussed with the Department of Mines, the Federal Department of Fisheries and the Ontario Water Resources Commission and personnel of all of these departments as well as the Department of Lands and Forests are maintaining a general surveillance of the drilling activity.

The Department of Lands and Forests continues to have frequent discussions with the United States Forest Service with a view to achieving the object of this resolution. The general policy of both organizations is to maintain Quetico Provincial Park and Superior National Forest in a wilderness state.

Whereas the Region of the Rainy Lake and Pigeon River Watershed between Lake Superior and the Lake of the Woods, is a geographical, historical and recreational unit, including within its borders, not only the Quetico park but the Superior National Forest, and

Whereas, the famous Quetico, accessible to our people for the first time, typifies with the adjacent country, the finest area for resorts, summer homes, and wilderness canoe travel in the Mid-West, and

Whereas common principles of zoning and resource management are desirable on both sides of the border, in order to preserve the rare wilderness qualities of the entire region, and

Whereas, the Superior National Forest and particularly the roadless area adjacent to the Quetico are constantly threatened by forces which might hinder this plan,

Therefore be it resolved that the Ontario Federation of Anglers and Hunters urges the Department of Lands and Forests to investigate the possibilities of still further agreements with the United States Forest Service and other Departments involved to the end that this very beautiful area be

populations requires the services of the best biologists obtainable, and

Whereas such men will only be attracted to, and stay with, the Fish and Wildlife Division of the Department of Lands and Forests if the salaries are adequate.

Therefore be it resolved that the Department of Lands and Forests raise the level of the salaries of biologists to the point where they are at least equal to, or better than, the salaries paid biologists in other government departments or industry.

##### 5. WATER FLOW:

Be it resolved that the Department of Lands and Forests limit the control of water flowing over dams to prevent flooding and receding and spoiling of spawn and fry.

Ontario Federation of Anglers and Hunters.

The District Foresters are instructed to remove stop logs from dams in the spring to avoid flooding at the time of the spring freshet. This has been standard practice by the Department on dams that are regulated by our Department.

Close liaison has been established between agencies responsible for water-level changes, for example, Hydro, the Department of Public Works, the Federal Department of Transport, with the Department of Lands and Forests. Frequent meetings have been held with these agencies with good results.

The Research Division of the Department of Lands and Forests has done excellent work on the Research requirements of lake trout. The Parry Sound District

## COMMENTS

Office has worked closely with Hydro officials with the result that better arrangements and understanding of the problem involved particularly in connection with draw-downs at dams have developed. The same co-operation has been experienced between the Department and the Trent Canal Valley authorities to prevent loss of fish by changing water levels necessitated by the demands of navigation and power.

## 6. DEPUTY GAME WARDENS:

Whereas many appointments are being made to Deputy Fish and Game Wardens and Honorary Fire Wardens without regard to training or experience,

Therefore be it resolved that the Department of Lands and Forests supply and supervise a 24-hour training course for applicants for these appointments and that no appointment be made until applicant had satisfactorily completed said course.

Ontario Federation of Anglers and Hunters.

Some instruction is provided for both Deputy Fish and Game Wardens and Honorary Fire Wardens. These officers are assigned to and work under regular members of the staff, so that their training and instruction continues through their period of appointment.

## 7. RECEIPTS:

Be it resolved that the Department of Lands and Forests supply pocket size receipts to Deputy Game and Fish Wardens, said receipts to be used for confiscated equipment only.

Ontario Federation of Anglers and Hunters.

In so far as Deputy Fish and Game Wardens are not on Departmental payroll, they should refer the action of seizure and receipts to a conservation officer.

## 8. LAKE TROUT:

We appreciate the fact that lake trout fishing has been opened from January 1st instead of April 15th as per our previous request. However, we cannot agree with the October 15th closing date as is shown in the fishing regulations for 1956 and 1957, as this period from the 1st of October to October 15th, is detrimental to the fish population, since this is their spawning season and they are easily taken in large quantities at this time, thus depleting our fish population very rapidly.

Therefore be it resolved that, as a conservation measure, the open season for lake trout be from January 1st to September 24th instead of January 1st to October 15th, in the Districts of Algoma, Manitoulin, Nipissing, (north of and including the French and Mattawa Rivers and Lake Nipissing and Sudbury).

Ontario Federation of Anglers and Hunters.

See Recommendation 98.

### *Present Status:*

Section 41, sub-section (2) of the Ontario Fishery Regulations, 1958:

"No person shall fish for, take or attempt to take lake trout in Division 1 or Division 2 except in the waters described in items 1 and 2 of Schedule 1 from and including the sixteenth of October to and including the thirty-first of December in any year."

### *Proposed Action:*

All the Districts concerned have been canvassed, and a large majority recommended that no changes or revision of the present regulation should be made at this time.

### LAKE TROUT—OPEN SEASON—1958

- (a) No closed season in Great Lakes and River St. Lawrence.
- (b) No closed season (when taken by angling) in
  - (i) Kenora; and
  - (ii) Rainy River and Thunder Bay—except in the waters designated in (c).
- (c) January 1st to September 24th:  
Boundary waters between Ontario (Districts of Rainy River and Thunder Bay) and Minnesota, excluding Lake Superior waters, and that portion of Lake of the Woods in Rainy River.
- (d) November 1st to October 4th next following:  
Lake Nipigon (applicable to commercial fishing).

- (e) January 1st to October 15th:  
 (i) Algoma, Cochrane, Manitoulin, Nipissing (north and west of and including the French and Mattawa Rivers and Lake Nipissing), and Sudbury; and  
 (ii) Timiskaming—except waters designated in (f).
- (f) May 1st to October 15th:  
 Crystal, Watabeag, Miller, Mousseau and St. Anthony Lakes in Timiskaming.
- (g) November 6th to October 5th next following:  
 South of and excluding the French and Mattawan Rivers and Lake Nipissing—except (h) and (i).
- (h) May 1st to October 5th: (Note—to be amended this year)  
 Haliburton County.
- (i) March 1st to October 5th:  
 Frontenac, Hastings, and Lennox and Addington Counties.

## In Addition:

- (1) All fishing is prohibited from October 16th to April 30th next following in  
 (i) Algonquin Park; and  
 (ii) The Counties of Victoria, Peterborough, Northumberland and Durham.
- (2) Several lakes are closed by Regulation (O. Reg.) in different counties and districts from January 1st to April 30th, presumably to protect this species.

## 9. SPAWNING BEDS:

Lake St. Clair is noted by Biologists of the Department of Lands and Forests for being the greatest natural spawning ground for black bass (small and large mouth) in the North American continent. Prior to opening of the Bass Season on the 25th of June, countless fishermen are out trolling and casting for these bass when they are guarding their spawn. A bass, especially when guarding its spawn, will strike wickedly at anything that comes close to the spawning bed.

When bass are caught by these gang-hook fishermen and released, they very often die and leave nothing to guard this spawn. Then young carp and dogfish naturally feed on this delicacy.

True scenes from our Game Warden, vendors, and commercial fishermen have seen hundreds of bass washed up on the shores of Lake St. Clair, after a weekend of fishing the third and fourth weekends prior to the opening of the bass season.

Therefore be it resolved that trolling and casting with gang-hooks be restricted each year until the opening of the bass season in Lake St. Clair and that this restriction be forcibly enforced.

This resolution to be subject to the findings of the Department of Lands and Forests in establishing a Sanctuary.

Ontario Federation of Anglers and Hunters.

This subject is currently under investigation by the District Biologist.

## RECOMMENDATIONS

10. That Section 3, subsection (1), clause (b) of the Ontario Fishery Regulations which reads as follows:

"No person shall use or have in his possession any live lamprey of any species in any stage of development", should be amended to read:

"No person shall use or have in his possession any live or dead lamprey of any species in any stage of development."

11. That Section 65 (1) (b) of the Ontario Fishery Regulations which reads as follows:

"No person shall, except with the written consent of the Minister or any officer authorized by him import or bring any live bait fish into Ontario",

should be amended to read:

"No person shall, except with the written consent of the Minister or any officer authorized by him import or bring into Ontario any live bait fish or (whatever the Lamprey is) or live Piranha."

## BY WHOM

Ontario Council of Commercial Fisheries.  
(Dr. A. O. Blackhurst)

While there seems to be no reason for concern if dead lampreys were used for bait it might strengthen this regulation to amend it, but would suggest the deletion of the word "live" from the present regulation rather than adding "or dead" to it.

## COMMENTS

Ontario Council of Commercial Fisheries.

*Present Status:*

(a) Importation of live piranha prohibited by most recent amendment to Fishery Regulations. P.C. 1957-1683 (10).

(b) Prohibition of importation of live lamprey provided by Section 65 (2) Fishery Regulations:

"No person shall, except with the written consent of the Minister or any officer authorized by him

"(a) import or bring any live fish into Ontario for the purpose of placing in any of the waters thereof;

"(b) import or bring into Ontario any live bait fish, or live Piranha (Serrasalmus rhombeus); or

"(c) transfer any fish from any body of water to another body of water within Ontario.

"(2) No person shall

"(a) import or bring into Ontario, or

"(b) transfer from any body of water to another body of water within Ontario,

any live lamprey in any stage of development."

*Proposed Action:*

There does not appear to be any valid reason for changing the wording of the section, because the request is adequately covered. However, if thought desirable, the word "live" could be omitted before the word "lamprey" in the last line of the regulation.

It is further suggested that if the importation of Piranha is to be retained, Piranha (*Serrasalmus rhombeus*) should read Piranha (*Serrasalmus* sp.)

12. Opposes the importation of any live bait from any country.

Ontario Federation of Anglers and Hunters.  
(Mr. H. V. Sutton)

Prohibition of importation of live bait fish provided by Section 65 (1) (b) Fishery Regulations.

Bait fish may be imported with written consent of Minister. No regulations are established with reference to bait other than fish. Permission to import bait fish has been limited. Permits were issued to allow the permittee to obtain bait fish at times when native bait fish are scarce with the understanding that the permittee intended to eventually propagate bait fish in the province and thus eventually eliminate the necessity of importing. The situation seems to be well controlled by present regulations.

The written consent of the Minister or his representative which is required provides good control. Importation is seldom permitted. A number of requests have been refused this year.

13. Urges the adoption of policies outlined in Government White Paper entitled, "Suggestions for Program of Renewable Resources Development" which was prepared by officials of the Department of Lands and

14.(a) ESTABLISH DEFINITE ONTARIO/QUEBEC BOUNDARY IN THE ST. LAWRENCE RIVER AND LAKE ST. FRANCIS AREA.	Conservation Council of Stormont, Dundas and Glengarry. (Mr. A. M. Lebano)	This matter is under consideration by the Provinces of Ontario and Quebec. To date, a decision as to the position of the boundary has not been agreed upon.
Whereas for many years the citizens of Cornwall and surrounding areas have tried to get a definite and mutual boundary line established in the Lake St. Francis and St. Lawrence River areas;		
Whereas the two sets of maps used by the Ontario and Quebec officials in establishing and enforcing a so-called boundary are very misleading, embarrassing, and often costly for our Ontario sportsmen;		
Whereas we have had this question before the Committee and departmental officials on many occasions in the past number of years.		
Be it therefore resolved that we again stress the importance of having this question settled.		
Be it further resolved that the Ontario Government and the Department of Lands		

and Forests officials take the initiative in helping to bring this question to a mutual and satisfactory agreement for all parties concerned.

15. RECIPROcity ANGLING IN LAKE ST. FRANCIS AND ST. LAWRENCE RIVER AREAS:

Whereas this form of an agreement has been in effect in the Provinces of Ontario and Quebec for the past three years in the Ottawa River fishing areas;

Whereas in the past we have had numerous boundary disputes in the Lake St. Francis and St. Lawrence River areas, as well as fines being levied by the officials of the Province of Quebec against residents of the Province of Ontario;

Whereas for the promotion and advancement of sportsmen's public relations between the citizens of both the provinces of Ontario and Quebec;

Be it therefore resolved that we recommend that the Ontario Government take whatever steps necessary to bring about this reciprocity angling in the Lake St. Francis and St. Lawrence River fishing areas—those parts fronting the Province of Ontario.

18. GAME OVERSEER FOR CORNWALL AREA:

Whereas at the present time we have two game overseers for the Three United Counties of Stormont, Dundas and Glengarry, one working from Kemptville, the other from Applehill;

Whereas the City of Cornwall now boasts a population of some 40,000 people, and the majority of the citizens of the counties live in heavy concentrations in and around surrounding areas of Cornwall;

Whereas we feel that more public relation and educational work should be done by the representatives of the Department of Lands and Forests in the Three United Counties;

Whereas it would give closer control and closer supervision to the heavily populated and heavily fished or hunted areas;

Be it therefore resolved that we urge the Department of Lands and Forests to employ another game overseer in this area and that *he should be stationed in the City of Cornwall or its suburbs.*

Whereas it is considered that if the non-resident family licence were re-instated, it would create more incentive for family groups to continue coming to Ontario, and would greatly contribute to the economy of the province,

Therefore be it resolved that the Department of Lands and Forests be requested to give serious consideration to the restoration of the non-resident family angling licence under the following conditions:

- (a) that the non-resident family angling licence shall cover the husband and wife and all children under the age of 17 years, and further, that the licence will allow the holder only to have one legal day's limit, possession limit and export limit, and any fish taken by the wife or children shall be included in and considered part of the catch for the licensee;

only abolished after very careful consideration. This licence was subjected to many abuses and created a feeling of suspicion between our licence issuers, our officers and our non-resident customers.

The preparation of a family licence by an issuer took three times as long as an individual licence, since most families were comprised of three or four people and identifications of each had to be properly completed.

Licence exchanges were permitted, which meant that many thousands of early pickerel and pike fishermen who had purchased their licences prior to May, then traded these in on a family licence to accommodate their family requirements during the summer months. In 1953, over 10,000 such exchanges were made in the height of the summer tourist season, which gives some idea of the ramifications of this type of business.

It is not considered desirable to re-instate the family licence in Ontario. It was abandoned a number of years ago, because it was greatly abused and difficult to enforce. The members of a family often fish in widely separated areas, thus preventing accurate or even moderately accurate accounting of the numbers of fish that would be caught or possessed under a family licence.

Then we have express points where there are no express agents and shipments are merely put off by train crews and picked up later by the depot caretaker.</p> <p>The heavy expense incurred in a blanket registered mail system would not be justified, since 50% of our shipments are too heavy to meet registered mail requirements. 90% of our shipments go ordinary parcel post and rarely fail to reach their destination.</p>
<p>32. WINTER FISHING—LAKE TROUT:</p> <p>Whereas logging operations in the Townships of Proudfoot and Butt in the Districts of Parry Sound and Nipissing are creating winter roads which allow easy access to lakes within these districts;</p> <p>Whereas the practice of winter fishing for lake trout through the ice is causing these lakes to become badly depleted of this species, due to the heavy pressure of winter fishing being centred in this area;</p>	<p>Northern Ontario Tourist Outfitters.</p>	<p><i>Present Status:</i></p> <p>Open season November 6 to October 5 next following south of and excluding the French and Mattawa Rivers and Lake Nipissing, other than waters designated in (a), (g), and (h).</p> <p><i>Proposed Action:</i></p> <p>The proposal will be submitted to the District Biologist for a report based on the factual evidence available.</p>

Whereas the District of Haliburton and Algonquin Park have for some time been closed to winter fishing for lake trout; and

Whereas the permanent residents and summer property owners in the aforementioned areas have already requested the Department of Lands and Forests to close these lakes to winter fishing for lake trout; Therefore be it resolved that the Department of Lands and Forests be again requested to close all lakes to winter fishing in the Townships of Proudfoot and Butt in the District of Parry Sound and Nipissing from October 5th to May 1st following.

### 33. SPLAKE PLANTING:

Whereas there have been successful experiments with the hybrid fish referred to as the Splake which has rapid growth and early reproduction stage;

Therefore be it resolved that the Department of Lands and Forests be requested to introduce this type of fish into Zinger Lake, being in Potter Township of North Cochrane District.

### 34. OPERATION OF AMERICAN OUTFITTERS:

Whereas outfitters who now operate in the Quetico Park area from below the Canadian border are now enjoying all the privileges of Canadian operators and should be subject to Canadian regulations;

The winter closure on angling for lake trout in Haliburton County will be rescinded in 1959. The closed season on lake trout in Haliburton, October 6 to November 5, will be in effect.

Therefore be it resolved that the provision be made that any holder of a non-resident fishing licence be allowed to take back a second limit of fish, providing he comes back a second time or more, and stays for a period of at least two weeks.

37. ZONING REGULATIONS:

Whereas it is considered that the present zoning regulations are necessary for the proper management and control of fish and wildlife resources;

Therefore be it resolved that no changes be made in the zoning regulations, and that the Recreational Land Use Planning Committees continue to operate.

38. LICENCE ISSUERS:

Whereas considerable inconvenience is being caused to outfitter camp guests in certain areas because they are unable to obtain fishing and hunting licences at their respective camp, and often have to travel many miles in order to obtain a licence;

Therefore be it resolved that all licensed Tourist Outfitters in good standing be permitted to issue fishing and hunting licences if they so desire.

#### 47. DUCK SEASON:

Whereas the dividing line between the Northern and Central Districts for migratory birds was set for the 1957 season at highway No. 17 between Mattawa and Sault Ste. Marie; and

Whereas this new dividing line did not prove to be satisfactory in the Lake Nipissing area by reason of the fact that all locally bred ducks had left the area before September 28th, and hunters were deprived of the opportunity to hunt them, and also resulted in a loss of business for the entire area, and loss of employment for guides and other persons;

Therefore be it resolved that we respectfully request that the dividing line between the Northern and Central Districts for migratory birds be re-established to include the French River, all of Lake Nipissing and the south shore thereof, and all of the waters north thereof, and that the season shall open

The exclusion of the North Channel, Sault River, Manitoulin and Lake Nipissing was deliberate. These areas hold local ducks and migrant ducks for a long time after September 28, and it is undesirable to "shoot up" extensive and heavily hunted marshes before migrants have moved in. The locally nesting stocks in many areas have been exterminated in the past in this way.

We use our District Boundary within limits. Actually a line in the bush has its advantages in enforcement. A line along a main highway where game is found on both sides is a challenge to violation that hunters who would normally be law-abiding seem unable to resist.

Navigation is not our field of legislation—unless, as is done in some areas in the U.S., we prohibit building of blinds altogether. The Dominion authorities tell us that they can make regulations only for the protection of migratory birds and any regulation outside this would be involved.

We have the following statement from W. W. Mair, Chief, Canadian Wildlife Service, Ottawa:

“We have discussed with our Legal Adviser the question, raised in your letter of March 19, of incorporating in the Migratory Bird Regulations a provision requiring identification to be placed on any non-movable duck blind.

“His opinion is that no proposed amendment to the Regulations is acceptable unless it is for the protection of migratory birds as expressed in Section 4 of the Migratory Birds Convention Act or for the performance of the obligations this country has as a part to the Convention.

“As he considers that the suggested amendment does not fulfil the above purposes and concerns property rights, his view is that it is not within the powers of the Governor-in-Council.”

Therefore we request that a year-round open season be made for the killing of carp by bow and arrow.

84. Would like to see an improvement in procedure to have information on Recommendations or Resolutions supplied to clubs or individuals who have presented them.

This regulation would be difficult to introduce and to enforce. It would require the name and location of an almost interminable number of streams. Such action would seem to be impractical.

*Present Status:*

An experiment is being conducted in Essex County from March 1st to June 15th to assess the value and desirability of the use of the bow and arrow for hunting coarse fish.

There is a growing interest in this sport as is indicated by the numerous requests received. The experiment is designed to provide an opportunity to investigate and to assess the various aspects of bow and arrow fishing.

All fishermen participating have been provided with a permit issued under section 99 (2) of the Ontario Fishery Regulations. Each will supply a detailed record of his catch and fishing operations for subsequent analysis.

This is being studied.

Beaver trapping licences are provided as desirable for taking beaver where abundant or constituting a nuisance.
86. DEER SEASONS FOR ARCHERS OPEN IN LARGER PART OF PROVINCE:		
Whereas the government set aside a short season for the convenience of archers to hunt deer on Manitoulin Island, and	Conservation Council of Stormont, Dundas and Glengarry.	This will be dependent upon agreement between the sportsmen and the municipalities in the area under consideration.
Whereas we are of the opinion that the deer population would not be substantially reduced, if a larger area of the province was opened to the archer,		
Therefore be it resolved that the Department open a larger portion of the Province, and that this portion be in the south-eastern part of the Province.		
87. DEER SEASON OF STORMONT, DUNDAS AND GLENGARRY:		
Whereas our Council are pleased with the assistance and support we have received from the United Counties council and the Department of Lands and Forests officials in the past, and	Conservation Council of Stormont, Dundas and Glengarry.	This will be dependent upon agreement between the sportsmen and municipalities for the area under consideration.
Whereas after proper departmental deer surveys in this area, which have proven		

without doubt that the deer population did warrant an open four-day season, and

Whereas the Department and United Counties Council have declared another open season for the year 1958, this being a four-day season with the use of shotguns only and no dogs,

Be it therefore resolved that we hereby petition the Committee to have the season open on the days of Wednesday, Thursday, Friday and Saturday.

88. ALGONQUIN PARK DEER QUESTION:

Whereas during the past fall much controversy took place through the medium of the press throughout the Province of Ontario on the above named question, and

Whereas many points were made by Department officials both for and against the subject of a short open season for deer within certain areas of Algonquin Park, and

Whereas our group are not in favour of opening the park to public slaughter of deer, but we do recognize the fact that our forests are the backbone of our economy and our very existence depends largely upon the trees,

Therefore be it resolved that the Government of Ontario take the necessary action to see that the deer population is relocated if need be—or take whatever steps necessary

Conservation Council of Stormont, Dundas and Glengarry.

If or when anything is done about excess deer in the Park it must be remembered that it is a recurrent situation—deer soon replace any removed. The cost and efficiency of any method must be examined in perspective.

## 89. SUNDAY HUNTING AND SHOOTING:

Whereas due to the geographical location of the Counties of Stormont, Dundas and Glengarry, in relationship to the Province of Quebec to the east and the State of New York on the south, and

Whereas it is a well known fact, known by all parties concerned, that Sunday hunting and shooting is at the present time existing in the northern part of the Province, and

Whereas we of the south-eastern section do not think it fair that the whole of the Province is not treated alike with regard to the enforcement of any or all of our regulations, or laws, and

97. The following, in brief, represents the considered opinions of the Ontario Game Bird Breeders' Association in relation to Game Bird Shooting Preserves, and is respectfully submitted for the consideration of all those interested in the subject.	Ontario Game Bird Breeders' Association. (Mr. Irvin Fromm) Read by Dr. Alan Secord.	Landowners can and do take advantage of their control of land to a limited degree now. Whether this should be replaced by a special licence is a matter of policy.

Until the very recent past, the propagation and raising of upland game birds in Ontario, was, generally speaking, carried out mainly by the Department of Lands and Forests for the purpose of stocking and re-stocking certain areas of the Province for the hunting pleasure of sportsmen. To some extent, these birds were raised by private individuals as a hobby.

In 1955 Legislation permitted the raising and marketing of some of these birds, especially the English Ringneck Pheasant, on a commercial basis.

Throughout the Province, several private individuals entered into the game bird breeding business by enlarging their existing facilities or by setting up new equipment.

There was, at this time, no type of organization among these individuals, and it was not until 1957 that, at a meeting of some of

these interested parties, an organization known as The Ontario Game Bird Breeders' Association was formed, and a charter obtained from the Provincial Government.

There was, among the members, a pronounced attitude in favour of game farms patterned along the lines of similar organizations in the United States.

The chief obstacle to their development locally was the lack of Provincial legislation permitting their operation beyond the designated open season for the hunting of Upland Game Birds.

It, therefore, became one of the aims of the Ontario Game Bird Breeders' Association to publicize the whole question of game farms in the hope that enough public sentiment could be favourably aroused to persuade the Ontario Government to legislate in their favour.

Broadly speaking, these game farms will be privately owned lands of an acreage decided upon by the Department of Lands and Forests, on which any sportsman, fulfilling the required standards of deportment, may, for the pre-determined fee payable to the owner, shoot Upland Game Birds provided by the owner during the season.

## RECOMMENDATIONS

To help justify the financial outlay and capital investment in setting up a game farm, it is considered imperative that a greatly extended season be instituted. The opinion is held that this season should extend from September 1st to March 1st of the following year.

In justification of game farms, it is the opinion of the Ontario Game Bird Breeders' Association that such preserves will serve to fill a growing need for areas where the sportsman may hunt at a reasonable cost in the knowledge that the time and money spent can be justified by something "in the bag" at the end of the day.

It has been proven by our limited hunting experience in 1957 that game farms provide pleasant relaxation and enjoyment to, not only the physically able hunter, but also to those less happily endowed by virtue of age or disability, to those who have only a limited time at their disposal, and to those who cannot afford in money what it presently costs to shoot in regulated areas.

In no respect are these game farms to be considered private clubs. It is the hope that they may be purely and simply places where any sportsman may, for a reasonable

fee, find those pleasures related to game bird hunting which, at the present time because of the lack of suitable areas, are not available.

In conclusion, may it be suggested that all shooting preserves come under the jurisdiction of the Department of Lands and Forests so that an over-all pattern of operation may be made common to all. In no way is the Ontario Game Bird Breeders' Association to be considered as having any police rights beyond its own organization.

Realizing completely that, in this new venture, experimental errors of judgment and practice are inevitable and that acts contrary to the attitude of the true sportsman may be inadvertently committed, the forbearance of all concerned will continue to be earnestly sought, in the fervent hope that game farms may soon come to hold their rightful and respected place in the broad conception of Ontario's Outdoor Life.

Many Rod and Gun Clubs have been petitioned for an expression of opinion on this subject, and up to this time, representative signatures of thirty-five hundred active Ontario sportsmen have been obtained, strongly in favour of game farms. One gets the impression from articles in the

101. The Lord's Day Alliance asks that no change in law be proposed that would allow Sunday hunting in any area which is populated or near to population.

Lord's Day Alliance  
of Canada.  
(Rev. A. S. McGrath)

Opposes Recommendation No. 89.

This a matter of concern with us because we believe Sunday hunting will bring out such large numbers, both from Canada and the States, as to constitute a serious danger to the hunters themselves and to others who wish to enjoy themselves in the out-of-doors. Surely, people are entitled to quiet and safety as they seek the pleasures and benefits of the countryside at such hours as they are free to do so on Sundays.

At the same time, hunters do not lose anything of value because of present limitation. They are free to enjoy the out-of-doors as anyone else. Without Sunday hunting there are also less people killing off Canada's wild life, and hunting is better because it is allowed on a more moderate basis than if Sundays were included. With Sundays there would be a vast increase in the slaughter of game, to the disadvantage of reasonable hunters.

Of course, this Alliance is also concerned to keep Sunday as free as possible from activities which might hamper things religious. We believe there are great values of spirit and character at stake. We would

like to think that everyone who is interested in game conservation will be as much concerned to help conserve these most important aspects of human life and nature. They can do so by allowing Sunday influences for good to go on unhindered.

The Committee's favourable acceptance of these considerations would be appreciated.

## 102. LENGTH OF DEER HUNTING SEASON:

Whereas a longer season would give all hunters a greater chance to choose a time in which the weather would be more suited to his particular requirements, and

Whereas a longer season would allow persons to travel to and from the hunt camp by water where it is desirable and often the only means, and

Whereas an extended season would mean frozen ground where it is necessary to travel and keep venison when obtained, and

Whereas from the Department of Lands and Forests reports the deer population here is sufficient to stand a longer hunt but in reality a longer period of open season does not mean that more hunters will be in the field, and

Whereas with a longer season there will be a lessening of congestion,

Under study.

(Mr. J. H. Fisher)

Therefore be it resolved that the Department of Lands and Forests be requested to extend the duration of the Deer Hunting season on an experimental basis from two weeks to a three-week period in areas where there is now a two-week season.

#### 103. OPENING HOUR FOR THE 1958 DUCK SEASON:

Whereas the noon or 9 a.m. duck season opening hours as used in the past two years are very unsatisfactory in as much as the infractions of the opening hour regulation are much higher than in previous years, and

Whereas the late opening hours have caused the hunters to extend the evening shooting into the hours of darkness and thereby leaving a large number of crippled or unclaimed ducks,

Therefore be it resolved that the opening hour for the duck season in that part of the Province of Ontario designated as the Central Section in 1957, be one half hour before sunrise for the 1958 season.

#### 104. LENGTH OF TROUT SEASON:

Whereas the present Department of Lands and Forests fish planting program with respect to trout is very effective and has given us large trout populations in many of our lakes, and

Whereas under the present open season for trout, anglers are cropping only a very small percentage, and

Whereas a large number of trout are dying of old age in our lakes or are becoming cannibalistic and eating the new plantings of trout, and

Whereas the latest fish management views indicate that trout should be adequately cropped from any lake and that in particular, large fish should be removed, and

Whereas an extension of the trout season in the spring to allow some ice fishing would give the anglers a chance to take the large fish and also a larger number of fish, and

Whereas a similar extension of the season into the fine weather in the fall would allow the anglers to crop more fish,

Therefore be it resolved that the trout season in the Kemptville, Pembroke and Lindsay Forestry Districts extend from approximately March 1 to October 5 next following. The actual opening or closing day to be the Saturday closest to the above mentioned dates.

## 105. COMBINED DEER MOOSE SEASON:

Whereas the latest moose surveys appear to indicate that the moose herd in the Tweed Forestry District is as large or larger than it was in 1956, and

Whereas too large a moose herd could seriously overbrowse our already depleted deer range, and

Whereas the combined deer-moose season held in 1956 proved effective in reducing the size of this same moose herd,

Therefore be it resolved that the Department of Lands and Forests be requested to have a combined deer-moose season in 1958 in the Tweed Forestry District under regulations similar to those applying in 1956.

Kingston and District

## 106. OPENING DATE FOR THE DEER SEASON:

Whereas the variation in the opening date for the deer season makes it very difficult to plan holidays very far in advance, and

Whereas the opening date should not be too early in November because of the possibility of warm weather,

Therefore be it resolved that the opening date for the deer season in that part of the Province of Ontario referred to as Section 11 in 1957, be permanently set as the Monday in November falling on, or between November 5 and November 11.
