RODERICK LEWIS,
Chief Election Officer.

And the House having met,

The Honourable the Lieutenant Governor, having entered the House, took his seat on the Throne.

Mr. Yaremko, the Provincial Secretary, then said:

“I am commanded by the Honourable the Lieutenant Governor to state that he does not see fit to declare the causes of the summoning of the present Legislature of this Province until a Speaker of this House shall have been chosen according to law, but today at a subsequent hour His Honour will declare the causes of the calling of this Legislature.”

His Honour was then pleased to retire.

And the Clerk having called for nominations for the office of Speaker, the Prime Minister, Mr. Davis, addressing himself to the Clerk, proposed to the House for their Speaker Allan E. Reuter, Esquire, Member for the Electoral District of Waterloo South, which motion was seconded by Mr. Nixon (Brant), and it was,

Resolved, That Allan E. Reuter, Esquire, do take the Chair of this House as Speaker.

The Clerk having declared the Honourable Allan E. Reuter duly elected, he was conducted by the Prime Minister and Mr. Nixon (Brant) to the Dais, where, standing on the upper step, he returned his humble acknowledgment to the House for the great honour they had been pleased to confer upon him by choosing him to be their Speaker.

And thereupon he sat down in the Chair and the Mace was laid upon the Table.

The House then adjourned during pleasure.

The Honourable the Lieutenant Governor then re-entered the House and took his seat on the Throne.

Mr. Speaker then addressed His Honour to the following effect:

May it please Your Honour,

The Legislative Assembly have elected me as their Speaker, though I am but little able to fulfil the important duties thus assigned to me.

If, in the performance of those duties, I should at any time fall into error, I pray that the fault may be imputed to me and not to the Assembly whose servant I am, and who, through me, the better to enable them to discharge their duty to their Queen and Country, hereby claim all their undoubted rights and privileges, especially that they may have freedom of speech in their debates, access to your person at all seasonable times, and that their proceedings may receive from you the most favourable consideration.

The Provincial Secretary then said:

Mr. Speaker,

I am commanded by the Honourable the Lieutenant Governor to declare to you that he freely confides in the duty and attachment of the Assembly to Her Majesty's person and Government, and not doubting that the proceedings will be conducted with wisdom, temperance and prudence, he grants and upon all occasions will recognize and allow the constitutional privileges.

I am commanded also to assure you that the Assembly shall have ready access to His Honour upon all suitable occasions, and that their proceedings, as well as your words and actions, will constantly receive from him the most favourable construction.

The Honourable the Lieutenant Governor was then pleased to open the Session with the following gracious speech:

Mr. Speaker and Members of The Legislative Assembly of Ontario:

I extend warmest greetings and a sincere welcome to each and every one of you.

On behalf of our Sovereign, I extend congratulations to the Prime Minister and his Ministry, as well as a special welcome to those Honourable Members who attend their first Session of the Legislature.

During this First Session of the Twenty-ninth Parliament of Ontario, the Government will place before you its supplementary estimates, incorporating many special programs to alleviate winter unemployment and other expenditures designed to reinforce the positive economic impact of the budget.

You will also be asked to approve amendments to The Income Tax Act to implement tax reductions to further increase demand in the economy, changes in the Province's Succession Duty Act, The Corporations Tax Act, and legislation to reduce the burden of health insurance premiums.

Bills will also be introduced to implement changes in pension legislation. Finally, you will be asked to approve legislation concerning the structure of government.

God bless the Queen and Canada.

FIFTH DAY

FRIDAY, DECEMBER 17TH, 1971

PRAYERS

10.30 O'CLOCK A.M.

The following Bill was introduced and read the first time:—

Bill 21, An Act to provide for the Control and Regulation of Snowmobiles.
Mr. Shulman.

Before the Orders of the Day Mr. Speaker delivered two rulings as follows:—

On Monday last the Member for High Park raised what he alleged to be a matter of privilege, under which he made certain allegations relating to the recent Election in three electoral districts, and asked me, as Speaker, to refer his allegations to the Committee on Privileges and Elections.

Firstly, I must repeat what has been said by my predecessors on several occasions—A matter of privilege must pertain to one of those special privileges that the Assembly and its Members individually enjoy which are not enjoyed by other citizens. I refer you to Standing Order No. 42. The matter raised by the Member for High Park is of equal interest to the whole electorate and is not one of those special parliamentary privileges.

Secondly, I, as Speaker, have no authority to refer any matter to a Committee for consideration. Such referral can only be made by Order of the House on motion properly moved after notice and passed.

Thirdly, if offences and irregularities, as alleged, have taken place, the proper remedies exist under Federal and Provincial law; for example, if any person has evidence that another person is guilty of the offence of personation, he should lay a charge under the Criminal Code of Canada. The Ontario Election Act defines those things which are election offences and prescribes the proper procedure to be taken. Similarly, it provides the action to be taken if serious irregularities are alleged.

The Deputy Speaker referred to me a matter raised in Committee of Supply by the Leader of the New Democratic Party, as a matter of privilege.

At the outset I must point out that privilege only relates to those special privileges which the Members of the House enjoy individually and the House enjoys collectively, that are not enjoyed by non Members. I refer you to Standing Order No. 42. The matter raised by the Honourable Member does not appear to relate to any of those special privileges.

The question then arises—could it have been raised as a Point of Order. Again it appears that the Standing Orders and precedents are against this procedure. Standing Order No. 16 (a), item 8, states clearly that one Member may not make allegations against another, and item 10 prohibits a Member from charging another with uttering a deliberate falsehood. Moreover, May's Parliamentary Practice, 18th Edition, at page 419, cites a number of cases supporting the proposition that one Member may not accuse another of misrepresentation, although some cases hold that to be out of order the accusation must be deliberate misrepresentation. It would, therefore, appear that the Leader of the New Democratic Party himself committed a breach of order in making his accusation.

There are, of course, other ways that the New Democratic Party Leader could have made his point without offending the rules and precedents of the House. If he could not find a proper vehicle in the Supplementary Estimates, he could, of course, during the Oral Question Period, ask the Ministers concerned if they would not agree that there was an inconsistency in the statements they had made to the House.

Also, before the Orders of the Day, Mr. Speaker presented to Major B. Handley Geary, V.C., retiring Sergeant-at-Arms, a Scroll from the Government of Ontario in recognition of his service to the Legislative Assembly for the past quarter of a century.

On motion by Mr. Brunelle, seconded by Mr. Wells,

Ordered, That Arthur K. Meen, Member of the Assembly for the Electoral District of York•East, may bargain for, and purchase from Her Majesty the Queen in right of the Province of Ontario as represented by the Minister of Lands and Forests, the lands at a price of \$100.00, described as being:

All that parcel or tract of land in the Township of Wicklow, in the County of Hastings and Province of Ontario, containing by admeasurement 0.13 acres, be the same more or less, and being composed of that part of Lot 4, Concession XIII in the said township designated as Part 1 on a plan and field notes of survey dated September 10, 1971, signed by M. J. McAlpine, Ontario Land Surveyor, of record in the Department of Lands and Forests, at Toronto, as Location MJ 262 and of record in the Office of Land Titles at Belleville as Plan 21R-483.

and his seat in the Assembly shall not thereby be vacated nor shall he thereby be rendered ineligible as a Member of or to sit or vote in the Assembly.

The Order of the Day for resuming the Adjourned Debate on the Motion for Second Reading of Bill 16, An Act to amend The Extra-Judicial Services Act, having been read,

The debate was resumed, and, after some time, the motion having been put was carried.
