ORDERS OF THE DAY

Opposition Day

Marit Stiles moved,

Whereas everyone has the right to an affordable home; and

Whereas any solution to the housing affordability crisis must include public, non-profit and co-op housing options; and

Whereas successive Liberal and Conservative provincial governments have failed to adequately invest in non-market housing; and

Whereas the Government has failed to legalize fourplexes as-of-right, restore rent control, and implement vacancy decontrol to make housing more affordable; and

Whereas the Ontario Government is at risk of losing billions of dollars in federal funding due to its failure to deliver an adequate supply of new affordable homes;

Therefore, in the opinion of this House, the Ontario Government should get back to building by swiftly and substantially increasing the supply of affordable non-market homes in Ontario.
